Included in the above appropriations for house and senate expenses are funds for a legislative business per diem allowance, meals, and other usual and customary expenses associated with legislative affairs. Except as provided below, this allowance is to be paid to each member of the general assembly for every day, including Sundays, during which the general assembly is convened in regular or special session, commencing with the day the session is officially convened and concluding with the day the session is adjourned sine die. However, after five (5) consecutive days of recess, the legislative business per diem allowance is to be made on an individual voucher basis until the recess concludes.

Members of the general assembly are entitled, when authorized by the speaker of the house or the president pro tempore of the senate, to the legislative business per

1 diem allowance for each and every day engaged in official business.

2  
3 The legislative business per diem allowance that each member of the general assembly  
4 is entitled to receive equals the maximum daily amount allowable to employees of  
5 the executive branch of the federal government for subsistence expenses while away  
6 from home in travel status in the Indianapolis area. The legislative business per  
7 diem changes each time there is a change in that maximum daily amount.

8  
9 In addition to the legislative business per diem allowance, each member of the general  
10 assembly shall receive the mileage allowance in an amount equal to the standard mileage  
11 rates for personally owned transportation equipment established by the federal Internal  
12 Revenue Service for each mile necessarily traveled from the member's usual place  
13 of residence to the state capitol. However, if the member traveled by a means other  
14 than by motor vehicle, and the member's usual place of residence is more than one  
15 hundred (100) miles from the state capitol, the member is entitled to reimbursement  
16 in an amount equal to the lowest air travel cost incurred in traveling from the usual  
17 place of residence to the state capitol. During the period the general assembly is  
18 convened in regular or special session, the mileage allowance shall be limited to  
19 one (1) round trip each week per member.

20  
21 Any member of the general assembly who is appointed, by the governor, speaker  
22 of the house, president or president pro tempore of the senate, house or senate minority  
23 floor leader, or Indiana legislative council to serve on any research, study, or  
24 survey committee or commission, or who attends any meetings authorized or convened  
25 under the auspices of the Indiana legislative council, including pre-session conferences  
26 and federal-state relations conferences, is entitled, when authorized by the legislative  
27 council, to receive the legislative business per diem allowance for each day in actual  
28 attendance and is also entitled to a mileage allowance, at the rate specified above,  
29 for each mile necessarily traveled from the member's usual place of residence to  
30 the state capitol, or other in-state site of the committee, commission, or conference.  
31 The per diem allowance and the mileage allowance permitted under this paragraph shall  
32 be paid from the legislative council appropriation for legislator and lay member  
33 travel unless the member is attending an out-of-state meeting, as authorized by the  
34 speaker of the house of representatives or the president pro tempore of the senate,  
35 in which case the member is entitled to receive:  
36 (1) the legislative business per diem allowance for each day the member is engaged  
37 in approved out-of-state travel; and  
38 (2) reimbursement for traveling expenses actually incurred in connection with the  
39 member's duties, as provided in the state travel policies and procedures established  
40 by the legislative council.

41  
42 Notwithstanding the provisions of this or any other statute, the legislative council  
43 may adopt, by resolution, travel policies and procedures that apply only to members  
44 of the general assembly or to the staffs of the house of representatives, senate,  
45 and legislative services agency, or both members and staffs. The legislative council  
46 may apply these travel policies and procedures to lay members serving on research,  
47 study, or survey committees or commissions that are under the jurisdiction of the  
48 legislative council. Notwithstanding any other law, rule, or policy, the state travel  
49 policies and procedures established by the Indiana department of administration and

approved by the budget agency do not apply to members of the general assembly, to the staffs of the house of representatives, senate, or legislative services agency, or to lay members serving on research, study, or survey committees or commissions under the jurisdiction of the legislative council (if the legislative council applies its travel policies and procedures to lay members under the authority of this SECTION), except that, until the legislative council adopts travel policies and procedures, the state travel policies and procedures established by the Indiana department of administration and approved by the budget agency apply to members of the general assembly, to the staffs of the house of representatives, senate, and legislative services agency, and to lay members serving on research, study, or survey committees or commissions under the jurisdiction of the legislative council. The executive director of the legislative services agency is responsible for the administration of travel policies and procedures adopted by the legislative council. The auditor of state shall approve and process claims for reimbursement of travel related expenses under this paragraph based upon the written affirmation of the speaker of the house of representatives, the president pro tempore of the senate, or the executive director of the legislative services agency that those claims comply with the travel policies and procedures adopted by the legislative council. If the funds appropriated for the house and senate expenses and legislative salaries are insufficient to pay all the necessary expenses incurred, including the cost of printing the journals of the house and senate, there is appropriated such further sums as may be necessary to pay such expenses.

- (1) each day that the general assembly is not convened in regular or special session; and

- (2) The plan shall be designed to obligate the federal funds and begin construction as soon as practical.
- (3) The plan shall be designed to minimize the likelihood that any funding apportioned to Indiana will have to be returned to the federal government.
- (4) The plan shall strive to make Indiana eligible for any increased funding that may become available as a result of reallocation from other states.
- (5) The plan shall reasonably allocate funding to projects located across all areas of the state, with an emphasis on areas determined by the department to be economically distressed.
- (6) The department may hold special lettings for contracts using the above appropriations. The department shall strive to limit each contract to a maximum of \$10,000,000.
- (7) The department shall strive to diversify the type of work using the above appropriations.

In preparing that portion of the plan for expenditure for Highway Capital Improvements - Local Government and Highway Capital Improvements - Metro Planning Organizations, Cities, Towns, and Counties, the department shall adhere to the following guidelines to the extent practical:

- (1) The plan shall comply with all applicable federal statutes, rules, and policies as necessary to ensure eligibility for the maximum level of federal funding.
- (2) The plan shall be designed to obligate the federal funds and begin construction

as soon as practical.

(3) The plan shall be designed to minimize the likelihood that any funding apportioned to Indiana will have to be returned to the federal government.

(4) The plan shall strive to make Indiana eligible for any increased funding that may become available as a result of reallocation from other states.

(5) The plan shall reasonably allocate funds to projects located across all areas of the state. However, if the department cannot identify local government projects that can be obligated within the established time frames the department may allocate funds as necessary to fully obligate all federal funding.

(6) For Highway Capital Improvements for Metro Planning Organizations the plan shall include projects selected by the respective metropolitan planning organizations.

However, if the metropolitan planning organizations cannot identify projects that can be obligated within the established time frames, the department may select alternate projects as necessary to fully obligate all federal funding.

(7) The department may hold special lettings for contracts using the above appropriations. The department shall strive to limit each contract for Highway Capital Improvements for Cities, Towns, and Counties to a maximum of \$7,000,000.

The department shall establish reasonable policies and guidelines for cities, towns, and counties and metropolitan planning organizations to follow to help ensure reasonable access and timely obligation of funds. The department shall provide reasonable assistance to cities, towns, and counties and metropolitan planning organizations in meeting deadlines established to ensure timely obligation of funding.

If the governor finds that any of the above goals conflict with another goal, the governor shall determine the appropriate weight to give to each goal. The department with the approval of the governor may adjust the above appropriations for Highway Capital Improvements, Transportation Enhancements, Highway Capital Improvements - Metropolitan Planning Organizations, Cities, Towns, and Counties as necessary to comply with federal law, policies, or direction established to ensure continuing eligibility for federal funding.

The department shall submit reports to the budget committee and legislative council by December 31 of 2009, 2010, and 2011 detailing the status of the appropriations and projects funded under the plan. The department may submit copies of reports required to be submitted to the federal government to fulfill this requirement.

With the required approval, a reimbursement for out-of-state travel expenses may be granted in an amount not to exceed actual lodging and miscellaneous expenses incurred. A person in travel status is entitled to a meal allowance not to exceed during any twenty-four (24) hour period the standard meal allowances established by the federal Internal Revenue Service for properly approved travel within the continental United States and a minimum of \$50 during any twenty-four (24) hour period for properly approved travel outside the continental United States. Before reimbursing overnight travel expenses, the auditor of state shall require documentation as prescribed in the state travel policies and procedures established by the Indiana department of administration and the budget agency. No appropriation from any fund may be construed as authorizing the payment of any sum in excess of the standard mileage rates for personally owned transportation equipment established by the federal Internal Revenue Service when used in the discharge of state business. The Indiana department of administration and the budget agency may adopt policies and procedures relative to the reimbursement of travel and moving expenses of new state employees and the reimbursement of travel expenses of prospective employees who are invited to interview with the state.

18 and the proceeds of the sale or sales shall be deposited in the state treasury. The  
19 amount so deposited is hereby reappropriated to that agency for other operating expenses  
20 of the then current year, if approved by the director of the budget agency.

28 the director of the supply division of the Indiana department of administration,  
29 or both. The proceeds of any such sale or sales shall be deposited in the state treasury.  
30 The amount deposited is hereby reappropriated to the institution for expenses of  
31 the then current year if approved by the director of the budget agency. The exchange

33 only is hereby authorized at valuations agreed upon between the superintendents or  
34 wardens of the institutions. Capital outlay expenditures may be made from the institutional

42 does not apply to contracts for the state universities supported in whole or in part  
43 by state funds.

the agency for that program or function.

**SECTION 23. [EFFECTIVE JULY 1, 2009]**

The balance of any appropriation or funds heretofore placed or remaining to the credit of any division of the state of Indiana, and any appropriation or funds provided in this act placed to the credit of any division of the state of Indiana, the powers, duties, and functions whereof are assigned and transferred to any department for salaries, maintenance, operation, construction, or other expenses in the exercise of such powers, duties, and functions, shall be transferred to the credit of the department to which such assignment and transfer is made, and the same shall be available for the objects and purposes for which appropriated originally.

**SECTION 24. [EFFECTIVE JULY 1, 2009]**

The director of the division of procurement of the Indiana department of administration, or any other person or agency authorized to make purchases of equipment, shall not honor any requisition for the purchase of an automobile that is to be paid for from any appropriation made by this act or any other act, unless the following facts are shown to the satisfaction of the commissioner of the Indiana department of administration or the commissioner's designee:

(1) In the case of an elected state officer, it shall be shown that the duties of the office require driving about the state of Indiana in the performance of official duty.

(2) In the case of department or commission heads, it shall be shown that the statutory duties imposed in the discharge of the office require traveling a greater distance than one thousand (1,000) miles each month or that they are subject to official duty call at all times.

(3) In the case of employees, it shall be shown that the major portion of the duties assigned to the employee require travel on state business in excess of one thousand (1,000) miles each month, or that the vehicle is identified by the agency as an integral part of the job assignment.

In computing the number of miles required to be driven by a department head or an employee, the distance between the individual's home and office or designated official station is not to be considered as a part of the total. Department heads shall annually submit justification for the continued assignment of each vehicle in their department, which shall be reviewed by the commissioner of the Indiana department of administration, or the commissioner's designee. There shall be an insignia permanently affixed on each side of all state owned cars, designating the cars as being state owned. However, this requirement does not apply to state owned cars driven by elected state officials or to cases where the commissioner of the Indiana department of administration or the commissioner's designee determines that affixing insignia on state owned cars would hinder or handicap the persons driving the cars in the performance of their official duties.

**SECTION 25. [EFFECTIVE JULY 1, 2009]**

When budget agency approval or review is required under this act, the budget agency

may refer to the budget committee any budgetary or fiscal matter for an advisory recommendation. The budget committee may hold hearings and take any actions authorized by IC 4-12-1-11, and may make an advisory recommendation to the budget agency.

**SECTION 27. [EFFECTIVE JULY 1, 2009]**

Federal funds received as revenue by a state agency or department are not available to the agency or department for expenditure until allotment has been made by the budget agency under IC 4-12-1-12(d).

**SECTION 30. [EFFECTIVE JULY 1, 2009]**

Subject to SECTION 25 of this act as it relates to the budget committee, the budget agency with the approval of the governor may withhold allotments of any or all appropriations contained in this act for the 2009-2011 biennium, if it is considered necessary to do so in order to prevent a deficit financial situation.

The budget agency may employ one (1) or more architects or engineers to inspect construction, rehabilitation, and repair projects covered by the appropriations in this act or previous acts.

## **SECTION 33. [EFFECTIVE UPON PASSAGE]**

If any part of a construction or rehabilitation and repair appropriation made by this act or any previous acts has not been allotted or encumbered before the expiration of two (2) biennia, the budget agency may determine that the balance of the appropriation is not available for allotment. The appropriation may be terminated, and the balance may revert to the fund from which the original appropriation was made.

(3) The total amount of the proposed expenditure is in accordance with an appropriation made by the county fiscal body in the manner provided by law.

(c) Except as otherwise provided in subsections (d) and (e), an appeal under this section shall be conducted in the same manner as an appeal under IC 6-1.1-15-4 through IC 6-1.1-15-8. SECTION 86. IC 6-1.1-11-4 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 4. (a) The exemption application referred to in section 3 of this chapter is not required if the exempt property is owned by the United States, the state, an agency of this state, or a political subdivision (as defined in IC 36-1-2-13). However, this subsection applies only when the property is used, and in the case of real property

(b) The exemption application referred to in section 3 of this chapter is not required if the exempt property is a cemetery:

- (1) described by IC 6-1.1-2-7; or
- (2) maintained by a township executive under IC 23-14-68.

(c) The exemption application referred to in section 3 of this chapter is not required if the exempt property is owned by the bureau of motor vehicles commission established under IC 9-15-1.

(d) The exemption application referred to in section 3 or 3.5 of this chapter is not required if:

- (1) the exempt property is:
  - (A) tangible property used for religious purposes described in IC 6-1.1-10-21; ~~or~~

(3) the property continues to meet the requirements for an exemption under IC 6-1.1-10-16 or IC 6-1.1-10-21.

A change in ownership of property does not terminate an exemption of the property if after the change in ownership the property continues to meet the requirements for an exemption under IC 6-1.1-10-16 or IC 6-1.1-10-21. However, if title to any of the real property subject to the exemption changes or any of the tangible property subject to the exemption is used for a nonexempt purpose after the date of the last properly filed exemption application, this subsection does not apply: the person that obtained the exemption or the current owner of the property shall notify the county assessor for the county where the tangible property is located of the change in the year that the change occurs. The notice must be in the form prescribed by the department of local government finance. If the county assessor discovers that title to property granted an exemption described in IC 6-1.1-10-16 or IC 6-1.1-10-21 has changed, the county assessor shall notify the persons entitled to a tax statement under IC 6-1.1-22-8.1 for the property of the change in title and indicate that the county auditor will suspend the exemption for the property until the persons provide the county assessor with an affidavit, signed under penalties of perjury, that identifies the new owners of the property and indicates that the property continues to meet the requirements for an exemption under IC 6-1.1-10-21 or IC 6-1.1-10-16. Upon receipt of the affidavit, the county assessor shall reinstate the exemption for the years for which the exemption was suspended and each year thereafter that the property continues to meet the requirements for an exemption under IC 6-1.1-10-21 or IC 6-1.1-10-16.

if the applicant is not an individual; and

(4) either:

(A) the last five (5) digits of the applicant's Social Security number and the last five (5) digits of the Social Security number of the applicant's spouse (if any); or

(B) if the applicant or the applicant's spouse (if any) do not have a Social Security number, any of the following for that individual:

- (i) The last five (5) digits of the individual's driver's license number.

acceptable.

If a form or statement provided to the county auditor under this section, IC 6-1.1-22-8.1, or IC 6-1.1-22.5-12 includes the telephone number or part or all of the Social Security number of a party or other number described in subdivision (4)(B) of a party, the telephone number and the Social Security number or other number described in subdivision (4)(B) included are confidential. The statement may be filed in person or by mail. If the statement is mailed, the mailing must be postmarked on or before the last day for filing. The statement applies for that first year and any succeeding year for which the deduction is allowed. With respect to real property, the person must file the statement during the year for which the person desires to obtain the deduction. With respect to a mobile home that is not assessed as real property, the person must file the statement during the twelve (12) months before March 31 of the year for which the person desires to obtain the deduction.

(f) If an individual who is receiving the deduction provided by this section or who otherwise qualifies property for a deduction under this section:

- (1) changes the use of the individual's property so that part or all of the property no longer qualifies for the deduction under this section; or
- (2) is no longer eligible for a deduction under this section on another parcel of property because:

- (A) the individual would otherwise receive the benefit of more than one (1) deduction under this chapter; or
- (B) the individual maintains the individual's principal place of residence with another individual who receives a deduction under this section;

the individual must file a certified statement with the auditor of the county, notifying the auditor of the change of use, not more than sixty (60) days after the date of that change. An individual who fails to file the statement required by this subsection is liable for any additional taxes that would have been due on the property if the individual had filed the statement as required by this subsection plus a civil penalty equal to ten percent (10%) of the additional taxes due. The civil penalty imposed under this subsection is in addition to any interest and penalties for a delinquent payment that might otherwise be due. One percent (1%) of the total civil penalty collected under this subsection shall be transferred by the county to the department of local government finance for use by the department in establishing and maintaining the homestead property database under subsection (i) and, to the extent there is money remaining, for any other purposes of the department. This amount becomes part of the property tax liability for purposes of this article.

(g) The department of local government finance shall adopt rules or guidelines concerning the application for a deduction under this section.

(h) This subsection does not apply to property in the first year for which a deduction is claimed under this section if the sole reason that a deduction is claimed on other property is that the individual or married couple maintained a principal residence at the other property on March 1 in the same year in which an application for a deduction is filed under this section or, if the application is for a homestead that is assessed as personal property, on March 1 in the immediately preceding year and the

individual or married couple is moving the individual's or married couple's principal residence to the property that is the subject of the application. The county auditor may not grant an individual or a married couple a deduction under this section if:

- (1) the individual or married couple, for the same year, claims the deduction on two (2) or more different applications for the deduction; and
- (2) the applications claim the deduction for different property.

(i) The department of local government finance shall provide secure access to county auditors to a homestead property data base that includes access to the homestead owner's name and the numbers required from the homestead owner under subsection (e)(4) for the sole purpose of verifying whether an owner is wrongly claiming a deduction under this chapter or a credit under IC 6-1.1-20.4, IC 6-1.1-20.6, or IC 6-3.5.

(j) The department of local government finance shall work with county auditors to develop procedures to determine whether a property owner that is claiming a standard deduction or homestead credit is not eligible for the standard deduction or homestead credit because the property owner's principal place of residence is outside Indiana.

- (2) the procedures the taxpayer must follow in order to obtain a review under this section.

(c) In order to obtain a review of an assessment or deduction effective for the assessment date to which the notice referred to in subsection (b) applies, the taxpayer must file a notice in writing with the county or township official referred to in subsection (a) not later than forty-five (45) days after the date of the notice referred to in subsection (b).

(d) A taxpayer may obtain a review by the county board of the assessment of the taxpayer's tangible property effective for an assessment date for which a notice of assessment is not given as described in subsection (b). To obtain the review, the taxpayer must file a notice in writing with the township assessor, or the county assessor if the township is not served by a township assessor. The right of a taxpayer to obtain a review under this

subsection for an assessment date for which a notice of assessment is not given does not relieve an assessing official of the duty to provide the taxpayer with the notice of assessment as otherwise required by this article. The notice to obtain a review must be filed not later than the later of:

- (1) May 10 of the year; or
- (2) forty-five (45) days after the date of the tax statement mailed by the county treasurer, regardless of whether the assessing official changes the taxpayer's assessment.

(e) A change in an assessment made as a result of a notice for review filed by a taxpayer under subsection (d) after the time prescribed in subsection (d) becomes effective for the next assessment date. A change in an assessment made as a result of a notice for review filed by a taxpayer under subsection (c) or (d) remains in effect from the assessment date for which the change is made until the next assessment date for which the assessment is changed under this article.

(f) The written notice filed by a taxpayer under subsection (c) or (d) must include the following information:

- (1) The name of the taxpayer.
- (2) The address and parcel or key number of the property.
- (3) The address and telephone number of the taxpayer.

(g) The filing of a notice under subsection (c) or (d):

- (1) initiates a review under this section; and
- (2) constitutes a request by the taxpayer for a preliminary informal meeting with the official referred to in subsection (a).

(h) A county or township official who receives a notice for review filed by a taxpayer under subsection (c) or (d) shall:

- (1) immediately forward the notice to the county board; and
- (2) attempt to hold a preliminary informal meeting with the taxpayer to resolve as many issues as possible by:
  - (A) discussing the specifics of the taxpayer's assessment or deduction;
  - (B) reviewing the taxpayer's property record card;
  - (C) explaining to the taxpayer how the assessment or deduction was determined;
  - (D) providing to the taxpayer information about the statutes, rules, and guidelines that govern the determination of the assessment or deduction;
  - (E) noting and considering objections of the taxpayer;
  - (F) considering all errors alleged by the taxpayer; and
  - (G) otherwise educating the taxpayer about:
    - (i) the taxpayer's assessment or deduction;
    - (ii) the assessment or deduction process; and
    - (iii) the assessment or deduction appeal process.

(i) Not later than ten (10) days after the informal preliminary meeting, the official referred to in subsection (a) shall forward to the county auditor and the county board the results of the conference on a form prescribed by the department of local government finance that must be completed and signed by the taxpayer and the official. The form must indicate the following:

- (1) If the taxpayer and the official agree on the resolution of all assessment or deduction issues in the review, a statement of:
  - (A) those issues; and
  - (B) the assessed value of the tangible property or the

amount of the deduction that results from the resolution of those issues in the manner agreed to by the taxpayer and the official.

(2) If the taxpayer and the official do not agree on the resolution of all assessment or deduction issues in the review:

- (A) a statement of those issues; and
- (B) the identification of:
  - (i) the issues on which the taxpayer and the official agree; and
  - (ii) the issues on which the taxpayer and the official disagree.

(j) If the county board receives a form referred to in subsection (i)(1) before the hearing scheduled under subsection (k):

- (1) the county board shall cancel the hearing;
- (2) the county official referred to in subsection (a) shall give notice to the taxpayer, the county board, the county assessor, and the county auditor of the assessment or deduction in the amount referred to in subsection (i)(1)(B); and
- (3) if the matter in issue is the assessment of tangible property, the county board may reserve the right to change the assessment under IC 6-1.1-13.

(k) If:

- (1) subsection (i)(2) applies; or
- (2) the county board does not receive a form referred to in subsection (i) not later than one hundred twenty (120) days after the date of the notice for review filed by the taxpayer under subsection (c) or (d);

the county board shall hold a hearing on a review under this subsection not later than one hundred eighty (180) days after the date of that notice. The county board shall, by mail, give notice of the date, time, and place fixed for the hearing to the taxpayer and the county or township official with whom the taxpayer filed the notice for review. The taxpayer and the county or township official with whom the taxpayer filed the notice for review are parties to the proceeding before the county board. ~~The county assessor is recused from any action the county board takes with respect to an assessment determination by the county assessor.~~

(l) At the hearing required under subsection (k):

- (1) the taxpayer may present the taxpayer's reasons for disagreement with the assessment or deduction; and
- (2) the county or township official with whom the taxpayer filed the notice for review must present:
  - (A) the basis for the assessment or deduction decision; and
  - (B) the reasons the taxpayer's contentions should be denied.

(m) The official referred to in subsection (a) may not require the taxpayer to provide documentary evidence at the preliminary informal meeting under subsection (h). The county board may not require a taxpayer to file documentary evidence or summaries of statements of testimonial evidence before the hearing required under subsection (k). If the action for which a taxpayer seeks review under this section is the assessment of tangible property, the taxpayer is not required to have an appraisal of the property in order to do the following:

- (1) Initiate the review.
- (2) Prosecute the review.

(n) The county board shall prepare a written decision resolving all of the issues under review. The county board shall, by mail, give notice of its determination not later than one hundred twenty (120) days after the hearing under subsection (k) to the taxpayer, the official referred to in subsection (a), the county assessor, and the county auditor.

(o) If the maximum time elapses:

- (1) under subsection (k) for the county board to hold a hearing; or
- (2) under subsection (n) for the county board to give notice of its determination;

the taxpayer may initiate a proceeding for review before the Indiana board by taking the action required by section 3 of this chapter at any time after the maximum time elapses.

**(p) This subsection applies if the assessment for which a notice of review is filed increased the assessed value of the assessed property by more than ten percent (10%) over the assessed value finally determined for the immediately preceding assessment date. The county assessor or township assessor making the assessment has the burden of proving that the assessment is correct.**

SECTION 89. IC 6-1.1-15-12, AS AMENDED BY P.L.146-2008, SECTION 140, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE MARCH 1, 2009 (RETROACTIVE)]: Sec. 12. (a) Subject to the limitations contained in subsections (c) and (d), a county auditor shall correct errors which are discovered in the tax duplicate for any one (1) or more of the following reasons:

- (1) The description of the real property was in error.
- (2) The assessment was against the wrong person.
- (3) Taxes on the same property were charged more than one (1) time in the same year.
- (4) There was a mathematical error in computing the taxes or penalties on the taxes.
- (5) There was an error in carrying delinquent taxes forward from one (1) tax duplicate to another.
- (6) The taxes, as a matter of law, were illegal.
- (7) There was a mathematical error in computing an assessment.
- (8) Through an error of omission by any state or county officer, the taxpayer was not given credit for an exemption or deduction permitted by law.

(b) The county auditor shall correct an error described under subsection (a)(1), (a)(2), (a)(3), (a)(4), or (a)(5) when the county auditor finds that the error exists.

(c) If the tax is based on an assessment made or determined by the department of local government finance, the county auditor shall not correct an error described under subsection (a)(6), (a)(7), or (a)(8) until after the correction is either approved by the department of local government finance or ordered by the tax court.

(d) If the tax is not based on an assessment made or determined by the department of local government finance, the county auditor shall correct an error described under subsection (a)(6), (a)(7), or (a)(8) only if the correction is first approved by at least two (2) of the following officials:

- (1) The township assessor (if any).
- (2) The county auditor.
- (3) The county assessor.

If two (2) of these officials do not approve such a correction, the county auditor shall refer the matter to the county board for determination. The county board shall provide a copy of the determination to the taxpayer and to the county auditor.

(e) A taxpayer may appeal a determination of the county board to the Indiana board for a final administrative determination. An appeal under this section shall be conducted in the same manner as appeals under sections 4 through 8 of this chapter. The Indiana board shall send the final administrative determination to the taxpayer, the county auditor, the county assessor, and the township assessor (if any).

(f) If a correction or change is made in the tax duplicate after it is delivered to the county treasurer, the county auditor shall transmit a certificate of correction to the county treasurer. The county treasurer shall keep the certificate as the voucher for settlement with the county auditor.

(g) A taxpayer that files a personal property tax return under IC 6-1.1-3 may not petition under this section for the correction of an error made by the taxpayer on the taxpayer's personal property tax return. If the taxpayer wishes to correct an error made by the taxpayer on the taxpayer's personal property tax return, the taxpayer must instead file an amended personal property tax return under IC 6-1.1-3-7.5.

(h) A taxpayer that files a statement under IC 6-1.1-8-19 may not petition under this section for the correction of an error made by the taxpayer on the taxpayer's statement. If the taxpayer wishes to correct an error made by the taxpayer on the taxpayer's statement, the taxpayer must instead initiate an objection under IC 6-1.1-8-28 or an appeal under IC 6-1.1-8-30.

~~(i) A taxpayer that files a statement under IC 6-1.1-8-23 may not petition under this section for the correction of an error made by the taxpayer on the taxpayer's statement. If the taxpayer wishes to correct an error made by the taxpayer on the taxpayer's statement, the taxpayer must instead file an amended statement not more than six (6) months after the due date of the statement.~~

SECTION 90. IC 6-1.1-17-0.5, AS AMENDED BY P.L.90-2009, SECTION 2, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2009 (RETROACTIVE)]: Sec. 0.5. (a) For purposes of this section, "assessed value" has the meaning set forth in IC 6-1.1-1-3(a).

(b) The county auditor may exclude and keep separate on the tax duplicate for taxes payable in a calendar year the assessed value of tangible property that meets the following conditions:

- (1) The assessed value of the property is at least nine percent (9%) of the assessed value of all tangible property subject to taxation by a taxing unit.
- (2) The property is or has been part of a bankruptcy estate that is subject to protection under the federal bankruptcy code.
- (3) The owner of the property has discontinued all business operations on the property.
- (4) There is a high probability that the taxpayer will not pay property taxes due on the property in the following year.

(c) This section does not limit, restrict, or reduce in any way

the property tax liability on the property.

(d) For each taxing unit located in the county, the county auditor may reduce for a calendar year the taxing unit's assessed value that is certified to the department of local government finance under section 1 of this chapter and used to set tax rates for the taxing unit for taxes first due and payable in the immediately succeeding calendar year. The county auditor may reduce a taxing unit's assessed value under this subsection only to enable the taxing unit to absorb the effects of reduced property tax collections in the immediately succeeding calendar year that are expected to result from any or a combination of the following:

- (1) Successful appeals of the assessed value of property located in the taxing unit.
- (2) Deductions under IC 6-1.1-12-37 and IC 6-1.1-12-37.5 that are granted result from the granting of applications for the standard deduction for the calendar year under IC 6-1.1-12-37 or IC 6-1.1-12-44 after the county auditor certifies assessed value as described in this section.
- (3) Deductions that result from the granting of applications for deductions for the calendar year under IC 6-1.1-12-44 after the county auditor certifies assessed value as described in this section.
- (4) Reassessments of real property under IC 6-1.1-4-11.5.

Not later than December 31 of each year, the county auditor shall send a certified statement, under the seal of the board of county commissioners, to the fiscal officer of each political subdivision of the county and to the department of local government finance. The certified statement must list any adjustments to the amount of the reduction under this subsection and the information submitted under section 1 of this chapter that are necessary. The county auditor shall keep separately on the tax duplicate the amount of any reductions made under this subsection. The maximum amount of the reduction authorized under this subsection is determined under subsection (e).

(e) The amount of the reduction in a taxing unit's assessed value for a calendar year under subsection (d) may not exceed two percent (2%) of the assessed value of tangible property subject to assessment in the taxing unit in that calendar year.

(f) The amount of a reduction under subsection (d) may not be offered in a proceeding before the:

- (1) county property tax assessment board of appeals;
- (2) Indiana board; or
- (3) Indiana tax court;

as evidence that a particular parcel has been improperly assessed.

(a) The county board of tax adjustment shall complete the duties assigned to it under this chapter on or before ~~October 1st~~ **November 2** of each year, except that in a consolidated city and county and in a county containing a second class city, the duties of this board need not be completed until ~~November~~ **December** 1 of each year.

(b) If the county board of tax adjustment fails to complete the duties assigned to it within the time prescribed in this section or to reduce aggregate tax rates so that they do not exceed the maximum rates permitted under IC 6-1.1-18, the county auditor shall calculate and fix the tax rate within each political subdivision of the county so that the maximum rate permitted under IC 6-1.1-18 is not exceeded.

(c) When the county auditor calculates and fixes tax rates, the county auditor shall send a certificate notice of those rates to each political subdivision of the county. The county auditor shall send these notices within five (5) days after:

(1) publication of the notice required by section 12 of this chapter; or

(2) **the tax rates are calculated and fixed by the county auditor;**

**whichever applies.**

(d) When the county auditor calculates and fixes tax rates, that action shall be treated as if it were the action of the county board of tax adjustment.

SECTION 98. IC 6-1.1-17-13, AS AMENDED BY P.L.228-2005, SECTION 20, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 13. (a) Ten (10)

The statement must be filed not later than ten (10) days after the publication of the notice required by section 12 of this chapter. The county auditor shall forward the statement, with the budget, to the department of local government finance.

(b) The department of local government finance shall:

(1) subject to subsection (c), give notice to the first ten (10) taxpayers whose names appear on the petition, or to the taxpayer that owns property that represents at least ten percent (10%) of the taxable assessed valuation in the political subdivision in the case of an appeal initiated by that taxpayer, of the date, time, and location of the hearing on the objection statement filed under subsection (a);

(2) conduct a hearing on the objection; and

(3) after the hearing:

(A) consider the testimony and evidence submitted at the hearing; and

(B) mail the department's:

(i) written determination; and

to the first ten (10) taxpayers whose names appear on the petition, or to the taxpayer that owns property that represents at least ten percent (10%) of the taxable assessed valuation in the political subdivision in the case of an appeal initiated by that taxpayer.

The department of local government finance may hold the hearing in conjunction with the hearing required under IC 6-1.1-17-16.

(c) The department of local government finance shall provide written notice to:

(2) the taxpayer that owns property that represents at least ten percent (10%) of the taxable assessed valuation in the political subdivision, in the case of an appeal initiated by that taxpayer;

at least five (5) days before the date of the hearing.

SECTION 99. IC 6-1.1-17-14, AS AMENDED BY P.L.146-2008, SECTION 158, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 14. The county auditor shall initiate an appeal to the department of local government finance if the county fiscal body or the county board of tax adjustment reduces

(3) a children's psychiatric residential treatment services fund tax rate below the rate necessary to collect the levy

recommended by the department of child services; for property taxes first due and payable before January 1, 2009.

SECTION 100. IC 6-1.1-17-15, AS AMENDED BY P.L.146-2008, SECTION 159, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 15. A political subdivision may appeal to the department of local government finance for an increase in its tax rate or tax levy as ~~fixed~~ **modified** by the county board of tax adjustment or the county auditor. To initiate the appeal, the political subdivision must file a statement with the department of local government finance not later than ten (10) days after publication of the notice required by section 12 of this chapter. The legislative body of the political subdivision must authorize the filing of the statement by adopting a resolution. The resolution must be attached to the statement of objections, and the statement must be signed by the following officers:

- (1) In the case of counties, by the board of county commissioners and by the president of the county council.
- (2) In the case of all other political subdivisions, by the highest executive officer and by the presiding officer of the legislative body.

SECTION 101. IC 6-1.1-17-16, AS AMENDED BY P.L.146-2008, SECTION 160, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 16. (a) Subject to the limitations and requirements prescribed in this section, the department of local government finance may revise, reduce, or increase a political subdivision's budget by fund, tax rate, or tax levy which the department reviews under section 8 or 10 of this chapter.

(b) Subject to the limitations and requirements prescribed in this section, the department of local government finance may review, revise, reduce, or increase the budget by fund, tax rate, or tax levy of any of the political subdivisions whose tax rates compose the aggregate tax rate within a political subdivision whose budget, tax rate, or tax levy is the subject of an appeal initiated under this chapter.

(c) Except as provided in subsections (j) and (k), before the department of local government finance reviews, revises, reduces, or increases a political subdivision's budget by fund, tax rate, or tax levy under this section, the department must hold a public hearing on the budget, tax rate, and tax levy. The department of local government finance shall hold the hearing in the county in which the political subdivision is located. The department of local government finance may consider the budgets by fund, tax rates, and tax levies of several political subdivisions at the same public hearing. At least five (5) days before the date fixed for a public hearing, the department of local government finance shall give notice of the time and place of the hearing and of the budgets by fund, levies, and tax rates to be considered at the hearing. The department of local government finance shall publish the notice in two (2) newspapers of general circulation published in the county. However, if only one (1) newspaper of general circulation is published in the county, the department of local government finance shall publish the notice in that newspaper.

(d) Except as provided in subsection (i), IC 20-46, or IC 6-1.1-18.5, the department of local government finance may

not increase a political subdivision's budget by fund, tax rate, or tax levy to an amount which exceeds the amount originally fixed by the political subdivision. However, if the department of local government finance determines that IC 5-3-1-2.3(b) applies to the tax rate, tax levy, or budget of the political subdivision, the maximum amount by which the department may increase the tax rate, tax levy, or budget is the amount originally fixed by the political subdivision, and not the amount that was incorrectly published or omitted in the notice described in IC 5-3-1-2.3(b). The department of local government finance shall give the political subdivision written notification specifying any revision, reduction, or increase the department proposes in a political subdivision's tax levy or tax rate. The political subdivision has ~~two (2) weeks~~ **ten (10) calendar days** from the date the political subdivision receives the notice to provide a written response to the department of local government finance's Indianapolis office. The response may include budget reductions, reallocation of levies, a revision in the amount of miscellaneous revenues, and further review of any other item about which, in the view of the political subdivision, the department is in error. The department of local government finance shall consider the adjustments as specified in the political subdivision's response if the response is provided as required by this subsection and shall deliver a final decision to the political subdivision.

(e) The department of local government finance may not approve a levy for lease payments by a city, town, county, library, or school corporation if the lease payments are payable to a building corporation for use by the building corporation for debt service on bonds and if:

- (1) no bonds of the building corporation are outstanding; or
- (2) the building corporation has enough legally available funds on hand to redeem all outstanding bonds payable from the particular lease rental levy requested.

(f) The department of local government finance shall certify its action to:

- (1) the county auditor;
- (2) the political subdivision if the department acts pursuant to an appeal initiated by the political subdivision;
- (3) the taxpayer that initiated an appeal under section 13 of this chapter, or, if the appeal was initiated by multiple taxpayers, the first ten (10) taxpayers whose names appear on the statement filed to initiate the appeal; and
- (4) a taxpayer that owns property that represents at least ten percent (10%) of the taxable assessed valuation in the political subdivision.

(g) The following may petition for judicial review of the final determination of the department of local government finance under subsection (f):

- (1) If the department acts under an appeal initiated by a political subdivision, the political subdivision.
- (2) If the department:
  - (A) acts under an appeal initiated by one (1) or more taxpayers under section 13 of this chapter; or
  - (B) fails to act on the appeal before the department certifies its action under subsection (f);
 a taxpayer who signed the statement filed to initiate the appeal.
- (3) If the department acts under an appeal initiated by the

county auditor under section 14 of this chapter, the county auditor.

(4) A taxpayer that owns property that represents at least ten percent (10%) of the taxable assessed valuation in the political subdivision.

The petition must be filed in the tax court not more than forty-five (45) days after the department certifies its action under subsection (f).

(h) The department of local government finance is expressly directed to complete the duties assigned to it under this section not later than February 15th of each year for taxes to be collected during that year.

(i) Subject to the provisions of all applicable statutes, the department of local government finance may increase a political subdivision's tax levy to an amount that exceeds the amount originally fixed by the political subdivision if the increase is:

- (1) requested in writing by the officers of the political subdivision;
- (2) either:
  - (A) based on information first obtained by the political subdivision after the public hearing under section 3 of this chapter; or
  - (B) results from an inadvertent mathematical error made in determining the levy; and
- (3) published by the political subdivision according to a notice provided by the department.

(j) The department of local government finance shall annually review the budget by fund of each school corporation not later than April 1. The department of local government finance shall give the school corporation written notification specifying any revision, reduction, or increase the department proposes in the school corporation's budget by fund. A public hearing is not required in connection with this review of the budget.

(k) The department of local government finance may hold a hearing under subsection (c) only if the notice required in section 12 of this chapter is published at least ten (10) days before the date of the hearing.

SECTION 102. IC 6-1.1-17-20, AS AMENDED BY P.L.146-2008, SECTION 163, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2009 (RETROACTIVE)]: Sec. 20. (a) This section applies

~~(1)~~ to each governing body of a taxing unit that:

- (1) is not comprised of a majority of officials who are elected to serve on the governing body; and

- (iii) a fire protection district subject to IC 36-8-11-18; or

(B) has a percentage increase in the proposed budget for the taxing unit for the ensuing calendar year that is more than the result of:

- ~~(A)~~ (i) the assessed value growth quotient determined under IC 6-1.1-18.5-2 for the ensuing calendar year; minus
- ~~(B)~~ (ii) one (1).

**For purposes of this section, an individual who qualifies to be appointed to a governing body or serves on a governing body because of the individual's status as an elected official of another taxing unit shall be treated as an official who was not elected to serve on the governing body.**

(b) As used in this section, "taxing unit" has the meaning set forth in IC 6-1.1-1-21, except that the term does not include:

- (1) a school corporation; or
- (2) an entity whose tax levies are subject to review and modification by a city-county legislative body under IC 36-3-6-9.

~~(c) This subsection does not apply to a public library. If:~~

- (1) the assessed valuation of a taxing unit is entirely contained within a city or town; or
- (2) the assessed valuation of a taxing unit is not entirely contained within a city or town but the taxing unit was originally established by the city or town;

the governing body shall submit its proposed budget and property tax levy to the city or town fiscal body. The proposed budget and levy shall be submitted at least ~~fourteen (14)~~ **thirty (30)** days before the city or town fiscal body is required to hold budget approval hearings under this chapter.

(d) If subsection (c) does not apply, the governing body of the taxing unit shall submit its proposed budget and property tax levy to the county fiscal body in the county where the taxing unit has the most assessed valuation. The proposed budget and levy shall be submitted at least ~~fourteen (14)~~ **thirty (30)** days before the county fiscal body is required to hold budget approval hearings under this chapter.

(e) The fiscal body of the city, town, or county (whichever applies) shall review each budget and proposed tax levy and adopt a final budget and tax levy for the taxing unit. The fiscal body may reduce or modify but not increase the proposed budget or tax levy.

**(f) If a taxing unit fails to file the information required in subsection (c) or (d), whichever applies, with the appropriate fiscal body by the time prescribed by this section, the most recent annual appropriations and annual tax levy of that taxing unit are continued for the ensuing budget year.**

**(g) If the appropriate fiscal body fails to complete the requirements of subsection (e) before the adoption deadline in section 5 of this chapter for any taxing unit subject to this section, the most recent annual appropriations and annual tax levy of the city, town, or county, whichever applies, are continued for the ensuing budget year.**

SECTION 103. IC 6-1.1-17-20.5, AS ADDED BY P.L.146-2008, SECTION 164, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2009 (RETROACTIVE)]: Sec. 20.5. (a) This section applies to the governing body of a taxing unit unless a majority of the governing body is comprised of officials who are elected to serve on the governing body. **For purposes of this section, an individual who qualifies to be appointed to a governing body or serves on a governing body because of the individual's status as an elected official of another taxing unit shall be treated as an official who was not elected to serve on the governing body.**

(b) As used in this section, "taxing unit" has the meaning set

forth in IC 6-1.1-1-21, except that the term does not include:

(1) a school corporation; or

(2) an entity whose tax levies are subject to review and modification by a city-county legislative body under IC 36-3-6-9.

(c) If:

(1) the assessed valuation of a taxing unit is entirely contained within a city or town; or

(2) the assessed valuation of a taxing unit is not entirely contained within a city or town but the taxing unit was originally established by the city or town;

the governing body of the taxing unit may not issue bonds or enter into a lease payable in whole or in part from property taxes unless it obtains the approval of the city or town fiscal body.

(d) This subsection applies to a taxing unit not described in subsection (c). The governing body of the taxing unit may not issue bonds or enter into a lease payable in whole or in part from property taxes unless it obtains the approval of the county fiscal body in the county where the taxing unit has the most net assessed valuation.

SECTION 104. IC 6-1.1-18.5-7, AS AMENDED BY P.L.146-2008, SECTION 170, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 7. (a) A civil taxing unit is not subject to the levy limits imposed by section 3 of this chapter for an ensuing calendar year if the civil taxing unit did not adopt an ad valorem property tax levy for the immediately preceding calendar year.

(b) If under subsection (a) a civil taxing unit is not subject to the levy limits imposed under section 3 of this chapter for a calendar year, the civil taxing unit shall refer its proposed budget, ad valorem property tax levy, and property tax rate for that calendar year to the local government tax control board established by section 11 of this chapter before the tax levy is advertised. The local government tax control board shall then review and make a recommendation to the department of local government finance. on the civil taxing unit's budget, ad valorem property tax levy, and property tax rate for that calendar year. The department of local government finance shall make a final determination of the civil taxing unit's budget, ad valorem property tax levy, and property tax rate for that calendar year. However, a civil taxing unit may not impose a property tax levy for a year if the unit did not exist as of March 1 of the preceding year.

SECTION 105. IC 6-1.1-18.5-8, AS AMENDED BY P.L.146-2008, SECTION 171, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 8. (a) The ad valorem property tax levy limits imposed by section 3 of this chapter do not apply to ad valorem property taxes imposed by a civil taxing unit if the civil taxing unit is committed to levy the taxes to pay or fund either:

(1) bonded indebtedness; or

(2) lease rentals under a lease with an original term of at least five (5) years.

(b) Except as provided by subsections (g) and (h), a civil taxing unit must file a petition requesting approval from the department of local government finance to incur bonded indebtedness or execute a lease with an original term of at least five (5) years not later than twenty-four (24) months after the

first date of publication of notice of a preliminary determination under IC 6-1.1-20-3.1(2) (as in effect before July 1, 2008), unless the civil taxing unit demonstrates that a longer period is reasonable in light of the civil taxing unit's facts and circumstances. A civil taxing unit must obtain approval from the department of local government finance before the civil taxing unit may:

(1) incur the bonded indebtedness; or

(2) enter into the lease.

The department of local government finance may seek recommendations from the local government tax control board established by section 11 of this chapter when determining whether to authorize incurring the bonded indebtedness or the execution of the lease.

(c) The department of local government finance shall render a decision within three (3) months after the date it receives a request for approval under subsection (b). However, the department of local government finance may extend this three (3) month period by an additional three (3) months if, at least ten (10) days before the end of the original three (3) month period, the department sends notice of the extension to the executive officer of the civil taxing unit. A civil taxing unit may petition for judicial review of the final determination of the department of local government finance under this section. The petition must be filed in the tax court not more than forty-five (45) days after the department enters its order under this section.

(d) A civil taxing unit does not need approval under subsection (b) to obtain temporary loans made in anticipation of and to be paid from current revenues of the civil taxing unit actually levied and in the course of collection for the fiscal year in which the loans are made.

(e) For purposes of computing the ad valorem property tax levy limits imposed on a civil taxing unit by section 3 of this chapter, the civil taxing unit's ad valorem property tax levy for a calendar year does not include that part of its levy that is committed to fund or pay bond indebtedness or lease rentals with an original term of five (5) years in subsection (a).

(f) A taxpayer may petition for judicial review of the final determination of the department of local government finance under this section. The petition must be filed in the tax court not more than thirty (30) days after the department enters its order under this section.

(g) This subsection applies only to bonds, leases, and other obligations for which a civil taxing unit:

(1) after June 30, 2008, makes a preliminary determination as described in IC 6-1.1-20-3.1 or IC 6-1.1-20-3.5 or a decision as described in IC 6-1.1-20-5; or

(2) in the case of bonds, leases, or other obligations payable from ad valorem property taxes but not described in subdivision (1), adopts a resolution or ordinance authorizing the bonds, lease rental agreement, or other obligations after June 30, 2008.

Notwithstanding any other provision, review by the department of local government finance and approval by the department of local government finance is not required before a civil taxing unit may issue or enter into bonds, a lease, or any other obligation.

(h) This subsection applies after June 30, 2008.

Notwithstanding any other provision, review by the department of local government finance and approval by the department of local government finance is not required before a civil taxing unit may construct, alter, or repair a capital project.

SECTION 106. IC 6-1.1-18.5-10, AS AMENDED BY P.L.146-2008, SECTION 174, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2009 (RETROACTIVE)]: Sec. 10. (a) ~~Subject to subsection (d);~~ The ad valorem property tax levy limits imposed by section 3 of this chapter do not apply to ad valorem property taxes imposed by a civil taxing unit to be used to fund:

(1) community mental health centers under:

(A) IC 12-29-2-1.2, for only those civil taxing units that authorized financial assistance under IC 12-29-1 before 2002 for a community mental health center as long as the tax levy under this section does not exceed the levy authorized in 2002;

(B) IC 12-29-2-2 through IC 12-29-2-5; and

(C) IC 12-29-2-13; or

(2) community mental retardation and other developmental disabilities centers under IC 12-29-1-1;

to the extent that those property taxes are attributable to any increase in the assessed value of the civil taxing unit's taxable property caused by a general reassessment of real property that took effect after February 28, 1979.

(b) ~~Subject to subsection (d);~~ For purposes of computing the ad valorem property tax levy limits imposed on a civil taxing unit by section 3 of this chapter, the civil taxing unit's ad valorem property tax levy for a particular calendar year does not include that part of the levy described in subsection (a).

(c) This subsection applies to property taxes first due and payable after December 31, 2008. Notwithstanding subsections (a) and (b) or any other law, any property taxes imposed by a civil taxing unit that are exempted by this section from the ad valorem property tax levy limits imposed by section 3 of this chapter may not increase annually by a percentage greater than the result of:

(1) the assessed value growth quotient determined under section 2 of this chapter; minus

(2) one (1).

~~(d) The exemptions under subsections (a) and (b) from the ad valorem property tax levy limits do not apply to a civil taxing unit that did not fund a community mental health center or community mental retardation and other developmental disabilities center in 2008.~~

**(d) For a county that:**

**(1) did not impose an ad valorem property tax levy in 2008 for the county general fund to provide financial assistance under IC 12-29-1 (community mental retardation and other developmental disabilities center) or IC 12-29-2 (community mental health center); and**

**(2) determines for 2009 or a later calendar year to impose a levy as described in subdivision (1);**

**the ad valorem property tax levy limits imposed under section 3 of this chapter do not apply to the part of the county's general fund levy that is used in the first calendar year for which a determination is made under subdivision (2) to provide financial assistance under IC 12-29-1 or**

**IC 12-29-2. The department of local government finance shall review a county's proposed budget that is submitted under IC 12-29-1-1 or IC 12-29-2-1.2 and make a final determination of the amount to which the levy limits do not apply under this subsection for the first calendar year for which a determination is made under subdivision (2).**

**(e) The ad valorem property tax levy limits imposed under section 3 of this chapter do not apply to the county's general fund levy in the amount determined by the department of local government finance under subsection (d) in each calendar year following the calendar year for which the determination under subsection (b) is made.**

SECTION 107. IC 6-1.1-18.5-10.5, AS AMENDED BY P.L.146-2008, SECTION 177, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 10.5. (a) The ad valorem property tax levy limits imposed by section 3 of this chapter do not apply to ad valorem property taxes imposed by a civil taxing unit for fire protection services within a fire protection territory under IC 36-8-19, if the civil taxing unit is a participating unit in a fire protection territory established before August 1, 2001. For purposes of computing the ad valorem property tax levy limits imposed on a civil taxing unit by section 3 of this chapter on a civil taxing unit that is a participating unit in a fire protection territory established before August 1, 2001, the civil taxing unit's ad valorem property tax levy for a particular calendar year does not include that part of the levy imposed under IC 36-8-19.

(b) This subsection applies to a participating unit in a fire protection territory established under IC 36-8-19 after July 31, 2001. The ad valorem property tax levy limits imposed by section 3 of this chapter do not apply to ad valorem property taxes imposed by a civil taxing unit for fire protection services within a fire protection territory under IC 36-8-19 for the three (3) calendar years in which the participating unit levies a tax to support the territory. For purposes of computing the ad valorem property tax levy limits imposed on a civil taxing unit by section 3 of this chapter for the three (3) calendar years for which the participating unit levies a tax to support the territory, the civil taxing unit's ad valorem property tax levy for a particular calendar year does not include that part of the levy imposed under IC 36-8-19.

(c) This subsection applies to property taxes first due and payable after December 31, 2008. **Except as provided in subsection (d),** notwithstanding subsections (a) and (b) or any other law, any property taxes imposed by a civil taxing unit that are exempted by this section from the ad valorem property tax levy limits imposed by section 3 of this chapter may not increase annually by a percentage greater than the result of:

(1) the assessed value growth quotient determined under section 2 of this chapter; minus

(2) one (1).

**(d) The limits specified in subsection (c) do not apply to a civil taxing unit in the first year in which the civil taxing unit becomes a participating unit in a fire protection territory established under IC 36-8-19. In the first year in which a civil taxing unit becomes a participating unit in a fire protection territory, the civil taxing unit shall submit its proposed budget, proposed ad valorem property tax levy, and**

proposed property tax rate for the fire protection territory to the department of local government finance. The department of local government finance shall make a final determination of the civil taxing unit's budget, ad valorem property tax levy, and property tax rate for the fire protection territory for that calendar year. In making its determination under this subsection, the department of local government finance shall consider the amount that the civil taxing unit is obligated to provide to meet the expenses of operation and maintenance of the fire protection services within the territory, plus a reasonable operating balance, not to exceed twenty percent (20%) of the budgeted expenses. However, the department of local government finance may not approve under this subsection a property tax levy greater than zero (0) if the civil taxing unit did not exist as of the March 1 assessment date for which the tax levy will be imposed. For purposes of applying subsection (c) to the civil taxing unit's property tax levy for the fire protection territory in subsequent calendar years, the department of local government finance may determine not to consider part or all of the part of the first year property tax levy imposed to establish an operating balance.

SECTION 108. IC 6-1.1-18.5-12, AS AMENDED BY P.L.146-2008, SECTION 179, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 12. (a) Any civil taxing unit that determines that it cannot carry out its governmental functions for an ensuing calendar year under the levy limitations imposed by section 3 of this chapter may:

- (1) before ~~September~~ **October** 20 of the calendar year immediately preceding the ensuing calendar year; or
- (2) in the case of a request described in section 16 of this chapter, before December 31 of the calendar year immediately preceding the ensuing calendar year;

appeal to the department of local government finance for relief from those levy limitations. In the appeal the civil taxing unit must state that it will be unable to carry out the governmental functions committed to it by law unless it is given the authority that it is petitioning for. The civil taxing unit must support these allegations by reasonably detailed statements of fact.

(b) The department of local government finance shall promptly deliver to the ~~local government tax control board~~ every appeal petition it receives under subsection (a) and any materials it receives relevant to those appeals. Upon receipt of an appeal petition, the ~~local government tax control board~~ shall immediately proceed to the examination and consideration of the merits of the civil taxing unit's appeal.

(c) In considering an appeal, the ~~local government tax control board~~ **department of local government finance** has the power to conduct hearings, require any officer or member of the appealing civil taxing unit to appear before it, or require any officer or member of the appealing civil taxing unit to provide the ~~board~~ **department** with any relevant records or books.

(d) If an officer or member:

- (1) fails to appear at a hearing ~~of the local government tax control board~~ after having been given written notice from the ~~local government tax control board~~ requiring that person's attendance; or
- (2) fails to produce ~~for the local government tax control~~

~~board's~~ use the books and records that the ~~local government tax control board~~ **department** by written notice required the officer or member to produce;

then the ~~local government tax control board~~ **department** may file an affidavit in the circuit court in the jurisdiction in which the officer or member may be found setting forth the facts of the failure.

(e) Upon the filing of an affidavit under subsection (d), the circuit court shall promptly issue a summons, and the sheriff of the county within which the circuit court is sitting shall serve the summons. The summons must command the officer or member to appear before the ~~local government tax control board~~ **department** to provide information to the ~~local government tax control board~~ **department** or to produce books and records for the ~~local government tax control board's~~ **department's** use, as the case may be. Disobedience of the summons constitutes, and is punishable as, a contempt of the circuit court that issued the summons.

(f) All expenses incident to the filing of an affidavit under subsection (d) and the issuance and service of a summons shall be charged to the officer or member against whom the summons is issued, unless the circuit court finds that the officer or member was acting in good faith and with reasonable cause. If the circuit court finds that the officer or member was acting in good faith and with reasonable cause or if an affidavit is filed and no summons is issued, the expenses shall be charged against the county in which the affidavit was filed and shall be allowed by the proper fiscal officers of that county.

(g) The fiscal officer of a civil taxing unit that appeals under section 16 of this chapter for relief from levy limitations shall immediately file a copy of the appeal petition with the county auditor and the county treasurer of the county in which the unit is located.

SECTION 109. IC 6-1.1-18.5-13, AS AMENDED BY P.L.146-2008, SECTION 180, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 13. With respect to an appeal filed under section 12 of this chapter, the ~~local government tax control board~~ **may recommend department** **may find** that a civil taxing unit **should** receive any one (1) or more of the following types of relief:

(1) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if in the judgment of the ~~local government tax control board~~ **department** the increase is reasonably necessary due to increased costs of the civil taxing unit resulting from annexation, consolidation, or other extensions of governmental services by the civil taxing unit to additional geographic areas or persons. With respect to annexation, consolidation, or other extensions of governmental services in a calendar year, if those increased costs are incurred by the civil taxing unit in that calendar year and more than one (1) immediately succeeding calendar year, the unit may appeal under section 12 of this chapter for permission to increase its levy under this subdivision based on those increased costs in any of the following:

- (A) The first calendar year in which those costs are incurred.

(B) One (1) or more of the immediately succeeding four (4) calendar years.

(2) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the civil taxing unit needs the increase to meet the civil taxing unit's share of the costs of operating a court established by statute enacted after December 31, 1973. Before recommending such an increase, the local government tax control board shall consider all other revenues available to the civil taxing unit that could be applied for that purpose. The maximum aggregate levy increases that the local government tax control board may recommend for a particular court equals the civil taxing unit's estimate of the unit's share of the costs of operating a court for the first full calendar year in which it is in existence. For purposes of this subdivision, costs of operating a court include:

- (A) the cost of personal services (including fringe benefits);
- (B) the cost of supplies; and
- (C) any other cost directly related to the operation of the court.

(3) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if the ~~local government tax control board~~ **department** finds that the quotient determined under STEP SIX of the following formula is equal to or greater than one and two-hundredths (1.02):

STEP ONE: Determine the three (3) calendar years that most immediately precede the ensuing calendar year and in which a statewide general reassessment of real property or the initial annual adjustment of the assessed value of real property under IC 6-1.1-4-4.5 does not first become effective.

STEP TWO: Compute separately, for each of the calendar years determined in STEP ONE, the quotient (rounded to the nearest ten-thousandth (0.0001)) of the sum of the civil taxing unit's total assessed value of all taxable property and:

- (i) for a particular calendar year before 2007, the total assessed value of property tax deductions in the unit under IC 6-1.1-12-41 or IC 6-1.1-12-42 in the particular calendar year; or
- (ii) for a particular calendar year after 2006, the total assessed value of property tax deductions that applied in the unit under IC 6-1.1-12-42 in 2006 **plus for a particular calendar year after 2009, the total assessed value of property tax deductions that applied in the unit under IC 6-1.1-12-37.5 in 2008;**

divided by the sum determined under this STEP for the calendar year immediately preceding the particular calendar year.

STEP THREE: Divide the sum of the three (3) quotients computed in STEP TWO by three (3).

STEP FOUR: Compute separately, for each of the

calendar years determined in STEP ONE, the quotient (rounded to the nearest ten-thousandth (0.0001)) of the sum of the total assessed value of all taxable property in all counties and:

- (i) for a particular calendar year before 2007, the total assessed value of property tax deductions in all counties under IC 6-1.1-12-41 or IC 6-1.1-12-42 in the particular calendar year; or

- (ii) for a particular calendar year after 2006, the total assessed value of property tax deductions that applied in all counties under IC 6-1.1-12-42 in 2006 **plus for a particular calendar year after 2009, the total assessed value of property tax deductions that applied in the unit under IC 6-1.1-12-37.5 in 2008;**

divided by the sum determined under this STEP for the calendar year immediately preceding the particular calendar year.

STEP FIVE: Divide the sum of the three (3) quotients computed in STEP FOUR by three (3).

STEP SIX: Divide the STEP THREE amount by the STEP FIVE amount.

The civil taxing unit may increase its levy by a percentage not greater than the percentage by which the STEP THREE amount exceeds the percentage by which the civil taxing unit may increase its levy under section 3 of this chapter based on the assessed value growth quotient determined under section 2 of this chapter.

(4) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the civil taxing unit needs the increase to pay the costs of furnishing fire protection for the civil taxing unit through a volunteer fire department. For purposes of determining a township's need for an increased levy, the local government tax control board shall not consider the amount of money borrowed under IC 36-6-6-14 during the immediately preceding calendar year. However, any increase in the amount of the civil taxing unit's levy recommended by the local government tax control board under this subdivision for the ensuing calendar year may not exceed the lesser of:

- (A) ten thousand dollars (\$10,000); or
- (B) twenty percent (20%) of:

- (i) the amount authorized for operating expenses of a volunteer fire department in the budget of the civil taxing unit for the immediately preceding calendar year; plus
- (ii) the amount of any additional appropriations authorized during that calendar year for the civil taxing unit's use in paying operating expenses of a volunteer fire department under this chapter; minus
- (iii) the amount of money borrowed under IC 36-6-6-14 during that calendar year for the civil taxing unit's use in paying operating expenses of a volunteer fire department.

(5) A levy increase may not be granted under this

subdivision for property taxes first due and payable after December 31, 2008. Permission to a civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter in order to raise revenues for pension payments and contributions the civil taxing unit is required to make under IC 36-8. The maximum increase in a civil taxing unit's levy that may be recommended under this subdivision for an ensuing calendar year equals the amount, if any, by which the pension payments and contributions the civil taxing unit is required to make under IC 36-8 during the ensuing calendar year exceeds the product of one and one-tenth (1.1) multiplied by the pension payments and contributions made by the civil taxing unit under IC 36-8 during the calendar year that immediately precedes the ensuing calendar year. For purposes of this subdivision, "pension payments and contributions made by a civil taxing unit" does not include that part of the payments or contributions that are funded by distributions made to a civil taxing unit by the state.

(6) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission to increase its levy in excess of the limitations established under section 3 of this chapter if the local government tax control board finds that:

(A) the township's township assistance ad valorem property tax rate is less than one and sixty-seven hundredths cents (\$0.0167) per one hundred dollars (\$100) of assessed valuation; and

(B) the township needs the increase to meet the costs of providing township assistance under IC 12-20 and IC 12-30-4.

The maximum increase that the board may recommend for a township is the levy that would result from an increase in the township's township assistance ad valorem property tax rate of one and sixty-seven hundredths cents (\$0.0167) per one hundred dollars (\$100) of assessed valuation minus the township's ad valorem property tax rate per one hundred dollars (\$100) of assessed valuation before the increase.

(7) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission to a civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter if:

(A) the increase has been approved by the legislative body of the municipality with the largest population where the civil taxing unit provides public transportation services; and

(B) the local government tax control board finds that the civil taxing unit needs the increase to provide adequate public transportation services.

The local government tax control board shall consider tax rates and levies in civil taxing units of comparable population, and the effect (if any) of a loss of federal or other funds to the civil taxing unit that might have been used for public transportation purposes. However, the increase that the board may recommend under this subdivision for a civil taxing unit may not exceed the revenue that would be raised by the civil taxing unit based

on a property tax rate of one cent (\$0.01) per one hundred dollars (\$100) of assessed valuation.

(8) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission to a civil taxing unit to increase the unit's levy in excess of the limitations established under section 3 of this chapter if the local government tax control board finds that:

(A) the civil taxing unit is:

(i) a county having a population of more than one hundred forty-eight thousand (148,000) but less than one hundred seventy thousand (170,000);

(ii) a city having a population of more than fifty-five thousand (55,000) but less than fifty-nine thousand (59,000);

(iii) a city having a population of more than twenty-eight thousand seven hundred (28,700) but less than twenty-nine thousand (29,000);

(iv) a city having a population of more than fifteen thousand four hundred (15,400) but less than sixteen thousand six hundred (16,600); or

(v) a city having a population of more than seven thousand (7,000) but less than seven thousand three hundred (7,300); and

(B) the increase is necessary to provide funding to undertake removal (as defined in IC 13-11-2-187) and remedial action (as defined in IC 13-11-2-185) relating to hazardous substances (as defined in IC 13-11-2-98) in solid waste disposal facilities or industrial sites in the civil taxing unit that have become a menace to the public health and welfare.

The maximum increase that the local government tax control board may recommend for such a civil taxing unit is the levy that would result from a property tax rate of six and sixty-seven hundredths cents (\$0.0667) for each one hundred dollars (\$100) of assessed valuation. For purposes of computing the ad valorem property tax levy limit imposed on a civil taxing unit under section 3 of this chapter, the civil taxing unit's ad valorem property tax levy for a particular year does not include that part of the levy imposed under this subdivision. In addition, a property tax increase permitted under this subdivision may be imposed for only two (2) calendar years.

(9) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission for a county:

(A) having a population of more than eighty thousand (80,000) but less than ninety thousand (90,000) to increase the county's levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the county needs the increase to meet the county's share of the costs of operating a jail or juvenile detention center, including expansion of the facility, if the jail or juvenile detention center is opened after December 31, 1991;

(B) that operates a county jail or juvenile detention center that is subject to an order that:

(i) was issued by a federal district court; and

- (ii) has not been terminated;
- (C) that operates a county jail that fails to meet:
  - (i) American Correctional Association Jail Construction Standards; and
  - (ii) Indiana jail operation standards adopted by the department of correction; or
- (D) that operates a juvenile detention center that fails to meet standards equivalent to the standards described in clause (C) for the operation of juvenile detention centers.

Before recommending an increase, the local government tax control board shall consider all other revenues available to the county that could be applied for that purpose. An appeal for operating funds for a jail or a juvenile detention center shall be considered individually, if a jail and juvenile detention center are both opened in one (1) county. The maximum aggregate levy increases that the local government tax control board may recommend for a county equals the county's share of the costs of operating the jail or a juvenile detention center for the first full calendar year in which the jail or juvenile detention center is in operation.

(10) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission for a township to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the township needs the increase so that the property tax rate to pay the costs of furnishing fire protection for a township, or a portion of a township, enables the township to pay a fair and reasonable amount under a contract with the municipality that is furnishing the fire protection. However, for the first time an appeal is granted the resulting rate increase may not exceed fifty percent (50%) of the difference between the rate imposed for fire protection within the municipality that is providing the fire protection to the township and the township's rate. A township is required to appeal a second time for an increase under this subdivision if the township wants to further increase its rate. However, a township's rate may be increased to equal but may not exceed the rate that is used by the municipality. More than one (1) township served by the same municipality may use this appeal.

(11) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission for a township to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the township has been required, for the three (3) consecutive years preceding the year for which the appeal under this subdivision is to become effective, to borrow funds under IC 36-6-6-14 to furnish fire protection for the township or a part of the township. However, the maximum increase in a township's levy that may be allowed under this subdivision is the least of the amounts borrowed under IC 36-6-6-14 during the preceding three (3) calendar years. A township may elect to phase in an approved increase in its levy under this subdivision over a period not to exceed three (3) years. A particular township

may appeal to increase its levy under this section not more frequently than every fourth calendar year.

(12) Permission to a city having a population of more than twenty-nine thousand (29,000) but less than thirty-one thousand (31,000) to increase its levy in excess of the limitations established under section 3 of this chapter if:

(A) an appeal was granted to the city under this section to reallocate property tax replacement credits under IC 6-3.5-1.1 in 1998, 1999, and 2000; and

(B) the increase has been approved by the legislative body of the city, and the legislative body of the city has by resolution determined that the increase is necessary to pay normal operating expenses.

The maximum amount of the increase is equal to the amount of property tax replacement credits under IC 6-3.5-1.1 that the city petitioned under this section to have reallocated in 2001 for a purpose other than property tax relief.

(13) A levy increase may be granted under this subdivision only for property taxes first due and payable after December 31, 2008. Permission to a civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter if the civil taxing unit cannot carry out its governmental functions for an ensuing calendar year under the levy limitations imposed by section 3 of this chapter due to a natural disaster, an accident, or another unanticipated emergency.

SECTION 110. IC 6-1.1-18.5-13.5, AS AMENDED BY P.L.224-2007, SECTION 26, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 13.5. A levy increase may not be granted under this section for property taxes first due and payable after December 31, 2009. With respect to an appeal filed under section 12 of this chapter, ~~the local government tax control board may recommend that the~~ department of local government finance ~~may~~ give permission to a town having a population of more than three hundred seventy-five (375) but less than five hundred (500) located in a county having a population of more than seventy-one thousand (71,000) but less than seventy-one thousand four hundred (71,400) to increase its levy in excess of the limitations established under section 3 of this chapter, if the ~~local government tax control board~~ department finds that the town needs the increase to pay the costs of furnishing fire protection for the town. However, any increase in the amount of the town's levy ~~recommended by the local government tax control board~~ under this section for the ensuing calendar year may not exceed the greater of:

(1) twenty-five thousand dollars (\$25,000); or

(2) twenty percent (20%) of the sum of:

(A) the amount authorized for the cost of furnishing fire protection in the town's budget for the immediately preceding calendar year; plus

(B) the amount of any additional appropriations authorized under IC 6-1.1-18-5 during that calendar year for the town's use in paying the costs of furnishing fire protection.

SECTION 111. IC 6-1.1-18.5-13.6, AS AMENDED BY P.L.146-2008, SECTION 181, IS AMENDED TO READ AS

FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 13.6. A levy increase may not be granted under this section for property taxes first due and payable after December 31, 2008. For an appeal filed under section 12 of this chapter, ~~the local government tax control board may recommend that~~ the department of local government finance **may** give permission to a county to increase its levy in excess of the limitations established under section 3 of this chapter if the ~~local government tax control board~~ **department** finds that the county needs the increase to pay for:

(1) a new voting system; or

(2) the expansion or upgrade of an existing voting system; under IC 3-11-6.

SECTION 112. IC 6-1.1-18.5-14, AS AMENDED BY P.L.146-2008, SECTION 182, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 14. (a) ~~The local government tax control board may recommend to~~ The department of local government finance **may order** a correction of any advertising error, mathematical error, or error in data made at the local level for any calendar year **if the department finds that the error** affects the determination of the limitations established by section 3 of this chapter or the tax rate or levy of a civil taxing unit. The department of local government finance may on its own initiative correct such an advertising error, mathematical error, or error in data for any civil taxing unit.

(b) A correction made under subsection (a) for a prior calendar year shall be applied to the civil taxing unit's levy limitations, rate, and levy for the ensuing calendar year to offset any cumulative effect that the error caused in the determination of the civil taxing unit's levy limitations, rate, or levy for the ensuing calendar year.

SECTION 113. IC 6-1.1-18.5-15, AS AMENDED BY P.L.146-2008, SECTION 183, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 15. (a) The department of local government finance, upon ~~receiving a recommendation made making a finding~~ under section 13 or 14 of this chapter, shall enter an order ~~adopting, rejecting, or adopting in part and rejecting in part the recommendation of the local government tax control board:~~ **setting forth its final determination.**

(b) A civil taxing unit may petition for judicial review of the final determination made by the department of local government finance under subsection (a). The action must be taken to the tax court under IC 6-1.1-15 in the same manner that an action is taken to appeal a final determination of the Indiana board. The petition must be filed in the tax court not more than forty-five (45) days after the department enters its order under subsection (a).

SECTION 114. IC 6-1.1-18.5-16, AS AMENDED BY P.L.146-2008, SECTION 184, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 16. (a) A civil taxing unit may request permission from the ~~local government tax control board~~ **department** to impose an ad valorem property tax levy that exceeds the limits imposed by section 3 of this chapter if:

(1) the civil taxing unit experienced a property tax revenue shortfall that resulted from erroneous assessed valuation figures being provided to the civil taxing unit;

(2) the erroneous assessed valuation figures were used by

the civil taxing unit in determining its total property tax rate; and

(3) the error in the assessed valuation figures was found after the civil taxing unit's property tax levy resulting from that total rate was finally approved by the department of local government finance.

(b) A civil taxing unit may request permission from the ~~local government tax control board~~ **department** to impose an ad valorem property tax levy that exceeds the limits imposed by section 3 of this chapter if the civil taxing unit experienced a property tax revenue shortfall because of the payment of refunds that resulted from appeals under this article and IC 6-1.5.

(c) If the ~~local government tax control board~~ **department** determines that a shortfall described in subsection (a) or (b) has occurred, ~~it shall recommend to~~ the department of local government finance **may find** that the civil taxing unit **should** be allowed to impose a property tax levy exceeding the limit imposed by section 3 of this chapter. ~~and the department may adopt such recommendation:~~ However, the maximum amount by which the civil taxing unit's levy may be increased over the limits imposed by section 3 of this chapter equals the remainder of the civil taxing unit's property tax levy for the particular calendar year as finally approved by the department of local government finance minus the actual property tax levy collected by the civil taxing unit for that particular calendar year.

(d) Any property taxes collected by a civil taxing unit over the limits imposed by section 3 of this chapter under the authority of this section may not be treated as a part of the civil taxing unit's maximum permissible ad valorem property tax levy for purposes of determining its maximum permissible ad valorem property tax levy for future years.

(e) If the department of local government finance authorizes an excess tax levy under this section, it shall take appropriate steps to insure that the proceeds are first used to repay any loan made to the civil taxing unit for the purpose of meeting its current expenses.

SECTION 115. IC 6-1.1-18.5-17, AS AMENDED BY P.L.219-2007, SECTION 57, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 17. (a) As used in this section, "levy excess" means the part of the ad valorem property tax levy actually collected by a civil taxing unit, for taxes first due and payable during a particular calendar year, that exceeds the civil taxing unit's ad valorem property tax levy, as approved by the department of local government finance under IC 6-1.1-17. The term does not include delinquent ad valorem property taxes collected during a particular year that were assessed for an assessment date that precedes the assessment date for the current year in which the ad valorem property taxes are collected.

(b) A civil taxing unit's levy excess is valid and may not be contested on the grounds that it exceeds the civil taxing unit's levy limit for the applicable calendar year. However, the civil taxing unit shall deposit, except as provided in subsections (h) and (i), its levy excess in a special fund to be known as the civil taxing unit's levy excess fund.

(c) The chief fiscal officer of a civil taxing unit may invest money in the civil taxing unit's levy excess fund in the same manner in which money in the civil taxing unit's general fund

may be invested. However, any income derived from investment of the money shall be deposited in and becomes a part of the levy excess fund.

(d) The department of local government finance shall require a civil taxing unit to include the amount in its levy excess fund in the civil taxing unit's budget fixed under IC 6-1.1-17.

(e) Except as provided by subsection (f), a civil taxing unit may not spend any money in its levy excess fund until the expenditure of the money has been included in a budget that has been approved by the department of local government finance under IC 6-1.1-17. For purposes of fixing its budget and for purposes of the ad valorem property tax levy limits imposed under this chapter, a civil taxing unit shall treat the money in its levy excess fund that the department of local government finance permits it to spend during a particular calendar year as part of its ad valorem property tax levy for that same calendar year.

(f) A civil taxing unit may transfer money from its levy excess fund to its other funds to reimburse those funds for amounts withheld from the civil taxing unit as a result of refunds paid under IC 6-1.1-26.

(g) Subject to the limitations imposed by this section, a civil taxing unit may use money in its levy excess fund for any lawful purpose for which money in any of its other funds may be used.

(h) If the amount that would, notwithstanding this subsection, be deposited in the levy excess fund of a civil taxing unit for a particular calendar year is less than one hundred dollars (\$100), no money shall be deposited in the levy excess fund of the unit for that year.

(i) This subsection applies only to a civil taxing unit that:

- (1) has a levy excess for a particular calendar year;
- (2) in the preceding calendar year experienced a shortfall in property tax collections below the civil taxing unit's property tax levy approved by the department of local government finance under IC 6-1.1-17; and
- (3) did not receive permission from the ~~local government tax control board~~ **department** to impose, because of the shortfall in property tax collections in the preceding calendar year, a property tax levy that exceeds the limits imposed by section 3 of this chapter.

The amount that a civil taxing unit subject to this subsection must transfer to the civil taxing unit's levy excess fund in the calendar year in which the excess is collected shall be reduced by the amount of the civil taxing unit's shortfall in property tax collections in the preceding calendar year (but the reduction may not exceed the amount of the civil taxing unit's levy excess).

SECTION 116. IC 6-1.1-18.5-21, AS ADDED BY P.L.114-2006, SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 21. A civil taxing unit may determine that the ad valorem property tax levy limits imposed by section 3 of this chapter do not apply to all or part of the ad valorem property taxes imposed to repay a loan under **either or both of the following:**

- (1) IC 6-1.1-21.3.
- (2) IC 6-1.1-21.9.

SECTION 117. IC 6-1.1-19-1, AS AMENDED BY P.L.146-2008, SECTION 185, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 1. ~~The following definitions apply throughout~~ **As used** in this chapter,

(~~†~~) "appeal" refers to an appeal taken to the department of local government finance by or in respect of a school corporation under any of the following:

The county voter registration office shall issue to an owner or owners of real property within the political subdivision or a registered voter residing within the political subdivision the number of petition forms requested by the owner or owners or the registered voter. Each form must be accompanied by instructions detailing the requirements that:
    - (A) the carrier and signers must be owners of real property or registered voters;

The county voter registration office shall not more than fifteen (15) business days after receiving a petition forward a copy of the petition to the county auditor. Not more than ten (10) business days after receiving the copy of the petition, the county auditor shall provide to the county voter registration office a statement verifying:
  - (A) whether a person who signed the petition as a registered voter but is not a registered voter, as determined by the county voter registration office, is the owner of real property in the political subdivision; and
  - (B) whether a person who signed the petition as an owner of real property within the political subdivision does in fact own real property within the political subdivision.
- (9) The county voter registration office shall not more than ten (10) business days after receiving the statement from the county auditor under subdivision (8) make the final determination of the number of petitioners that are registered voters in the political subdivision and, based on the statement provided by the county auditor, the number of petitioners that own real property within the political subdivision. Whenever the name of an individual who signs a petition form as a registered voter contains a minor variation from the name of the registered voter as set forth in the records of the county voter registration office, the signature is presumed to be valid, and there is a presumption that the individual is entitled to sign the petition under this section. Except as otherwise provided in this chapter, in determining whether an individual is a registered voter, the county voter registration office shall apply the requirements and procedures used under IC 3 to determine whether a person is a registered voter for purposes of voting in an election governed by IC 3. However, an individual is not required to comply with the provisions concerning providing proof of identification to be considered a registered voter for purposes of this chapter. A person is entitled to sign a petition only one (1) time in a particular petition and remonstrance process under this chapter, regardless of whether the person owns more than one (1) parcel of real property within the subdivision and regardless of whether the person is both a registered voter in the political subdivision and the owner of real property within the political subdivision. Notwithstanding any other provision of this section, if a petition is presented to the county voter registration office within ~~thirty-five (35)~~ **forty-five (45)** days before an election, the county voter registration office may defer acting on the petition, and the time requirements under this section for action by the county voter registration office do

not begin to run until five (5) days after the date of the election.

(10) The county voter registration office must file a certificate and each petition with:

(A) the township trustee, if the political subdivision is a township, who shall present the petition or petitions to the township board; or

(B) the body that has the authority to authorize the issuance of the bonds or the execution of a lease, if the political subdivision is not a township;

within thirty-five (35) business days of the filing of the petition requesting a petition and remonstrance process. The certificate must state the number of petitioners that are owners of real property within the political subdivision and the number of petitioners who are registered voters residing within the political subdivision.

If a sufficient petition requesting a petition and remonstrance process is not filed by owners of real property or registered voters as set forth in this section, the political subdivision may issue bonds or enter into a lease by following the provisions of law relating to the bonds to be issued or lease to be entered into.

SECTION 122. IC 6-1.1-20-3.2, AS AMENDED BY P.L.146-2008, SECTION 192, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2009 (RETROACTIVE)]: Sec. 3.2. (a) This section applies only to controlled projects described in section 3.1(a) of this chapter.

(b) If a sufficient petition requesting the application of a petition and remonstrance process has been filed as set forth in section 3.1 of this chapter, a political subdivision may not impose property taxes to pay debt service on bonds or lease rentals on a lease for a controlled project without completing the following procedures:

(1) The proper officers of the political subdivision shall give notice of the applicability of the petition and remonstrance process by:

(A) publication in accordance with IC 5-3-1; and

(B) first class mail to the organizations described in section 3.1(b)(1)(B) of this chapter.

A notice under this subdivision must include a statement that any owners of real property within the political subdivision or registered voters residing within the political subdivision who want to petition in favor of or remonstrate against the proposed debt service or lease payments must file petitions and remonstrances in compliance with subdivisions (2) through (4) not earlier than thirty (30) days or later than sixty (60) days after publication in accordance with IC 5-3-1.

(2) Not earlier than thirty (30) days or later than sixty (60) days after the notice under subdivision (1) is given:

(A) petitions (described in subdivision (3)) in favor of the bonds or lease; and

(B) remonstrances (described in subdivision (3)) against the bonds or lease;

may be filed by an owner or owners of real property within the political subdivision or a registered voter residing within the political subdivision. Each signature on a petition must be dated, and the date of signature may not be before the date on which the petition and remonstrance

forms may be issued under subdivision (3). A petition described in clause (A) or a remonstrance described in clause (B) must be verified in compliance with subdivision (4) before the petition or remonstrance is filed with the county voter registration office under subdivision (4).

(3) The state board of accounts shall design and, upon request by the county voter registration office, deliver to the county voter registration office or the county voter registration office's designated printer the petition and remonstrance forms to be used solely in the petition and remonstrance process described in this section. The county voter registration office shall issue to an owner or owners of real property within the political subdivision or a registered voter residing within the political subdivision the number of petition or remonstrance forms requested by the owner or owners or the registered voter. Each form must be accompanied by instructions detailing the requirements that:

(A) the carrier and signers must be owners of real property or registered voters;

(B) the carrier must be a signatory on at least one (1) petition;

(C) after the signatures have been collected, the carrier must swear or affirm before a notary public that the carrier witnessed each signature;

(D) govern the closing date for the petition and remonstrance period; and

(E) apply to the carrier under section 10 of this chapter.

Persons requesting forms may be required to identify themselves as owners of real property or registered voters and may be allowed to pick up additional copies to distribute to other property owners or registered voters. Each person signing a petition or remonstrance must indicate whether the person is signing the petition or remonstrance as a registered voter within the political subdivision or is signing the petition or remonstrance as the owner of real property within the political subdivision. A person who signs a petition or remonstrance as a registered voter must indicate the address at which the person is registered to vote. A person who signs a petition or remonstrance as a real property owner must indicate the address of the real property owned by the person in the political subdivision. The county voter registration office may not issue a petition or remonstrance form earlier than twenty-nine (29) days after the notice is given under subdivision (1). The county voter registration office shall certify the date of issuance on each petition or remonstrance form that is distributed under this subdivision.

(4) The petitions and remonstrances must be verified in the manner prescribed by the state board of accounts and filed with the county voter registration office within the sixty (60) day period described in subdivision (2) in the manner set forth in section 3.1 of this chapter relating to requests for a petition and remonstrance process.

(5) The county voter registration office shall determine whether each person who signed the petition or remonstrance is a registered voter. The county voter

registration office shall not more than fifteen (15) business days after receiving a petition or remonstrance forward a copy of the petition or remonstrance to the county auditor. Not more than ten (10) business days after receiving the copy of the petition or remonstrance, the county auditor shall provide to the county voter registration office a statement verifying:

(A) whether a person who signed the petition or remonstrance as a registered voter but is not a registered voter, as determined by the county voter registration office, is the owner of real property in the political subdivision; and

(B) whether a person who signed the petition or remonstrance as an owner of real property within the political subdivision does in fact own real property within the political subdivision.

(6) The county voter registration office shall not more than ten (10) business days after receiving the statement from the county auditor under subdivision (5) make the final determination of:

(A) the number of registered voters in the political subdivision that signed a petition and, based on the statement provided by the county auditor, the number of owners of real property within the political subdivision that signed a petition; and

(B) the number of registered voters in the political subdivision that signed a remonstrance and, based on the statement provided by the county auditor, the number of owners of real property within the political subdivision that signed a remonstrance.

Whenever the name of an individual who signs a petition or remonstrance as a registered voter contains a minor variation from the name of the registered voter as set forth in the records of the county voter registration office, the signature is presumed to be valid, and there is a presumption that the individual is entitled to sign the petition or remonstrance under this section. Except as otherwise provided in this chapter, in determining whether an individual is a registered voter, the county voter registration office shall apply the requirements and procedures used under IC 3 to determine whether a person is a registered voter for purposes of voting in an election governed by IC 3. However, an individual is not required to comply with the provisions concerning providing proof of identification to be considered a registered voter for purposes of this chapter. A person is entitled to sign a petition or remonstrance only one (1) time in a particular petition and remonstrance process under this chapter, regardless of whether the person owns more than one (1) parcel of real property within the subdivision and regardless of whether the person is both a registered voter in the political subdivision and the owner of real property within the political subdivision. Notwithstanding any other provision of this section, if a petition or remonstrance is presented to the county voter registration office within ~~thirty-five (35)~~ **forty-five (45)** days before an election, the county voter registration office may defer acting on the petition or remonstrance, and the time requirements under

this section for action by the county voter registration office do not begin to run until five (5) days after the date of the election.

(7) The county voter registration office must file a certificate and the petition or remonstrance with the body of the political subdivision charged with issuing bonds or entering into leases within thirty-five (35) business days of the filing of a petition or remonstrance under subdivision (4), whichever applies, containing ten thousand (10,000) signatures or less. The county voter registration office may take an additional five (5) days to review and certify the petition or remonstrance for each additional five thousand (5,000) signatures up to a maximum of sixty (60) days. The certificate must state the number of petitioners and remonstrators that are owners of real property within the political subdivision and the number of petitioners who are registered voters residing within the political subdivision.

(8) If a greater number of persons who are either owners of real property within the political subdivision or registered voters residing within the political subdivision sign a remonstrance than the number that signed a petition, the bonds petitioned for may not be issued or the lease petitioned for may not be entered into. The proper officers of the political subdivision may not make a preliminary determination to issue bonds or enter into a lease for the controlled project defeated by the petition and remonstrance process under this section or any other controlled project that is not substantially different within one (1) year after the date of the county voter registration office's certificate under subdivision (7). Withdrawal of a petition carries the same consequences as a defeat of the petition.

(9) After a political subdivision has gone through the petition and remonstrance process set forth in this section, the political subdivision is not required to follow any other remonstrance or objection procedures under any other law (including section 5 of this chapter) relating to bonds or leases designed to protect owners of real property within the political subdivision from the imposition of property taxes to pay debt service or lease rentals. However, the political subdivision must still receive the approval of the department of local government finance if required by:

(A) IC 6-1.1-18.5-8; or

(B) IC 20-46-7-8, IC 20-46-7-9, and IC 20-46-7-10.

SECTION 123. IC 6-1.1-20-3.5, AS ADDED BY P.L.146-2008, SECTION 193, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 3.5. (a) This section applies only to a controlled project that meets the following conditions:

(1) The controlled project is described in one (1) of the following categories:

(A) An elementary school building, middle school building, or other school building for academic instruction that:

(i) will be used for any combination of kindergarten through grade 8;

(ii) will not be used for any combination of grade 9 through grade 12; and

(iii) will cost more than ten million dollars (\$10,000,000).

(B) A high school building or other school building for academic instruction that:

- (i) will be used for any combination of grade 9 through grade 12;

- (iii) will cost more than twenty million dollars (\$20,000,000).

(C) Any other controlled project that:

- (i) is not a controlled project described in clause (A) or (B); and
- (ii) will cost the political subdivision more than the lesser of twelve million dollars (\$12,000,000) or an amount equal to one percent (1%) of the total gross assessed value of property within the political subdivision on the last assessment date (if that amount is at least one million dollars (\$1,000,000)).

(2) The proper officers of the political subdivision make a preliminary determination after June 30, 2008, in the manner described in subsection (b) to issue bonds or enter into a lease for the controlled project.

(b) A political subdivision may not impose property taxes to pay debt service on bonds or lease rentals on a lease for a controlled project without completing the following procedures:

(1) The proper officers of a political subdivision shall publish notice in accordance with IC 5-3-1 and send notice by first class mail to any organization that delivers to the officers, before January 1 of that year, an annual written request for notices of any meeting to consider the adoption of an ordinance or a resolution making a preliminary determination to issue bonds or enter into a lease and shall conduct a public hearing on the preliminary determination before adoption of the ordinance or resolution. The political subdivision must make the following information available to the public at the public hearing on the preliminary determination, in addition to any other information required by law:

(A) The result of the political subdivision's current and projected annual debt service payments divided by the net assessed value of taxable property within the political subdivision.

(B) The result of:

**(C) The information specified in subdivision (3)(A) through (3)(G).**

(2) If the proper officers of a political subdivision make a preliminary determination to issue bonds or enter into a lease, the officers shall give notice of the preliminary determination by:

(A) publication in accordance with IC 5-3-1; and

(B) first class mail to the organizations described in

subdivision (1).

(3) A notice under subdivision (2) of the preliminary determination of the political subdivision to issue bonds or enter into a lease must include the following information:

(A) The maximum term of the bonds or lease.

(B) The maximum principal amount of the bonds or the maximum lease rental for the lease.

(C) The estimated interest rates that will be paid and the total interest costs associated with the bonds or lease.

(E) A statement that the proposed debt service or lease payments must be approved in an election on a local public question held under section 3.6 of this chapter.

(F) With respect to bonds issued or a lease entered into to open:

(i) a new school facility; or

(ii) an existing facility that has not been used for at least three (3) years and that is being reopened to provide additional classroom space;

the estimated costs the school corporation expects to annually incur to operate the facility.

(G) The political subdivision's current debt service levy and rate and the estimated increase to the political subdivision's debt service levy and rate that will result if the political subdivision issues the bonds or enters into the lease.

**(H) The information specified in subdivision (1)(A) through (1)(B).**

(4) After notice is given, a petition requesting the application of the local public question process under section 3.6 of this chapter may be filed by the lesser of:

(A) one hundred (100) persons who are either owners of real property within the political subdivision or registered voters residing within the political subdivision; or

(B) five percent (5%) of the registered voters residing within the political subdivision.

(5) The state board of accounts shall design and, upon request by the county voter registration office, deliver to the county voter registration office or the county voter registration office's designated printer the petition forms to be used solely in the petition process described in this section. The county voter registration office shall issue to an owner or owners of real property within the political subdivision or a registered voter residing within the political subdivision the number of petition forms requested by the owner or owners or the registered voter. Each form must be accompanied by instructions detailing the requirements that:

(A) the carrier and signers must be owners of real property or registered voters;

(B) the carrier must be a signatory on at least one (1) petition;

(C) after the signatures have been collected, the carrier must swear or affirm before a notary public that the carrier witnessed each signature; and

(D) govern the closing date for the petition period.

Persons requesting forms may be required to identify

themselves as owners of real property or registered voters and may be allowed to pick up additional copies to distribute to other property owners or registered voters. Each person signing a petition must indicate whether the person is signing the petition as a registered voter within the political subdivision or is signing the petition as the owner of real property within the political subdivision. A person who signs a petition as a registered voter must indicate the address at which the person is registered to vote. A person who signs a petition as a real property owner must indicate the address of the real property owned by the person in the political subdivision.

(6) Each petition must be verified under oath by at least one (1) qualified petitioner in a manner prescribed by the state board of accounts before the petition is filed with the county voter registration office under subdivision (7).

(7) Each petition must be filed with the county voter registration office not more than thirty (30) days after publication under subdivision (2) of the notice of the preliminary determination.

(8) The county voter registration office shall determine whether each person who signed the petition is a registered voter. However, after the county voter registration office has determined that at least one hundred twenty-five (125) persons who signed the petition are registered voters within the political subdivision, the county voter registration office is not required to verify whether the remaining persons who signed the petition are registered voters. If the county voter registration office does not determine that at least one hundred twenty-five (125) persons who signed the petition are registered voters, the county voter registration office, not more than fifteen (15) business days after receiving a petition, shall forward a copy of the petition to the county auditor. Not more than ten (10) business days after receiving the copy of the petition, the county auditor shall provide to the county voter registration office a statement verifying:

- (A) whether a person who signed the petition as a registered voter but is not a registered voter, as determined by the county voter registration office, is the owner of real property in the political subdivision; and
- (B) whether a person who signed the petition as an owner of real property within the political subdivision does in fact own real property within the political subdivision.

(9) The county voter registration office, not more than ten (10) business days after determining that at least one hundred twenty-five (125) persons who signed the petition are registered voters or after receiving the statement from the county auditor under subdivision (8) (as applicable), shall make the final determination of whether a sufficient number of persons have signed the petition. Whenever the name of an individual who signs a petition form as a registered voter contains a minor variation from the name of the registered voter as set forth in the records of the county voter registration office, the signature is presumed to be valid, and there is a presumption that the individual is entitled to sign the petition under this section. Except as

otherwise provided in this chapter, in determining whether an individual is a registered voter, the county voter registration office shall apply the requirements and procedures used under IC 3 to determine whether a person is a registered voter for purposes of voting in an election governed by IC 3. However, an individual is not required to comply with the provisions concerning providing proof of identification to be considered a registered voter for purposes of this chapter. A person is entitled to sign a petition only one (1) time in a particular referendum process under this chapter, regardless of whether the person owns more than one (1) parcel of real property within the political subdivision and regardless of whether the person is both a registered voter in the political subdivision and the owner of real property within the political subdivision. Notwithstanding any other provision of this section, if a petition is presented to the county voter registration office within ~~thirty-five (35)~~ **forty-five (45)** days before an election, the county voter registration office may defer acting on the petition, and the time requirements under this section for action by the county voter registration office do not begin to run until five (5) days after the date of the election.

(10) The county voter registration office must file a certificate and each petition with:

- (A) the township trustee, if the political subdivision is a township, who shall present the petition or petitions to the township board; or
- (B) the body that has the authority to authorize the issuance of the bonds or the execution of a lease, if the political subdivision is not a township;

within thirty-five (35) business days of the filing of the petition requesting the referendum process. The certificate must state the number of petitioners who are owners of real property within the political subdivision and the number of petitioners who are registered voters residing within the political subdivision.

(11) If a sufficient petition requesting the local public question process is not filed by owners of real property or registered voters as set forth in this section, the political subdivision may issue bonds or enter into a lease by following the provisions of law relating to the bonds to be issued or lease to be entered into.

(c) If the proper officers of a political subdivision make a preliminary determination to issue bonds or enter into a lease, the officers shall provide to the county auditor:

- (1) a copy of the notice required by subsection (b)(2); and
- (2) any other information the county auditor requires to fulfill the county auditor's duties under section 3.6 of this chapter.

SECTION 124. IC 6-1.1-20-3.6, AS ADDED BY P.L.146-2008, SECTION 194, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2009 (RETROACTIVE)]; Sec. 3.6. (a) **Except as provided in section 3.7 of this chapter**, this section applies only to a controlled project described in section 3.5(a) of this chapter.

(b) If a sufficient petition requesting the application of the local public question process has been filed as set forth in section

3.5 of this chapter, a political subdivision may not impose property taxes to pay debt service on bonds or lease rentals on a lease for a controlled project unless the political subdivision's proposed debt service or lease rental is approved in an election on a local public question held under this section.

(c) **Except as provided in subsection (j),** the following question shall be submitted to the **eligible** voters at the election conducted under this section:

- (2) Impose a tax on all taxable property in the district in which the governing body exercises jurisdiction to raise an amount not to exceed the tax increment replacement amount.
- (3) Reduce the base assessed value of property in the allocation area to an amount that is sufficient to increase the tax increment revenues in the allocation area by an amount that does not exceed the tax increment replacement amount.

(c) The governing body shall submit a proposed special assessment or tax levy under this section to the legislative body of the unit that established the district. The legislative body may:

- (1) reduce the amount of the special assessment or tax to be levied under this section;

The notice must also specify a date when the governing body will receive and hear remonstrances and objections from persons affected by the special assessment. All persons affected by the hearing, including all taxpayers within the allocation area, shall be considered notified of the pendency of the hearing and of subsequent acts, hearings, and orders of the governing body by the notice. action taken by the governing body shall be recorded and is final and conclusive, except that an appeal may be taken in the manner prescribed by subsection (e).

The only ground of remonstrance or objection that the court may hear is whether the proposed special assessment or tax will help achieve the redevelopment of economic development objectives for the allocation area or honor its obligations related to the allocation area. An appeal under this subsection shall be promptly heard by the court without a jury. All remonstrances or objections upon which an appeal has been taken must be consolidated, heard, and determined within thirty (30) days after the time of the filing of the appeal. The court shall hear evidence on the remonstrances or objections and may confirm the final action of the governing body or sustain the remonstrances or objections. **Chapter 21.3. Rainy Day Fund Loans for Taxing Units Affected by Transmission Manufacturer Bankruptcy**

**Sec. 1. (a) As used in this chapter, "board" refers to the state board of finance.**

**(b) As used in this chapter, "qualified taxing unit" means a taxing unit:**

- (1) in which a qualifying taxpayer has tangible property subject to taxation; and**
- (2) that has experienced or is expected to experience a significant revenue shortfall as a result of a default or an expected default described in subsection (c)(3).**

**(c) As used in this chapter, "qualifying taxpayer" means a taxpayer that:**

- (3) The maximum amount of the loan that a qualified taxing unit may receive with respect to a default described in section 1(c)(3) of this chapter on one (1) or more payments of property taxes first due and payable in a calendar year is the amount, as determined by the board, of revenue shortfall for the qualified taxing unit that results from the default for that calendar year.

(b) The board may disburse in installments the proceeds of a loan made under this chapter.

The payment of any installment on a loan made under this chapter constitutes a first charge against the property tax revenues described in subdivision (1) or (2) that are collected by the qualified taxing unit during the calendar year the installment is due and payable.

(d) The obligation to repay a loan made under this chapter is not a basis for the qualified taxing unit to obtain an excessive tax levy under IC 6-1.1-18.5 or IC 20-44-3.

(e) Whenever the board receives a payment on a loan made under this chapter, the board shall deposit the amount paid in the counter-cyclical revenue and economic stabilization fund.

(d) If a qualifying taxpayer pays delinquent tax during the term of repayment of an outstanding loan made under this chapter, the remaining loan balance is repayable in equal installments over the remainder of the original term of repayment.

(e) Proceeds of a loan made under this chapter may be expended by a qualified taxing unit only to pay obligations of the qualified taxing unit that have been incurred under appropriations for operating expenses made by the qualified taxing unit and approved by the department of local government finance.

**Sec. 5.** A loan under this chapter is not bonded indebtedness for purposes of IC 6-1.1-18.5.

- (A) the seller actually receives consideration from a party other than the purchaser and the consideration is directly related to a price reduction or discount on the sale;**
- (B) the seller has an obligation to pass the price reduction or discount through to the purchaser;**
- (C) the amount of the consideration attributable to the sale is fixed and determinable by the seller at the time of the sale of the item to the purchaser; and**

For purposes of subdivision (4), delivery charges are charges by the seller for preparation and delivery of the property to a location designated by the purchaser of property, including but not limited to transportation, shipping, postage, handling, crating, and packing.

(b) "Gross retail income" does not include that part of the gross receipts attributable to:

SECTION 150. IC 6-2.5-3-6 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 6. (a) For purposes of this section, "person" includes an individual who is personally liable for use tax under IC 6-2.5-9-3.

(b) The person who uses, stores, or consumes the tangible personal property acquired in a retail transaction is personally liable for the use tax.

(c) The person liable for the use tax shall pay the tax to the retail merchant from whom the person acquired the property, and the retail merchant shall collect the tax as an agent for the state, if the retail merchant is engaged in business in Indiana or if the retail merchant has departmental permission to collect the tax. In all other cases, the person shall pay the use tax to the department.

(d) Notwithstanding subsection (c), a person liable for the use tax imposed in respect to a vehicle, watercraft, or aircraft under section 2(b) of this chapter shall pay the tax:

- (1) to the titling agency when the person applies for a title for the vehicle or the watercraft; ~~or~~
- (2) to the registering agency when the person registers the aircraft; ~~or~~
- (3) to the registering agency when the person registers the watercraft because it is a United States Coast Guard documented vessel;**

unless the person presents proof to the agency that the use tax or state gross retail tax has already been paid with respect to the purchase of the vehicle, watercraft, or aircraft or proof that the

taxes are inapplicable because of an exemption under this article.

(e) At the time a person pays the use tax for the purchase of a vehicle to a titling agency pursuant to subsection (d), the titling agency shall compute the tax due based on the presumption that the sale price was the average selling price for that vehicle, as determined under a used vehicle buying guide to be chosen by the titling agency. However, the titling agency shall compute the tax due based on the actual sale price of the vehicle if the buyer, at the time the buyer pays the tax to the titling agency, presents documentation to the titling agency sufficient to rebut the presumption set forth in this subsection and to establish the actual selling price of the vehicle.

SECTION 151. IC 6-2.5-5-8, AS AMENDED BY P.L.224-2007, SECTION 53, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2008 (RETROACTIVE)]: Sec. 8. (a) As used in this section, "new motor vehicle" has the meaning set forth in IC 9-13-2-111.

(b) Transactions involving tangible personal property other than a new motor vehicle are exempt from the state gross retail tax if the person acquiring the property acquires it for resale, rental, or leasing in the ordinary course of the person's business without changing the form of the property.

(c) The following transactions involving a new motor vehicle are exempt from the state gross retail tax:

(1) A transaction in which a person that has a franchise in effect at the time of the transaction for the vehicle trade name, trade or service mark, or related characteristics acquires a new motor vehicle for resale, rental, or leasing in the ordinary course of the person's business.

(2) A transaction in which a person that is a franchisee appointed by a manufacturer or converter manufacturer licensed under IC 9-23 acquires a new motor vehicle that has at least one (1) trade name, service mark, or related characteristic as a result of modification or further manufacture by the manufacturer or converter manufacturer for resale, rental, or leasing in the ordinary course of the person's business.

(3) A transaction in which a person acquires a new motor vehicle for rental or leasing in the ordinary course of the person's business.

(d) The rental or leasing of accommodations to a promoter by a political subdivision (including a capital improvement board) or the state fair commission is not exempt from the state gross retail tax, if the rental or leasing of the property by the promoter is exempt under IC 6-2.5-4-4.

(e) This subsection applies only to aircraft acquired after June 30, 2008. Except as provided in subsection (h), a transaction in which a person acquires an aircraft for rental or leasing in the ordinary course of the person's business is not exempt from the state gross retail tax unless the person establishes, under guidelines adopted by the department in the manner provided in IC 4-22-2-37.1 for the adoption of emergency rules, that the annual amount of the gross lease revenue derived from leasing or rental of the aircraft, which may include revenue from related party transactions, is equal to or greater than

(1) ten percent (10%) of the greater of the original cost or the book value of the aircraft; if the original cost of the

aircraft was less than one million dollars (\$1,000,000); or  
(2) seven and five-tenths percent (7.5%) of the: greater of the original cost or the

(1) book value of the aircraft, if the original cost of the aircraft was at least one million dollars (\$1,000,000); as published in the Vref Aircraft Value Reference guide for the aircraft; or

(2) net acquisition price for the aircraft.

If a person acquires an aircraft below the Vref Aircraft Value Reference guide book value, the person may appeal to the department for a lower lease or rental threshold equal to the actual acquisition price paid if the person demonstrates that the transaction was completed in a commercially reasonable manner based on the aircraft's age, condition, and equipment. The department may request the person to submit to the department supporting documents showing the aircraft is available for general public lease or rental, copies of business and aircraft insurance policies, and other documents that assist the department in determining if an aircraft is exempt from the state gross retail tax.

(f) A person is required to meet the requirements of subsection (e) until the earlier of the date the aircraft has generated sales tax on leases or rental income that is equal to the amount of the original sales tax exemption or the elapse of thirteen (13) years. If the aircraft is sold by the person before meeting the requirements of this section and before the sale the aircraft was exempt from gross retail tax under subsection (e), the sale of the aircraft shall not result in the assessment or collection of gross retail tax for the period from the date of acquisition to the date of sale by the person.

(g) The person is required to remit the gross retail tax on taxable lease and rental transactions no matter how long the aircraft is used for lease and rental.

(h) This subsection applies only to aircraft acquired after December 31, 2007. A transaction in which a person acquires an aircraft to rent or lease the aircraft to another person for predominant use in public transportation by the other person or by an affiliate of the other person is exempt from the state gross retail tax. The department may not require a person to meet the revenue threshold in subsection (e) with respect to the person's leasing or rental of the aircraft to receive or maintain the exemption. To maintain the exemption provided under this subsection, the department may require the person to submit only annual reports showing that the aircraft is predominantly used to provide public transportation.

(i) The exemptions allowed under subsections (e) and (h) apply regardless of the relationship, if any, between the person or lessor and the lessee or renter of the aircraft.

SECTION 155. IC 6-2.5-6-1, AS AMENDED BY P.L.131-2008, SECTION 10, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 1. (a) Except as otherwise provided in this section, each person liable for collecting the state gross retail or use tax shall file a return for each calendar month and pay the state gross retail and use taxes that the person collects during that month. A person shall file the person's return for a particular month with the department and make the person's tax payment for that month to the department not more than thirty (30) days after the end of that month, if that person's average monthly liability for collections of state gross retail and use taxes under this section as determined by the department for the preceding calendar year did not exceed one thousand dollars (\$1,000). If a person's average monthly liability for collections of state gross retail and use taxes under this section as determined by the department for the preceding calendar year exceeded one thousand dollars (\$1,000), that person shall file the person's return for a particular month and make the person's tax payment for that month to the department not more than twenty (20) days after the end of that month.

(b) If a person files a combined sales and withholding tax report and either this section or IC 6-3-4-8.1 requires sales or withholding tax reports to be filed and remittances to be made within twenty (20) days after the end of each month, then the person shall file the combined report and remit the sales and withholding taxes due within twenty (20) days after the end of each month.

(c) Instead of the twelve (12) monthly reporting periods required by subsection (a), the department may permit a person to divide a year into a different number of reporting periods. The return and payment for each reporting period is due not more than twenty (20) days after the end of the period.

(d) Instead of the reporting periods required under subsection (a), the department may permit a retail merchant to report and pay the merchant's state gross retail and use taxes for a period covering a calendar year, if the retail merchant's state gross retail and use tax liability in the previous calendar year does not exceed one thousand dollars (\$1,000). A retail merchant using a reporting period allowed under this subsection must file the merchant's return and pay the merchant's tax for a reporting period not later than the last day of the month immediately following the close of that reporting period.

(e) If a retail merchant reports the merchant's adjusted gross income tax, or the tax the merchant pays in place of the adjusted gross income tax, over a fiscal year not corresponding to the calendar year, the merchant may, without prior departmental approval, report and pay the merchant's state gross retail and use

taxes over the merchant's fiscal year that corresponds to the calendar year the merchant is permitted to use under subsection (d). However, the department may, at any time, require the retail merchant to stop using the fiscal reporting period.

(f) If a retail merchant files a combined sales and withholding tax report, the reporting period for the combined report is the shortest period required under:

- (1) this section;
- (2) IC 6-3-4-8; or
- (3) IC 6-3-4-8.1.

(g) If the department determines that a person's:

The transfer or payment shall be made on or before the date the tax is due.

**(h) A person that registers as a retail merchant after December 31, 2009, shall report and remit state gross retail and use taxes through the department's online tax filing program. SECTION 157. IC 6-2.5-7-14, AS AMENDED BY P.L.176-2006, SECTION 2, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 14. (a) Before **March 10, June 10, September 10,** and December 10 of each year, the department shall determine and provide to:

- (1) each refiner and terminal operator and each qualified distributor known to the department to be required to collect prepayments of the state gross retail tax under this chapter; and
- (2) any other person that makes a request;

a notice of the prepayment rate to be used during the following ~~six (6) three (3)~~ month period. ~~The department shall also have the prepayment rate published in the June and December issues of the Indiana Register. The department, after approval by the office of management and budget, may determine a new prepayment rate if the department finds that the statewide average retail price per gallon of gasoline, excluding the Indiana and federal gasoline taxes and the Indiana gross retail tax, has changed by at least twenty-five percent (25%) since the most recent determination.~~

(b) In determining the prepayment rate under this section, the department shall use the most recent retail price of gasoline available to the department.

(c) The prepayment rate per gallon of gasoline determined by the department under this section is the amount per gallon of gasoline determined under STEP FOUR of the following formula:

STEP ONE: Determine the statewide average retail price per gallon of gasoline, excluding the Indiana and federal gasoline taxes and the Indiana gross retail tax.

STEP TWO: Determine the product of the following:

- (A) The STEP ONE amount.
- (B) The Indiana gross retail tax rate.
- (C) ~~Ninety Eighty percent (90%):~~ **(80%)**.

STEP THREE: Determine the lesser of:

- (A) the STEP TWO result; or
- (B) the product of:

- (i) the prepayment rate in effect on the day immediately preceding the day on which the prepayment rate is redetermined under this section; multiplied by
- (ii) one hundred twenty-five percent (125%).

STEP FOUR: Round the STEP THREE result to the nearest one-tenth of one cent (\$0.001).

SECTION 158. IC 6-2.5-11-10, AS AMENDED BY P.L.145-2007, SECTION 9, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2010]: Sec. 10. (a) A certified service provider is the agent of a seller, with whom the certified service provider has contracted, for the collection and remittance of sales and use taxes. As the seller's agent, the certified service provider is liable for sales and use tax due each

member state on all sales transactions it processes for the seller except as set out in this section. A seller that contracts with a certified service provider is not liable to the state for sales or use tax due on transactions processed by the certified service provider unless the seller misrepresented the type of items it sells or committed fraud. In the absence of probable cause to believe that the seller has committed fraud or made a material misrepresentation, the seller is not subject to audit on the transactions processed by the certified service provider. A seller is subject to audit for transactions not processed by the certified service provider. The member states acting jointly may perform a system check of the seller and review the seller's procedures to determine if the certified service provider's system is functioning properly and the extent to which the seller's transactions are being processed by the certified service provider.

(b) A person that provides a certified automated system is responsible for the proper functioning of that system and is liable to the state for underpayments of tax attributable to errors in the functioning of the certified automated system. A seller that uses a certified automated system remains responsible and is liable to the state for reporting and remitting tax.

(c) A seller that has a proprietary system for determining the amount of tax due on transactions and has signed an agreement establishing a performance standard for that system is liable for the failure of the system to meet the performance standard.

(d) A certified service provider or a seller using a certified automated system that obtains a certification from the department is not liable for sales or use tax collection errors that result from reliance on the department's certification. If the department determines that an item or transaction is incorrectly classified as to the taxability of the item or transaction, the department shall notify the certified service provider or the seller using a certified automated system of the incorrect classification. The certified service provider or the seller using a certified automated system must revise the incorrect classification within ten (10) days after receiving notice of the determination from the department. If the classification error is not corrected within ten (10) days after receiving the department's notice, the certified service provider or the seller using a certified automated system is liable for failure to collect the correct amount of sales or use tax due and owing.

**(e) If at least thirty (30) days are not provided between the enactment of a statute changing the rate set forth in IC 6-2.5-2-2 and the effective date of the rate change, the department shall relieve the seller of liability for failing to collect tax at the new rate if:**

- (1) the seller collected the tax at the immediately preceding effective rate; and**
- (2) the seller's failure to collect at the current rate does not extend beyond thirty (30) days after the effective date of the rate change.**

**A seller is not eligible for the relief provided for in this subsection if the seller fraudulently fails to collect at the current rate or solicits purchases based on the immediately preceding effective rate.**

**(f)** The department shall allow any monetary allowances that are provided by the member states to sellers or certified service providers in exchange for collecting the sales and use

taxes as provided in article VI of the agreement.

(b) This section:

- (1) applies regardless of the characterization of a product as tangible personal property, a digital good, or a service;
- (2) applies only to the determination of a seller's obligation to pay or collect and remit a sales or use tax with respect to the seller's retail sale of a product; and
- (3) does not affect the obligation of a purchaser or lessee to remit tax on the use of the product to the taxing jurisdictions of that use.

(c) This section does not apply to sales or use taxes levied on the following:

- (1) The retail sale or transfer of watercraft, modular homes, manufactured homes, or mobile homes. These items must be sourced according to the requirements of this article.
- (2) The retail sale, excluding lease or rental, of motor vehicles, trailers, semitrailers, or aircraft that do not qualify as transportation equipment, as defined in subsection (g). The retail sale of these items shall be sourced according to the requirements of this article, and the lease or rental of these items must be sourced according to subsection (f).
- (3) Telecommunications services, ancillary services, and Internet access service shall be sourced in accordance with IC 6-2.5-12.

- (1) When the product is received by the purchaser at a business location of the seller, the sale is sourced to that business location.
- (2) When the product is not received by the purchaser at a business location of the seller, the sale is sourced to the location where receipt by the purchaser (or the purchaser's donee, designated as such by the purchaser) occurs, including the location indicated by instructions for delivery to the purchaser (or donee), known to the seller.
- (3) When subdivisions (1) and (2) do not apply, the sale is sourced to the location indicated by an address for the purchaser that is available from the business records of the seller that are maintained in the ordinary course of the

seller's business when use of this address does not constitute bad faith.

(4) When subdivisions (1), (2), and (3) do not apply, the sale is sourced to the location indicated by an address for the purchaser obtained during the consummation of the sale, including the address of a purchaser's payment instrument, if no other address is available, when use of this address does not constitute bad faith.

(5) When none of the previous rules of subdivision (1), (2), (3), or (4) apply, including the circumstance in which the seller is without sufficient information to apply the previous rules, then the location will be determined by the address from which tangible personal property was shipped, from which the digital good or the computer software delivered electronically was first available for transmission by the seller, or from which the service was provided (disregarding for these purposes any location that merely provided the digital transfer of the product sold).

(e) The lease or rental of tangible personal property, other than property identified in subsection (f) or (g), shall be sourced as follows:

(1) For a lease or rental that requires recurring periodic payments, the first periodic payment is sourced the same as a retail sale in accordance with the provisions of subsection (d). (2) For a lease or rental that does not require recurring periodic payments, the payment is sourced the same as a retail sale in accordance with the provisions of subsection (d).

This subsection does not affect the imposition or computation of sales or use tax on leases or rentals based on a lump sum or an accelerated basis, or on the acquisition of property for lease.

(f) The lease or rental of motor vehicles, trailers, semitrailers, or aircraft that do not qualify as transportation equipment, as defined in subsection (g), shall be sourced as follows:

(1) For a lease or rental that requires recurring periodic payments, each periodic payment is sourced to the primary property location. SECTION 165. IC 6-3-1-35 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2009 (RETROACTIVE)]: **Sec. 35. As used in this article, "pass through entity" means:**

SECTION 166. IC 6-3-2-2, AS AMENDED BY P.L.162-2006, SECTION 25, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2009 (RETROACTIVE)]: Sec. 2. (a) With regard to corporations and nonresident persons, "adjusted gross income derived from sources within Indiana", for the purposes of this article, shall mean and include:

- (1) income from real or tangible personal property located in this state;
- (2) income from doing business in this state;
- (3) income from a trade or profession conducted in this state;
- (4) compensation for labor or services rendered within this state; and
- (5) income from stocks, bonds, notes, bank deposits, patents, copyrights, secret processes and formulas, good will, trademarks, trade brands, franchises, and other intangible personal property if the receipt from the intangible is attributable to Indiana under section 2.2 of this chapter.

**Income from a pass through entity shall be characterized in a manner consistent with the income's characterization for federal income tax purposes and shall be considered Indiana source income as if the person, corporation, or pass through entity that received the income had directly engaged in the income producing activity. Income that is derived from one**

**(1) pass through entity and is considered to pass through to another pass through entity does not change these characteristics or attribution provisions.** In the case of nonbusiness income described in subsection (g), only so much of such income as is allocated to this state under the provisions of subsections (h) through (k) shall be deemed to be derived from sources within Indiana. In the case of business income, only so much of such income as is apportioned to this state under the provision of subsection (b) shall be deemed to be derived from sources within the state of Indiana. In the case of compensation of a team member (as defined in section 2.7 of this chapter), only the portion of income determined to be Indiana income under section 2.7 of this chapter is considered derived from sources within Indiana. In the case of a corporation that is a life insurance company (as defined in Section 816(a) of the Internal Revenue Code) or an insurance company that is subject to tax under Section 831 of the Internal Revenue Code, only so much of the income as is apportioned to Indiana under subsection (r) is considered derived from sources within Indiana.

(b) Except as provided in subsection (l), if business income of a corporation or a nonresident person is derived from sources within the state of Indiana and from sources without the state of Indiana, the business income derived from sources within this state shall be determined by multiplying the business income derived from sources both within and without the state of Indiana by the following:

(1) For all taxable years that begin after December 31, 2006, and before January 1, 2008, a fraction. The:

- (A) numerator of the fraction is the sum of the property factor plus the payroll factor plus the product of the sales factor multiplied by three (3); and
- (B) denominator of the fraction is five (5).

(2) For all taxable years that begin after December 31, 2007, and before January 1, 2009, a fraction. The:

- (A) numerator of the fraction is the property factor plus the payroll factor plus the product of the sales factor multiplied by four and sixty-seven hundredths (4.67); and
- (B) denominator of the fraction is six and sixty-seven hundredths (6.67).

(3) For all taxable years beginning after December 31, 2008, and before January 1, 2010, a fraction. The:

- (A) numerator of the fraction is the property factor plus the payroll factor plus the product of the sales factor multiplied by eight (8); and
- (B) denominator of the fraction is ten (10).

(4) For all taxable years beginning after December 31, 2009, and before January 1, 2011, a fraction. The:

- (A) numerator of the fraction is the property factor plus the payroll factor plus the product of the sales factor multiplied by eighteen (18); and
- (B) denominator of the fraction is twenty (20).

(5) For all taxable years beginning after December 31, 2010, the sales factor.

(c) The property factor is a fraction, the numerator of which is the average value of the taxpayer's real and tangible personal property owned or rented and used in this state during the taxable year and the denominator of which is the average value of all the

taxpayer's real and tangible personal property owned or rented and used during the taxable year. However, with respect to a foreign corporation, the denominator does not include the average value of real or tangible personal property owned or rented and used in a place that is outside the United States. Property owned by the taxpayer is valued at its original cost. Property rented by the taxpayer is valued at eight (8) times the net annual rental rate. Net annual rental rate is the annual rental rate paid by the taxpayer less any annual rental rate received by the taxpayer from subrentals. The average of property shall be determined by averaging the values at the beginning and ending of the taxable year, but the department may require the averaging of monthly values during the taxable year if reasonably required to reflect properly the average value of the taxpayer's property.

(d) The payroll factor is a fraction, the numerator of which is the total amount paid in this state during the taxable year by the taxpayer for compensation, and the denominator of which is the total compensation paid everywhere during the taxable year. However, with respect to a foreign corporation, the denominator does not include compensation paid in a place that is outside the United States. Compensation is paid in this state if:

- (1) the individual's service is performed entirely within the state;
- (2) the individual's service is performed both within and without this state, but the service performed without this state is incidental to the individual's service within this state; or
- (3) some of the service is performed in this state and:
  - (A) the base of operations or, if there is no base of operations, the place from which the service is directed or controlled is in this state; or
  - (B) the base of operations or the place from which the service is directed or controlled is not in any state in which some part of the service is performed, but the individual is a resident of this state.

(e) The sales factor is a fraction, the numerator of which is the total sales of the taxpayer in this state during the taxable year, and the denominator of which is the total sales of the taxpayer everywhere during the taxable year. Sales include receipts from intangible property and receipts from the sale or exchange of intangible property. However, with respect to a foreign corporation, the denominator does not include sales made in a place that is outside the United States. Receipts from intangible personal property are derived from sources within Indiana if the receipts from the intangible personal property are attributable to Indiana under section 2.2 of this chapter. Regardless of the f.o.b. point or other conditions of the sale, sales of tangible personal property are in this state if:

- (1) the property is delivered or shipped to a purchaser that is within Indiana, other than the United States government; or
- (2) the property is shipped from an office, a store, a warehouse, a factory, or other place of storage in this state and:
  - (A) the purchaser is the United States government; or
  - (B) the taxpayer is not taxable in the state of the purchaser.

Gross receipts derived from commercial printing as described in

IC 6-2.5-1-10 shall be treated as sales of tangible personal property for purposes of this chapter.

(f) Sales, other than receipts from intangible property covered by subsection (e) and sales of tangible personal property, are in this state if:

- (1) the income-producing activity is performed in this state; or
- (2) the income-producing activity is performed both within and without this state and a greater proportion of the income-producing activity is performed in this state than in any other state, based on costs of performance.

(g) Rents and royalties from real or tangible personal property, capital gains, interest, dividends, or patent or copyright royalties, to the extent that they constitute nonbusiness income, shall be allocated as provided in subsections (h) through (k).

(h)(1) Net rents and royalties from real property located in this state are allocable to this state.

(2) Net rents and royalties from tangible personal property are allocated to this state:

- (i) if and to the extent that the property is utilized in this state; or
- (ii) in their entirety if the taxpayer's commercial domicile is in this state and the taxpayer is not organized under the laws of or taxable in the state in which the property is utilized.

(3) The extent of utilization of tangible personal property in a state is determined by multiplying the rents and royalties by a fraction, the numerator of which is the number of days of physical location of the property in the state during the rental or royalty period in the taxable year, and the denominator of which is the number of days of physical location of the property everywhere during all rental or royalty periods in the taxable year. If the physical location of the property during the rental or royalty period is unknown or unascertainable by the taxpayer, tangible personal property is utilized in the state in which the property was located at the time the rental or royalty payer obtained possession.

(i)(1) Capital gains and losses from sales of real property located in this state are allocable to this state.

(2) Capital gains and losses from sales of tangible personal property are allocable to this state if:

- (i) the property had a situs in this state at the time of the sale; or
- (ii) the taxpayer's commercial domicile is in this state and the taxpayer is not taxable in the state in which the property had a situs.

(3) Capital gains and losses from sales of intangible personal property are allocable to this state if the taxpayer's commercial domicile is in this state.

(j) Interest and dividends are allocable to this state if the taxpayer's commercial domicile is in this state.

(k)(1) Patent and copyright royalties are allocable to this state:

- (i) if and to the extent that the patent or copyright is utilized by the taxpayer in this state; or
- (ii) if and to the extent that the patent or copyright is utilized by the taxpayer in a state in which the taxpayer is not taxable and the taxpayer's commercial domicile is in this state.

(2) A patent is utilized in a state to the extent that it is employed in production, fabrication, manufacturing, or other processing in the state or to the extent that a patented product is produced in the state. If the basis of receipts from patent royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the patent is utilized in the state in which the taxpayer's commercial domicile is located.

(3) A copyright is utilized in a state to the extent that printing or other publication originates in the state. If the basis of receipts from copyright royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the copyright is utilized in the state in which the taxpayer's commercial domicile is located.

(l) If the allocation and apportionment provisions of this article do not fairly represent the taxpayer's income derived from sources within the state of Indiana, the taxpayer may petition for or the department may require, in respect to all or any part of the taxpayer's business activity, if reasonable:

- (1) separate accounting;
- (2) for a taxable year beginning before January 1, 2011, the exclusion of any one (1) or more of the factors, except the sales factor;
- (3) the inclusion of one (1) or more additional factors which will fairly represent the taxpayer's income derived from sources within the state of Indiana; or
- (4) the employment of any other method to effectuate an equitable allocation and apportionment of the taxpayer's income.

(m) In the case of two (2) or more organizations, trades, or businesses owned or controlled directly or indirectly by the same interests, the department shall distribute, apportion, or allocate the income derived from sources within the state of Indiana between and among those organizations, trades, or businesses in order to fairly reflect and report the income derived from sources within the state of Indiana by various taxpayers.

(n) For purposes of allocation and apportionment of income under this article, a taxpayer is taxable in another state if:

- (1) in that state the taxpayer is subject to a net income tax, a franchise tax measured by net income, a franchise tax for the privilege of doing business, or a corporate stock tax; or
- (2) that state has jurisdiction to subject the taxpayer to a net income tax regardless of whether, in fact, the state does or does not.

(o) Notwithstanding subsections (l) and (m), the department may not, under any circumstances, require that income, deductions, and credits attributable to a taxpayer and another entity be reported in a combined income tax return for any taxable year, if the other entity is:

- (1) a foreign corporation; or
- (2) a corporation that is classified as a foreign operating corporation for the taxable year by section 2.4 of this chapter.

(p) Notwithstanding subsections (l) and (m), the department may not require that income, deductions, and credits attributable to a taxpayer and another entity not described in subsection (o)(1) or (o)(2) be reported in a combined income tax return for

any taxable year, unless the department is unable to fairly reflect the taxpayer's adjusted gross income for the taxable year through use of other powers granted to the department by subsections (l) and (m).

(q) Notwithstanding subsections (o) and (p), one (1) or more taxpayers may petition the department under subsection (l) for permission to file a combined income tax return for a taxable year. The petition to file a combined income tax return must be completed and filed with the department not more than thirty (30) days after the end of the taxpayer's taxable year. A taxpayer filing a combined income tax return must petition the department within thirty (30) days after the end of the taxpayer's taxable year to discontinue filing a combined income tax return.

(r) This subsection applies to a corporation that is a life insurance company (as defined in Section 816(a) of the Internal Revenue Code) or an insurance company that is subject to tax under Section 831 of the Internal Revenue Code. The corporation's adjusted gross income that is derived from sources within Indiana is determined by multiplying the corporation's adjusted gross income by a fraction:

- (1) the numerator of which is the direct premiums and annuity considerations received during the taxable year for insurance upon property or risks in the state; and
- (2) the denominator of which is the direct premiums and annuity considerations received during the taxable year for insurance upon property or risks everywhere.

The term "direct premiums and annuity considerations" means the gross premiums received from direct business as reported in the corporation's annual statement filed with the department of insurance.

**(s) If the amendments to this section enacted in 2009 to provide that:**

- (1) income from a pass through entity shall be characterized in a manner consistent with the income's characterization for federal income tax purposes and shall be considered Indiana source income as if the person, corporation, or pass through entity that received the income had directly engaged in the income producing activity; and**
- (2) income that is derived from one (1) pass through entity and is considered to pass through to another pass through entity does not change these characteristics or attribution provisions;**

**result in additional income of a taxpayer being subject to taxation in Indiana for taxable years beginning after December 31, 2004, and before January 1, 2009, the taxpayer is entitled to a credit against Indiana adjusted gross income taxes. The amount of the credit is equal to the tax previously paid to any other state for taxable years beginning after December 31, 2004, and before January 1, 2009, on that amount of additional income that is subject to taxation in Indiana for taxable years beginning after December 31, 2004, and before January 1, 2009, on account of the amendment described in subdivisions (1) through (2).**

SECTION 167. IC 6-3-2-2.5 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2009 (RETROACTIVE)]: Sec. 2.5. (a) This section applies to a resident person.

(b) Resident persons are entitled to a net operating loss deduction. The amount of the deduction taken in a taxable year may not exceed the taxpayer's unused Indiana net operating losses carried back or carried over to that year.

(c) An Indiana net operating loss equals the taxpayer's federal net operating loss for a taxable year as calculated under Section 172 of the Internal Revenue Code, adjusted for the modifications required by IC 6-3-1-3.5.

(d) The following provisions apply for purposes of subsection (c):

- (1) The modifications that are to be applied are those modifications required under IC 6-3-1-3.5 for the same taxable year in which each net operating loss was incurred.
- (2) An Indiana net operating loss includes a net operating loss that arises when the modifications required by IC 6-3-1-3.5 exceed the taxpayer's federal adjusted gross income (as defined in Section 62 of the Internal Revenue Code) for the taxable year in which the Indiana net operating loss is determined.

(e) Subject to the limitations contained in subsection (g), an Indiana net operating loss carryback or carryover shall be available as a deduction from the taxpayer's adjusted gross income (as defined in IC 6-3-1-3.5) in the carryback or carryover year provided in subsection (f).

(f) Carrybacks and carryovers shall be determined under this subsection as follows:

- (1) An Indiana net operating loss shall be an Indiana net operating loss carryback to each of the carryback years preceding the taxable year of the loss.
- (2) An Indiana net operating loss shall be an Indiana net operating loss carryover to each of the carryover years following the taxable year of the loss.
- (3) Carryback years shall be determined by reference to the number of years allowed for carrying back a net operating loss under Section 172(b) of the Internal Revenue Code.

**However, with respect to the carryback period for a net operating loss:**

**(A) for which an eligible small business, as defined in Section 172(b)(1)(H)(iv) of the Internal Revenue Code, made an election to use five (5) years instead of two (2) years under Section 172(b)(1)(H) of the Internal Revenue Code, two (2) years shall be used instead of five (5) years; or**

The amount of the Indiana net operating loss remaining after the deduction is taken under this section in a taxable year may be carried back or carried over as provided in subsection (f). The amount of the Indiana net operating loss carried back or carried over from year to year shall be reduced to the extent that the Indiana net operating loss carryback or carryover is used by the taxpayer to obtain a deduction in a taxable year until the occurrence of the earlier of the following:

(a) This section applies to a corporation or a nonresident person.

(b) Corporations and nonresident persons are entitled to a net operating loss deduction. The amount of the deduction taken in a taxable year may not exceed the taxpayer's unused Indiana net operating losses carried back or carried over to that year.

(c) An Indiana net operating loss equals the taxpayer's federal net operating loss for a taxable year as calculated under Section 172 of the Internal Revenue Code, derived from sources within Indiana and adjusted for the modifications required by IC 6-3-1-3.5.

(d) The following provisions apply for purposes of subsection (c):

- (1) The modifications that are to be applied are those modifications required under IC 6-3-1-3.5 for the same taxable year in which each net operating loss was incurred.
- (2) The amount of the taxpayer's net operating loss that is derived from sources within Indiana shall be determined in the same manner that the amount of the taxpayer's adjusted income derived from sources within Indiana is determined under section 2 of this chapter for the same taxable year during which each loss was incurred.

(3) An Indiana net operating loss includes a net operating loss that arises when the modifications required by IC 6-3-1-3.5 exceed the taxpayer's federal taxable income (as defined in Section 63 of the Internal Revenue Code), if the taxpayer is a corporation, or when the modifications required by IC 6-3-1-3.5 exceed the taxpayer's federal adjusted gross income (as defined by Section 62 of the Internal Revenue Code), if the taxpayer is a nonresident person, for the taxable year in which the Indiana net operating loss is determined.

(e) Subject to the limitations contained in subsection (g), an Indiana net operating loss carryback or carryover shall be available as a deduction from the taxpayer's adjusted gross income derived from sources within Indiana (as defined in section 2 of this chapter) in the carryback or carryover year provided in subsection (f).

(f) Carrybacks and carryovers shall be determined under this subsection as follows:

- (1) An Indiana net operating loss shall be an Indiana net

operating loss carryback to each of the carryback years preceding the taxable year of the loss.

(2) An Indiana net operating loss shall be an Indiana net operating loss carryover to each of the carryover years following the taxable year of the loss.

(3) Carryback years shall be determined by reference to the number of years allowed for carrying back a net operating loss under Section 172(b) of the Internal Revenue Code.

**However, with respect to the carryback period for a net operating loss:**

**(A) for which an eligible small business, as defined in Section 172(b)(1)(H)(iv) of the Internal Revenue Code, made an election to use five (5) years instead of two (2) years under Section 172(b)(1)(H) of the Internal Revenue Code, two (2) years shall be used instead of five (5) years; or**

**(B) that is a qualified disaster loss for which the taxpayer elected to have the net operating loss carryback period with respect to the loss year determined without regard to Section 172(b)(1)(J) of the Internal Revenue Code, five (5) years shall be used.**

(4) Carryover years shall be determined by reference to the number of years allowed for carrying over net operating losses under Section 172(b) of the Internal Revenue Code.

(5) A taxpayer who makes an election under Section 172(b)(3) of the Internal Revenue Code to relinquish the carryback period with respect to a net operating loss for any taxable year shall be considered to have also relinquished the carryback of the Indiana net operating loss for purposes of this section.

(g) The entire amount of the Indiana net operating loss for any taxable year shall be carried to the earliest of the taxable years to which (as determined under subsection (f)) the loss may be carried. The amount of the Indiana net operating loss remaining after the deduction is taken under this section in a taxable year may be carried back or carried over as provided in subsection (f). The amount of the Indiana net operating loss carried back or carried over from year to year shall be reduced to the extent that the Indiana net operating loss carryback or carryover is used by the taxpayer to obtain a deduction in a taxable year until the occurrence of the earlier of the following:

(1) The entire amount of the Indiana net operating loss has been used as a deduction.

(2) The Indiana net operating loss has been carried over to each of the carryover years provided by subsection (f).

(h) An Indiana net operating loss deduction determined under this section shall be allowed notwithstanding the fact that in the year the taxpayer incurred the net operating loss the taxpayer was not subject to the tax imposed under section 1 of this chapter because the taxpayer was:

(1) a life insurance company (as defined in Section 816(a) of the Internal Revenue Code); or

(2) an insurance company subject to tax under Section 831 of the Internal Revenue Code.

(i) In the case of a life insurance company that claims an operations loss deduction under Section 810 of the Internal Revenue Code, this section shall be applied by:

(1) substituting the corresponding provisions of Section 810 of the Internal Revenue Code in place of references to Section 172 of the Internal Revenue Code; and

(2) substituting life insurance company taxable income (as defined in Section 801 the Internal Revenue Code) in place of references to taxable income (as defined in Section 63 of the Internal Revenue Code).

(1) the term "due date of the return", as used in IC 6-8.1-9-1(a)(1), means the due date of the return for the taxable year in which the net operating loss was incurred; and

"Base period wages" means the following:

(1) In the case of a taxpayer other than a pass through entity, wages paid or payable by a taxpayer to its employees during the year that ends on the last day of the month that immediately precedes the month in which an enterprise zone is established, to the extent that the wages would have been qualified wages if the enterprise zone had been in effect for that year. If the taxpayer did not engage in an active trade or business during that year in the area that is later designated as an enterprise zone, then the base period wages equal zero (0). If the taxpayer engaged in an active trade or business during only part of that year in an area that is later designated as an enterprise zone, then the department shall determine the amount of base period wages.

(2) In the case of a taxpayer that is a pass through entity, base period wages equal zero (0).

"Enterprise zone" means an enterprise zone created under IC 5-28-15.

"Enterprise zone adjusted gross income" means adjusted gross income of a taxpayer that is derived from sources within an enterprise zone. Sources of adjusted gross income shall be determined with respect to an enterprise zone, to the extent possible, in the same manner that sources of adjusted gross income are determined with respect to the state of Indiana under IC 6-3-2-2.

"Enterprise zone gross income" means gross income of a taxpayer that is derived from sources within an enterprise zone.

"Enterprise zone insurance premiums" means insurance premiums derived from sources within an enterprise zone.

"Monthly base period wages" means base period wages divided by twelve (12).

"Pass through entity" means a:

(2) partnership;

(3) trust;

(4) limited liability company; or

"Qualified employee" means an individual who is employed by a taxpayer and who:

(1) has the individual's principal place of residence in the enterprise zone in which the individual is employed;

(2) performs services for the taxpayer, ninety percent (90%) of which are directly related to the conduct of the

taxpayer's trade or business that is located in an enterprise zone;

(3) performs at least fifty percent (50%) of the individual's services for the taxpayer during the taxable year in the enterprise zone; and

"Qualified increased employment expenditures" means the following:

(2) For the taxpayer's taxable year in which the enterprise zone is established, the amount by which qualified wages paid or payable by the taxpayer during all of the full calendar months in the taxpayer's taxable year that succeed the date on which the enterprise zone was established exceed the taxpayer's monthly base period wages multiplied by that same number of full calendar months.

"Qualified state tax liability" means a taxpayer's total income tax liability incurred under:

(c) The amount of the credit provided by this section that a taxpayer uses during a particular taxable year may not exceed the taxpayer's qualified state tax liability for the taxable year. If the credit provided by this section exceeds the amount of that tax liability for the taxable year it is first claimed, then the excess may be carried back to preceding taxable years or carried over to succeeding taxable years and used as a credit against the taxpayer's qualified state tax liability for those taxable years. Each time that the credit is carried back to a preceding taxable year or carried over to a succeeding taxable year, the amount of the carryover is reduced by the amount used as a credit for that taxable year. Except as provided in subsection (e), the credit provided by this section may be carried forward and applied in the ten (10) taxable years that succeed the taxable year in which

the credit accrues. The credit provided by this section may be carried back and applied in the three (3) taxable years that precede the taxable year in which the credit accrues.

(d) A credit earned by a taxpayer in a particular taxable year shall be applied against the taxpayer's qualified state tax liability for that taxable year before any credit carryover or carryback is applied against that liability under subsection (c).

(e) Notwithstanding subsection (c), if a credit under this section results from wages paid in a particular enterprise zone, and if that enterprise zone terminates in a taxable year that succeeds the last taxable year in which a taxpayer is entitled to use the credit carryover that results from those wages under subsection (c), then the taxpayer may use the credit carryover for any taxable year up to and including the taxable year in which the enterprise zone terminates.

(1) the tax credit determined for the pass through entity for the taxable year; multiplied by

(2) the percentage of the pass through entity's distributive income to which the shareholder, partner, beneficiary, or member is entitled.

The credit provided under this subsection is in addition to a tax credit to which a shareholder, partner, beneficiary, or member of a pass through entity is entitled. However, a pass through entity and an individual who is a shareholder, partner, beneficiary, or member of a pass through entity may not claim more than one (1) credit for the qualified expenditure.

  - (B) the STEP ONE remainder;
- by fifteen percent (15%).

STEP THREE: If the STEP ONE remainder exceeds one million dollars (\$1,000,000), multiply the amount of that excess by ten percent (10%).

STEP FOUR: Add the STEP TWO and STEP THREE products.

**(d) For Indiana qualified research expense incurred after December 31, 2009, a taxpayer may choose to have the amount of the research expense tax credit determined under this subsection rather than under subsection (c). At the election of the taxpayer, the amount of the taxpayer's research expense tax credit is equal to ten percent (10%) of**

the part of the taxpayer's Indiana qualified research expense for the taxable year that exceeds fifty percent (50%) of the taxpayer's average Indiana qualified research expense for the three (3) taxable years preceding the taxable year for which the credit is being determined. However, if the taxpayer did not have Indiana qualified research expense in any one (1) of the three (3) taxable years preceding the taxable year for which the credit is being determined, the amount of the research expense tax credit is equal to five percent (5%) of the taxpayer's Indiana qualified research expense for the taxable year.

SECTION 177. IC 6-3.1-26-26, AS AMENDED BY P.L.137-2006, SECTION 7, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 26. (a) This chapter applies to taxable years beginning after December 31, 2003.

(b) Notwithstanding the other provisions of this chapter, the corporation may not approve a credit for a qualified investment made after December 31, ~~2011~~; **2013**. However, this section may not be construed to prevent a taxpayer from carrying an unused tax credit attributable to a qualified investment made before January 1, ~~2012~~; **2014**, forward to a taxable year beginning after December 31, ~~2011~~; **2013**, in the manner provided by section 15 of this chapter.

SECTION 178. IC 6-3.1-29-19, AS AMENDED BY P.L.52-2008, SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 19. (a) The corporation shall enter into an agreement with an applicant that is awarded a credit under this chapter. The agreement must include all the following:

- (1) A detailed description of the project that is the subject of the agreement.
- (2) The first taxable year for which the credit may be claimed.
- (3) The maximum tax credit amount that will be allowed for each taxable year.
- (4) A requirement that the taxpayer shall maintain operations at the project location for at least ten (10) years during the term that the tax credit is available.
- (5) If the facility is an integrated coal gasification powerplant, a requirement that the taxpayer shall pay an average wage to its employees at the integrated coal gasification powerplant, other than highly compensated employees, in each taxable year that a tax credit is available, that equals at least one hundred twenty-five percent (125%) of the average county wage in the county in which the integrated coal gasification powerplant is located.
- (6) For a project involving a qualified investment in an integrated coal gasification powerplant, a requirement that the taxpayer will maintain at the location where the qualified investment is made, during the term of the tax credit, a total payroll that is at least equal to the payroll that existed on the date that the taxpayer placed the integrated coal gasification powerplant into service.
- (7) A requirement that:
  - (A) one hundred percent (100%) of the coal used:
    - (i) at the integrated coal gasification powerplant, for

a project involving a qualified investment in an integrated coal gasification powerplant; or

(ii) as fuel in a fluidized bed combustion unit, in a project involving a qualified investment in a fluidized bed combustion technology, if the unit is dedicated primarily to serving Indiana retail electric utility consumers;

must be Indiana coal, unless the applicant wishes to assign the tax credit as allowed under section 20.5(c) of this chapter or elects to receive a refundable tax credit under section 20.7 of this chapter and the applicant certifies to the corporation that partial use of other coal is necessary to result in lower rates for Indiana retail utility customers; or

(B) seventy-five percent (75%) of the coal used as fuel in a fluidized bed combustion unit must be Indiana coal, in a project involving a qualified investment in a fluidized bed combustion technology, if the unit is not dedicated primarily to serving Indiana retail electric utility consumers.

(8) A requirement that the taxpayer obtain from the commission a determination under IC 8-1-8.5-2 that public convenience and necessity require, or will require:

(A) the construction of the taxpayer's integrated coal gasification powerplant, in the case of a project involving a qualified investment in an integrated coal gasification powerplant; or

(B) the installation of the taxpayer's fluidized bed combustion unit, in the case of a project involving a qualified investment in a fluidized bed combustion technology.

(b) A taxpayer must comply with the terms of the agreement described in subsection (a) to receive an annual installment of the tax credit awarded under this chapter. The corporation shall annually determine whether the taxpayer is in compliance with the agreement. If the corporation determines that the taxpayer is in compliance, the corporation shall issue a certificate of compliance to the taxpayer.

SECTION 179. IC 6-3.1-29-20.7 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: **Sec. 20.7. (a) The findings in IC 4-4-11.6-12 are incorporated by reference into this section. The general assembly further finds that the refundable credit provided by this section is also necessary to achieve the purposes set forth in IC 4-4-11.6-12.**

**(b) This section applies to a taxpayer that:**

- (1) makes a qualified investment in an integrated coal gasification powerplant; and**
- (2) enters into a contract to sell substitute natural gas (as defined in IC 4-4-11.6-11) to the Indiana finance authority under IC 4-4-11.6.**

**(c) Notwithstanding anything in this chapter to the contrary, a taxpayer may elect in the manner prescribed by the department to take and receive all credits to which the taxpayer is entitled under section 15 of this chapter (without regard to section 16 of this chapter) as a refundable credit against the taxpayer's state tax liability, if any, over a period of twenty (20) taxable years, beginning not later than the**

taxable year in which the taxpayer places into service its integrated coal gasification powerplant. If, in a taxable year, a taxpayer that makes an election under this subsection has no state tax liability, the department shall pay to the taxpayer the full amount of the refundable credit for that taxable year.

(d) The amount of a credit to which a taxpayer that makes an election under subsection (c) is entitled for a particular taxable year equals the result determined under STEP FOUR:

STEP ONE: Determine the total credit amount to which the taxpayer is entitled under section 15 of this chapter (without regard to section 16 of this chapter).

STEP TWO: Divide the STEP ONE amount by twenty (20).

STEP THREE: Determine the ratio of Indiana coal to total coal used in the taxpayer's integrated coal gasification powerplant in the taxable year.

STEP FOUR: Multiply the STEP TWO and STEP THREE amounts.

(e) A taxpayer shall claim a refund under this section in the manner provided by the department. The department shall pay the refunded amount to the taxpayer not more than ninety (90) days after the date on which the refund is claimed.

(f) The shareholders, members, or partners of a pass through entity that makes an election under subsection (c) are not entitled to a credit allowed under section 20(b) of this chapter.

(g) A credit allowed under this section is not assignable under section 20.5 of this chapter.

SECTION 184. IC 6-3.1-32-20, AS ADDED BY P.L.235-2007, SECTION 2, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 20. (a) A tax credit may not be awarded under this chapter for a ~~taxable year ending after December 31, 2011;~~ **qualified production expenditure made after June 30, 2009.**

SECTION 185. IC 6-3.5-1.1-1.1, AS ADDED BY P.L.207-2005, SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 1.1. (a) For purposes of allocating the certified distribution made to a county under this chapter among the civil taxing units and school corporations in the county, the allocation amount for a civil taxing unit or school corporation is the amount determined using the following formula:

STEP ONE: Determine the sum of the total property taxes being collected by the civil taxing unit or school corporation during the calendar year of the distribution.

STEP TWO: Determine the sum of the following:

- (A) Amounts appropriated from property taxes to pay the principal of or interest on any debenture or other debt obligation issued after June 30, 2005, other than an obligation described in subsection (b).
- (B) Amounts appropriated from property taxes to make payments on any lease entered into after June 30, 2005, other than a lease described in subsection (c).
- (C) The proceeds of any property that are:
  - (i) received as the result of the issuance of a debt obligation described in clause (A) or a lease described in clause (B); and

- (ii) appropriated from property taxes for any purpose other than to refund or otherwise refinance a debt obligation or lease described in subsection (b) or (c).

STEP THREE: Subtract the STEP TWO amount from the STEP ONE amount.

STEP FOUR: Determine the sum of:

- (A) the STEP THREE amount; plus
- (B) the civil taxing unit's or school corporation's certified distribution for the previous calendar year.

**The allocation amount is subject to adjustment as provided in IC 36-8-19-7.5.**

(b) Except as provided in this subsection, an appropriation from property taxes to repay interest and principal of a debt obligation is not deducted from the allocation amount for a civil taxing unit or school corporation if:

- (1) the debt obligation was issued; and
- (2) the proceeds appropriated from property taxes;

to refund or otherwise refinance a debt obligation or a lease issued before July 1, 2005. However, an appropriation from property taxes related to a debt obligation issued after June 30, 2005, is deducted if the debt extends payments on a debt or lease beyond the time in which the debt or lease would have been payable if the debt or lease had not been refinanced or increases the total amount that must be paid on a debt or lease in excess of the amount that would have been paid if the debt or lease had not been refinanced. The amount of the deduction is the annual amount for each year of the extension period or the annual amount of the increase over the amount that would have been paid.

(c) Except as provided in this subsection, an appropriation from property taxes to make payments on a lease is not deducted from the allocation amount for a civil taxing unit or school corporation if:

- (1) the lease was issued; and
- (2) the proceeds were appropriated from property taxes;

to refinance a debt obligation or lease issued before July 1, 2005. However, an appropriation from property taxes related to a lease entered into after June 30, 2005, is deducted if the lease extends payments on a debt or lease beyond the time in which the debt or lease would have been payable if the debt or lease had not been refinanced or increases the total amount that must be paid on a debt or lease in excess of the amount that would have been paid if the debt or lease had not been refinanced. The amount of the deduction is the annual amount for each year of the extension period or the annual amount of the increase over the amount that would have been paid.

SECTION 186. IC 6-3.5-1.1-9, AS AMENDED BY P.L.146-2008, SECTION 327, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 9. (a) Revenue derived from the imposition of the county adjusted gross income tax shall, in the manner prescribed by this section, be distributed to the county that imposed it. The amount to be distributed to a county during an ensuing calendar year equals the amount of county adjusted gross income tax revenue that the ~~department; after reviewing the recommendation of the~~ budget agency determines has been:

- (1) received from that county for a taxable year ending before the calendar year in which the determination is

made; and

(2) reported on an annual return or amended return processed by the department in the state fiscal year ending before July 1 of the calendar year in which the determination is made;

as adjusted ~~(as determined after review of the recommendation of the budget agency)~~ for refunds of county adjusted gross income tax made in the state fiscal year.

(b) Before August 2 of each calendar year, the ~~department, after reviewing the recommendation of the~~ budget agency shall certify to the county auditor of each adopting county the amount determined under subsection (a) plus the amount of interest in the county's account that has accrued and has not been included in a certification made in a preceding year. The amount certified is the county's "certified distribution" for the immediately succeeding calendar year. The amount certified shall be adjusted under subsections (c), (d), (e), (f), (g), and (h). The budget agency shall provide the county council with an informative summary of the calculations used to determine the certified distribution. The summary of calculations must include:

- (1) the amount reported on individual income tax returns processed by the department during the previous fiscal year;
- (2) adjustments for over distributions in prior years;
- (3) adjustments for clerical or mathematical errors in prior years;
- (4) adjustments for tax rate changes; and
- (5) the amount of excess account balances to be distributed under IC 6-3.5-1.1-21.1.

The ~~department budget agency~~ shall also certify information concerning the part of the certified distribution that is attributable to a tax rate under section 24, 25, or 26 of this chapter. This information must be certified to the county auditor, ~~the department, and to the department of local government finance~~ not later than September 1 of each calendar year. The part of the certified distribution that is attributable to a tax rate under section 24, 25, or 26 of this chapter may be used only as specified in those provisions.

(c) The ~~department budget agency~~ shall certify an amount less than the amount determined under subsection (b) if the ~~department, after reviewing the recommendation of the~~ budget agency determines that the reduced distribution is necessary to offset overpayments made in a calendar year before the calendar year of the distribution. The ~~department after reviewing the recommendation of the~~ budget agency may reduce the amount of the certified distribution over several calendar years so that any overpayments are offset over several years rather than in one (1) lump sum.

(d) The ~~department, after reviewing the recommendation of the~~ budget agency shall adjust the certified distribution of a county to correct for any clerical or mathematical errors made in any previous certification under this section. The ~~department, after reviewing the recommendation of the~~ budget agency may reduce the amount of the certified distribution over several calendar years so that any adjustment under this subsection is offset over several years rather than in one (1) lump sum.

(e) The ~~department, after reviewing the recommendation of the~~ budget agency shall adjust the certified distribution of a

county to provide the county with the distribution required under section 10(b) of this chapter.

(f) This subsection applies to a county that:

(1) initially imposes the county adjusted gross income tax; or

(2) increases the county adjusted income tax rate;

under this chapter in the same calendar year in which the ~~department budget agency~~ makes a certification under this section. The ~~department, after reviewing the recommendation of the~~ budget agency shall adjust the certified distribution of a county to provide for a distribution in the immediately following calendar year and in each calendar year thereafter. The ~~department budget agency~~ shall provide for a full transition to certification of distributions as provided in subsection (a)(1) through (a)(2) in the manner provided in subsection (c).

(g) The ~~department, after reviewing the recommendation of the~~ budget agency shall adjust the certified distribution of a county to provide the county with the distribution required under section 3.3 of this chapter beginning not later than the tenth month after the month in which additional revenue from the tax authorized under section 3.3 of this chapter is initially collected.

(h) This subsection applies in the year in which a county initially imposes a tax rate under section 24 of this chapter. Notwithstanding any other provision, the ~~department budget agency~~ shall adjust the part of the county's certified distribution that is attributable to the tax rate under section 24 of this chapter to provide for a distribution in the immediately following calendar year equal to the result of:

- (1) the sum of the amounts determined under STEP ONE through STEP FOUR of IC 6-3.5-1.5-1(a) in the year in which the county initially imposes a tax rate under section 24 of this chapter; multiplied by
- (2) two (2).

SECTION 187. IC 6-3.5-1.1-14, AS AMENDED BY P.L.146-2008, SECTION 328, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2009 (RETROACTIVE)]: Sec. 14. (a) In determining the amount of property tax replacement credits civil taxing units and school corporations of a county are entitled to receive during a calendar year, the department of local government finance shall consider only property taxes imposed on tangible property that was assessed in that county.

(b) If a civil taxing unit or a school corporation is located in more than one (1) county and receives property tax replacement credits from one (1) or more of the counties, then the property tax replacement credits received from each county shall be used only to reduce the property tax rates that are imposed within the county that distributed the property tax replacement credits.

(c) A civil taxing unit shall treat any property tax replacement credits that it receives or is to receive during a particular calendar year as a part of its property tax levy for that same calendar year for purposes of fixing its budget and for purposes of the property tax levy limits imposed by IC 6-1.1-18.5.

(d) Subject to subsection (e), if a civil taxing unit or school corporation of an adopting county does not impose a property tax levy that is first due and payable in a calendar year in which property tax replacement credits are being distributed, the civil taxing unit or school corporation is entitled to use the property

tax replacement credits distributed to the civil taxing unit or school corporation for any purpose for which a property tax levy could be used.

(e) A school corporation shall treat any property tax replacement credits that the school corporation receives or is to receive during a particular calendar year as a part of its property tax levy for its debt service fund, capital projects fund, transportation fund, ~~and school bus replacement fund and special education preschool fund~~ in proportion to the levy for each of these funds for that same calendar year for purposes of fixing its budget. A school corporation shall allocate the property tax replacement credits described in this subsection to all ~~five (5)~~ **four (4)** funds in proportion to the levy for each fund.

SECTION 188. IC 6-3.5-1.1-15, AS AMENDED BY P.L.146-2008, SECTION 329, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 15. (a) As used in this section, "attributed allocation amount" of a civil taxing unit for a calendar year means the sum of:

- (1) the allocation amount of the civil taxing unit for that calendar year; plus
- (2) the current ad valorem property tax levy of any special taxing district, authority, board, or other entity formed to discharge governmental services or functions on behalf of or ordinarily attributable to the civil taxing unit; plus
- (3) in the case of a county, an amount equal to the welfare allocation amount.

The welfare allocation amount is an amount equal to the sum of the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund and, if the county received a certified distribution under this chapter or IC 6-3.5-6 in 2008, the property taxes imposed by the county in 2008 for the county's county medical assistance to wards fund, family and children's fund, children's psychiatric residential treatment services fund, county hospital care for the indigent fund and children with special health care needs county fund.

(b) The part of a county's certified distribution that is to be used as certified shares shall be allocated only among the county's civil taxing units. Each civil taxing unit of a county is entitled to receive a certified share during a calendar year in an amount determined in STEP TWO of the following formula:

STEP ONE: Divide:

- (A) the attributed allocation amount of the civil taxing unit during that calendar year; by
- (B) the sum of the attributed allocation amounts of all the civil taxing units of the county during that calendar year.

STEP TWO: Multiply the part of the county's certified distribution that is to be used as certified shares by the STEP ONE amount.

(c) The ~~total government tax control board established by IC 6-1.1-18.5-11~~ **department of local government finance** shall determine the attributed levies of civil taxing units that are entitled to receive certified shares during a calendar year. If the ad valorem property tax levy of any special taxing district, authority, board, or other entity is attributed to another civil taxing unit under subsection (a)(2), then the special taxing district, authority, board, or other entity shall not be treated as having an attributed allocation amount of its own. The ~~total~~

~~government tax control board~~ **department of local government finance** shall certify the attributed allocation amounts to the appropriate county auditor. The county auditor shall then allocate the certified shares among the civil taxing units of the auditor's county.

(d) Certified shares received by a civil taxing unit shall be treated as additional revenue for the purpose of fixing its budget for the calendar year during which the certified shares will be received. The certified shares may be allocated to or appropriated for any purpose, including property tax relief or a transfer of funds to another civil taxing unit whose levy was attributed to the civil taxing unit in the determination of its attributed allocation amount.

SECTION 189. IC 6-3.5-1.1-21 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 21. Before October 2 of each year, the ~~department~~ **budget agency** shall submit a report to each county auditor indicating the balance in the county's adjusted gross income tax account as of the cutoff date specified by the budget agency.

SECTION 190. IC 6-3.5-1.1-21.1 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 21.1. (a) If ~~after receiving a recommendation from~~ the budget agency the ~~department~~ determines that a sufficient balance exists in a county account in excess of the amount necessary, when added to other money that will be deposited in the account after the date of the ~~recommendation~~, **determination**, to make certified distributions to the county in the ensuing year, the ~~department~~ **budget agency** shall make a supplemental distribution to a county from the county's adjusted gross income tax account.

(b) A supplemental distribution described in subsection (a) must be:

- (1) made in January of the ensuing calendar year; and
- (2) allocated and, subject to subsection (d), used in the same manner as certified distributions.

(c) A determination under this section must be made before October 2.

(d) This subsection applies to that part of a distribution made under this section that is allocated and available for use in the same manner as certified shares. The civil taxing unit receiving the money shall deposit the money in the civil taxing unit's rainy day fund established under IC 36-1-8-5.1.

SECTION 191. IC 6-3.5-1.5-1, AS AMENDED BY P.L.146-2008, SECTION 334, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2009 (RETROACTIVE)]: Sec. 1. (a) The department of local government finance and the department of state revenue (**before January 1, 2010**) or the budget agency (**after December 31, 2009**) shall, before July 1 of each year, jointly calculate the county adjusted income tax rate or county option income tax rate (as applicable) that must be imposed in a county to raise income tax revenue in the following year equal to the sum of the following STEPS:

STEP ONE: Determine the greater of zero (0) or the result of:

- (1) the department of local government finance's estimate of the sum of the maximum permissible ad valorem property tax levies calculated under IC 6-1.1-18.5 for all civil taxing units in the county for

the ensuing calendar year (before any adjustment under IC 6-1.1-18.5-3(g) or IC 6-1.1-18.5-3(h) for the ensuing calendar year); minus

(2) the sum of the maximum permissible ad valorem property tax levies calculated under IC 6-1.1-18.5 for all civil taxing units in the county for the current calendar year.

In the case of a civil taxing unit that is located in more than one (1) county, the department of local government finance shall, for purposes of making the determination under this subdivision, apportion the civil taxing unit's maximum permissible ad valorem property tax levy among the counties in which the civil taxing unit is located.

STEP TWO: This STEP applies only to property taxes first due and payable before January 1, 2009. Determine the greater of zero (0) or the result of:

(1) the department of local government finance's estimate of the family and children property tax levy that will be imposed by the county under IC 12-19-7-4 for the ensuing calendar year (before any adjustment under IC 12-19-7-4(b) for the ensuing calendar year); minus

(2) the county's family and children property tax levy imposed by the county under IC 12-19-7-4 for the current calendar year.

STEP THREE: This STEP applies only to property taxes first due and payable before January 1, 2009. Determine the greater of zero (0) or the result of:

(1) the department of local government finance's estimate of the children's psychiatric residential treatment services property tax levy that will be imposed by the county under IC 12-19-7.5-6 for the ensuing calendar year (before any adjustment under IC 12-19-7.5-6(b) for the ensuing calendar year); minus

(2) the children's psychiatric residential treatment services property tax imposed by the county under IC 12-19-7.5-6 for the current calendar year.

STEP FOUR: Determine the greater of zero (0) or the result of:

(1) the department of local government finance's estimate of the county's maximum community mental health centers property tax levy under IC 12-29-2-2 for the ensuing calendar year (before any adjustment under IC 12-29-2-2(c) for the ensuing calendar year); minus

(2) the county's maximum community mental health centers property tax levy under IC 12-29-2-2 for the current calendar year.

(b) In the case of a county that wishes to impose a tax rate under IC 6-3.5-1.1-24 or IC 6-3.5-6-30 (as applicable) for the first time, the department of local government finance and the department of state revenue **(before January 1, 2010) or the budget agency (after December 31, 2009)** shall jointly estimate the amount that will be calculated under subsection (a) in the second year after the tax rate is first imposed. The department of local government finance and the department of state revenue **(before January 1, 2010) or the budget agency (after December 31, 2009)** shall calculate the tax rate under IC 6-3.5-1.1-24 or IC 6-3.5-6-30 (as applicable) that must be

imposed in the county in the second year after the tax rate is first imposed to raise income tax revenue equal to the estimate under this subsection.

(c) The department **(before January 1, 2010) or the budget agency (after December 31, 2009)** and the department of local government finance shall make the calculations under subsections (a) and (b) based on the best information available at the time the calculation is made.

(d) Notwithstanding IC 6-3.5-1.1-24(h) and IC 6-3.5-6-30(h), if a county has adopted an income tax rate under IC 6-3.5-1.1-24 or IC 6-3.5-6-30 to replace property tax levy growth, the part of the tax rate under IC 6-3.5-1.1-24 or IC 6-3.5-6-30 that was used before January 1, 2009, to reduce levy growth in the county family and children's fund property tax levy and the children's psychiatric residential treatment services property tax levy shall instead be used for property tax relief in the same manner that a tax rate under IC 6-3.5-1.1-26 or ~~IC 6-3.5-6-30~~ **IC 6-3.5-6-32** is used for property tax relief.

SECTION 192. IC 6-3.5-1.5-3, AS ADDED BY P.L.224-2007, SECTION 69, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 3. The department of local government finance and the ~~department of state revenue~~ **budget agency** may take any actions necessary to carry out the purposes of this chapter.

SECTION 193. IC 6-3.5-6-1.1, AS AMENDED BY P.L.146-2008, SECTION 336, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 1.1. (a) For purposes of allocating the certified distribution made to a county under this chapter among the civil taxing units in the county, the allocation amount for a civil taxing unit is the amount determined using the following formula:

STEP ONE: Determine the total property taxes that are first due and payable to the civil taxing unit during the calendar year of the distribution plus, for a county, an amount equal to the welfare allocation amount.

STEP TWO: Determine the sum of the following:

(A) Amounts appropriated from property taxes to pay the principal of or interest on any debenture or other debt obligation issued after June 30, 2005, other than an obligation described in subsection (b).

(B) Amounts appropriated from property taxes to make payments on any lease entered into after June 30, 2005, other than a lease described in subsection (c).

(C) The proceeds of any property that are:

(i) received as the result of the issuance of a debt obligation described in clause (A) or a lease described in clause (B); and

(ii) appropriated from property taxes for any purpose other than to refund or otherwise refinance a debt obligation or lease described in subsection (b) or (c).

STEP THREE: Subtract the STEP TWO amount from the STEP ONE amount.

STEP FOUR: Determine the sum of:

(A) the STEP THREE amount; plus

(B) the civil taxing unit or school corporation's certified distribution for the previous calendar year.

**The allocation amount is subject to adjustment as provided in IC 36-8-19-7.5.** The welfare allocation amount is an amount

equal to the sum of the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund and, if the county received a certified distribution under IC 6-3.5-1.1 or this chapter in 2008, the property taxes imposed by the county in 2008 for the county's county medical assistance to wards fund, family and children's fund, children's psychiatric residential treatment services fund, county hospital care for the indigent fund, and children with special health care needs county fund.

(b) Except as provided in this subsection, an appropriation from property taxes to repay interest and principal of a debt obligation is not deducted from the allocation amount for a civil taxing unit if:

(1) the debt obligation was issued; and

(2) the proceeds appropriated from property taxes; to refund or otherwise refinance a debt obligation or a lease issued before July 1, 2005. However, an appropriation from property taxes related to a debt obligation issued after June 30, 2005, is deducted if the debt extends payments on a debt or lease beyond the time in which the debt or lease would have been payable if the debt or lease had not been refinanced or increases the total amount that must be paid on a debt or lease in excess of the amount that would have been paid if the debt or lease had not been refinanced. The amount of the deduction is the annual amount for each year of the extension period or the annual amount of the increase over the amount that would have been paid.

(c) Except as provided in this subsection, an appropriation from property taxes to make payments on a lease is not deducted from the allocation amount for a civil taxing unit if:

(1) the lease was issued; and

(2) the proceeds were appropriated from property taxes; to refinance a debt obligation or lease issued before July 1, 2005. However, an appropriation from property taxes related to a lease entered into after June 30, 2005, is deducted if the lease extends payments on a debt or lease beyond the time in which the debt or lease would have been payable if it had not been refinanced or increases the total amount that must be paid on a debt or lease in excess of the amount that would have been paid if the debt or lease had not been refinanced. The amount of the deduction is the annual amount for each year of the extension period or the annual amount of the increase over the amount that would have been paid.

SECTION 194. IC 6-3.5-6-13.5 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: **Sec. 13.5. A county income tax council must before August 1 of each odd-numbered year hold at least one (1) public meeting at which the county income tax council discusses whether the county option income tax rate under this chapter should be adjusted.**

SECTION 195. IC 6-3.5-6-17, AS AMENDED BY P.L.146-2008, SECTION 338, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: **Sec. 17. (a) Revenue derived from the imposition of the county option income tax shall, in the manner prescribed by this section, be distributed to the county that imposed it. The amount that is to be distributed to a county during an ensuing calendar year equals**

**the amount of county option income tax revenue that the department, after reviewing the recommendation of the budget agency determines has been:**

(1) received from that county for a taxable year ending in a calendar year preceding the calendar year in which the determination is made; and

(2) reported on an annual return or amended return processed by the department in the state fiscal year ending before July 1 of the calendar year in which the determination is made;

as adjusted (as determined after review of the recommendation of the budget agency) for refunds of county option income tax made in the state fiscal year.

(b) Before August 2 of each calendar year, the ~~department, after reviewing the recommendation of the~~ budget agency shall certify to the county auditor of each adopting county the amount determined under subsection (a) plus the amount of interest in the county's account that has accrued and has not been included in a certification made in a preceding year. The amount certified is the county's "certified distribution" for the immediately succeeding calendar year. The amount certified shall be adjusted, as necessary, under subsections (c), (d), (e), and (f). The budget agency shall provide the county council with an informative summary of the calculations used to determine the certified distribution. The summary of calculations must include:

(1) the amount reported on individual income tax returns processed by the department during the previous fiscal year;

(2) adjustments for over distributions in prior years;

(3) adjustments for clerical or mathematical errors in prior years;

(4) adjustments for tax rate changes; and

(5) the amount of excess account balances to be distributed under IC 6-3.5-6-17.3.

The ~~department~~ **budget agency** shall also certify information concerning the part of the certified distribution that is attributable to a tax rate under section 30, 31, or 32 of this chapter. This information must be certified to the county auditor and to the department of local government finance not later than September 1 of each calendar year. The part of the certified distribution that is attributable to a tax rate under section 30, 31, or 32 of this chapter may be used only as specified in those provisions.

(c) The ~~department~~ **budget agency** shall certify an amount less than the amount determined under subsection (b) if the ~~department, after reviewing the recommendation of the~~ budget agency determines that the reduced distribution is necessary to offset overpayments made in a calendar year before the calendar year of the distribution. The ~~department, after reviewing the recommendation of the~~ budget agency may reduce the amount of the certified distribution over several calendar years so that any overpayments are offset over several years rather than in one (1) lump sum.

(d) The ~~department, after reviewing the recommendation of the~~ budget agency shall adjust the certified distribution of a county to correct for any clerical or mathematical errors made in any previous certification under this section. The ~~department, after reviewing the recommendation of the~~ budget agency may reduce the amount of the certified distribution over several

calendar years so that any adjustment under this subsection is offset over several years rather than in one (1) lump sum.

(e) This subsection applies to a county that:

- (1) initially imposed the county option income tax; or
- (2) increases the county option income tax rate;

under this chapter in the same calendar year in which the ~~department~~ **budget agency** makes a certification under this section. The ~~department, after reviewing the recommendation of the~~ budget agency shall adjust the certified distribution of a county to provide for a distribution in the immediately following calendar year and in each calendar year thereafter. The ~~department~~ **budget agency** shall provide for a full transition to certification of distributions as provided in subsection (a)(1) through (a)(2) in the manner provided in subsection (c).

(f) This subsection applies in the year a county initially imposes a tax rate under section 30 of this chapter. Notwithstanding any other provision, the ~~department~~ **budget agency** shall adjust the part of the county's certified distribution that is attributable to the tax rate under section 30 of this chapter to provide for a distribution in the immediately following calendar year equal to the result of:

- (1) the sum of the amounts determined under STEP ONE through STEP FOUR of IC 6-3.5-1.5-1(a) in the year in which the county initially imposes a tax rate under section 30 of this chapter; multiplied by
- (2) the following:
  - (A) In a county containing a consolidated city, one and five-tenths (1.5).
  - (B) In a county other than a county containing a consolidated city, two (2).

(g) One-twelfth (1/12) of each adopting county's certified distribution for a calendar year shall be distributed from its account established under section 16 of this chapter to the appropriate county treasurer on the first day of each month of that calendar year.

(h) Upon receipt, each monthly payment of a county's certified distribution shall be allocated among, distributed to, and used by the civil taxing units of the county as provided in sections 18 and 19 of this chapter.

(i) All distributions from an account established under section 16 of this chapter shall be made by warrants issued by the auditor of state to the treasurer of state ordering the appropriate payments.

SECTION 196. IC 6-3.5-6-17.2 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 17.2. Before October 2 of each year, the ~~department~~ **budget agency** shall submit a report to each county auditor indicating the balance in the county's special account as of the cutoff date set by the budget agency.

SECTION 197. IC 6-3.5-6-17.3 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 17.3. (a) If ~~after receiving a recommendation from~~ the budget agency ~~the department~~ determines that a sufficient balance exists in a county account in excess of the amount necessary, when added to other money that will be deposited in the account after the date of the ~~recommendation; determination~~, to make certified distributions to the county in the ensuing year, the ~~department~~ **budget agency** shall make a supplemental distribution to a

county from the county's special account.

(b) A supplemental distribution described in subsection (a) must be:

- (1) made in January of the ensuing calendar year; and
- (2) allocated in the same manner as certified distributions for deposit in a civil unit's rainy day fund established under IC 36-1-8-5.1.

(c) A determination under this section must be made before October 2.

SECTION 198. IC 6-3.5-6-18, AS AMENDED BY P.L.224-2007, SECTION 79, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 18. (a) The revenue a county auditor receives under this chapter shall be used to:

- (1) replace the amount, if any, of property tax revenue lost due to the allowance of an increased homestead credit within the county;
- (2) fund the operation of a public communications system and computer facilities district as provided in an election, if any, made by the county fiscal body under IC 36-8-15-19(b);
- (3) fund the operation of a public transportation corporation as provided in an election, if any, made by the county fiscal body under IC 36-9-4-42;
- (4) make payments permitted under **IC 36-7-14-25.5** or IC 36-7-15.1-17.5;
- (5) make payments permitted under subsection (i);
- (6) make distributions of distributive shares to the civil taxing units of a county; and
- (7) make the distributions permitted under sections 27, 28, 29, 30, 31, 32, and 33 of this chapter.

(b) The county auditor shall retain from the payments of the county's certified distribution, an amount equal to the revenue lost, if any, due to the increase of the homestead credit within the county. This money shall be distributed to the civil taxing units and school corporations of the county as though they were property tax collections and in such a manner that no civil taxing unit or school corporation shall suffer a net revenue loss due to the allowance of an increased homestead credit.

(c) The county auditor shall retain:

- (1) the amount, if any, specified by the county fiscal body for a particular calendar year under subsection (i), **IC 36-7-14-25.5**, IC 36-7-15.1-17.5, IC 36-8-15-19(b), and IC 36-9-4-42 from the county's certified distribution for that same calendar year; and
- (2) the amount of an additional tax rate imposed under section 27, 28, 29, 30, 31, 32, or 33 of this chapter.

The county auditor shall distribute amounts retained under this subsection to the county.

(d) All certified distribution revenues that are not retained and distributed under subsections (b) and (c) shall be distributed to the civil taxing units of the county as distributive shares.

(e) The amount of distributive shares that each civil taxing unit in a county is entitled to receive during a month equals the product of the following:

- (1) The amount of revenue that is to be distributed as distributive shares during that month; multiplied by
- (2) A fraction. The numerator of the fraction equals the

allocation amount for the civil taxing unit for the calendar year in which the month falls. The denominator of the fraction equals the sum of the allocation amounts of all the civil taxing units of the county for the calendar year in which the month falls.

(f) The department of local government finance shall provide each county auditor with the fractional amount of distributive shares that each civil taxing unit in the auditor's county is entitled to receive monthly under this section.

(g) Notwithstanding subsection (e), if a civil taxing unit of an adopting county does not impose a property tax levy that is first due and payable in a calendar year in which distributive shares are being distributed under this section, that civil taxing unit is entitled to receive a part of the revenue to be distributed as distributive shares under this section within the county. The fractional amount such a civil taxing unit is entitled to receive each month during that calendar year equals the product of the following:

- (1) The amount to be distributed as distributive shares during that month; multiplied by
- (2) A fraction. The numerator of the fraction equals the budget of that civil taxing unit for that calendar year. The denominator of the fraction equals the aggregate budgets of all civil taxing units of that county for that calendar year.

(h) If for a calendar year a civil taxing unit is allocated a part of a county's distributive shares by subsection (g), then the formula used in subsection (e) to determine all other civil taxing units' distributive shares shall be changed each month for that same year by reducing the amount to be distributed as distributive shares under subsection (e) by the amount of distributive shares allocated under subsection (g) for that same month. The department of local government finance shall make any adjustments required by this subsection and provide them to the appropriate county auditors.

(i) Notwithstanding any other law, a county fiscal body may pledge revenues received under this chapter (other than revenues attributable to a tax rate imposed under section 30, 31, or 32 of this chapter) to the payment of bonds or lease rentals to finance a qualified economic development tax project under IC 36-7-27 in that county or in any other county if the county fiscal body determines that the project will promote significant opportunities for the gainful employment or retention of employment of the county's residents.

SECTION 199. IC 6-3.5-6-27, AS ADDED BY P.L.214-2005, SECTION 18, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 27. (a) This section applies only to Miami County. Miami County possesses unique economic development challenges due to:

- (1) underemployment in relation to similarly situated counties; and
- (2) the presence of a United States government military base or other military installation that is completely or partially inactive or closed.

Maintaining low property tax rates is essential to economic development, and the use of county option income tax revenues as provided in this chapter to pay any bonds issued or leases entered into to finance the construction, acquisition, improvement, renovation, and equipping described under

subsection (c), rather than use of property taxes, promotes that purpose.

(b) In addition to the rates permitted by sections 8 and 9 of this chapter, the county council may impose the county option income tax at a rate of twenty-five hundredths percent (0.25%) on the adjusted gross income of resident county taxpayers if the county council makes the finding and determination set forth in subsection (c). Section 8(e) of this chapter applies to the application of the additional rate to nonresident taxpayers.

(c) In order to impose the county option income tax as provided in this section, the county council must adopt an ordinance finding and determining that revenues from the county option income tax are needed to pay the costs of financing, constructing, acquiring, renovating, and equipping a county jail, including the repayment of bonds issued, or leases entered into, for financing, constructing, acquiring, renovating, and equipping a county jail.

(d) If the county council makes a determination under subsection (c), the county council may adopt a tax rate under subsection (b). The tax rate may not be imposed at a rate or for a time greater than is necessary to pay the costs of financing, constructing, acquiring, renovating, and equipping a county jail.

(e) The county treasurer shall establish a county jail revenue fund to be used only for the purposes described in this section. County option income tax revenues derived from the tax rate imposed under this section shall be deposited in the county jail revenue fund before making a certified distribution under section 18 of this chapter.

(f) County option income tax revenues derived from the tax rate imposed under this section:

- (1) may only be used for the purposes described in this section;
- (2) may not be considered by the department of local government finance in determining the county's maximum permissible property tax levy limit under IC 6-1.1-18.5; and
- (3) may be pledged to the repayment of bonds issued, or leases entered into, for the purposes described in subsection (c).

(g) ~~The department~~, after reviewing the recommendation of the budget agency shall adjust the certified distribution of a county to provide for an increased distribution of taxes in the immediately following calendar year after the county adopts an increased tax rate under this section and in each calendar year thereafter. ~~The department~~ **budget agency** shall provide for a full transition to certification of distributions as provided in section 17(a)(1) through 17(a)(2) of this chapter in the manner provided in section 17(c) of this chapter.

SECTION 200. IC 6-3.5-6-28, AS AMENDED BY P.L.224-2007, SECTION 80, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 28. (a) This section applies only to Howard County.

(b) Maintaining low property tax rates is essential to economic development, and the use of county option income tax revenues as provided in this section and as needed in the county to fund the operation and maintenance of a jail and juvenile detention center, rather than the use of property taxes, promotes that purpose.

(c) In addition to the rates permitted by sections 8 and 9 of this chapter, the county fiscal body may impose a county option income tax at a rate that does not exceed twenty-five hundredths percent (0.25%) on the adjusted gross income of resident county taxpayers. The tax rate may be adopted in any increment of one hundredth percent (0.01%). Before the county fiscal body may adopt a tax rate under this section, the county fiscal body must make the finding and determination set forth in subsection (d). Section 8(e) of this chapter applies to the application of the additional tax rate to nonresident taxpayers.

(d) In order to impose the county option income tax as provided in this section, the county fiscal body must adopt an ordinance:

- (1) finding and determining that revenues from the county option income tax are needed in the county to fund the operation and maintenance of a jail, a juvenile detention center, or both; and
- (2) agreeing to freeze the part of any property tax levy imposed in the county for the operation of the jail or juvenile detention center, or both, covered by the ordinance at the rate imposed in the year preceding the year in which a full year of additional county option income tax is certified for distribution to the county under this section for the term in which an ordinance is in effect under this section.

(e) If the county fiscal body makes a determination under subsection (d), the county fiscal body may adopt a tax rate under subsection (c). Subject to the limitations in subsection (c), the county fiscal body may amend an ordinance adopted under this section to increase, decrease, or rescind the additional tax rate imposed under this section. As soon as practicable after the adoption of an ordinance under this section, the county fiscal body shall send a certified copy of the ordinance to the county auditor, the department of local government finance, and the department of state revenue. An ordinance adopted under this section before April 1 in a year applies to the imposition of county income taxes after June 30 in that year. An ordinance adopted under this section after March 31 of a year initially applies to the imposition of county option income taxes after June 30 of the immediately following year.

(f) The county treasurer shall establish a county jail revenue fund to be used only for the purposes described in this section. County option income tax revenues derived from the tax rate imposed under this section shall be deposited in the county jail revenue fund before making a certified distribution under section 18 of this chapter.

(g) County option income tax revenues derived from the tax rate imposed under this section:

- (1) may only be used for the purposes described in this section; and
- (2) may not be considered by the department of local government finance in determining the county's maximum permissible property tax levy limit under IC 6-1.1-18.5.

(h) The department of local government finance shall enforce an agreement under subsection (d)(2).

(i) ~~The department, after reviewing the recommendation of the~~ budget agency shall adjust the certified distribution of a county to provide for an increased distribution of taxes in the

immediately following calendar year after the county adopts an increased tax rate under this section and in each calendar year thereafter. ~~The department~~ **budget agency** shall provide for a full transition to certification of distributions as provided in section 17(a)(1) through 17(a)(2) of this chapter in the manner provided in section 17(c) of this chapter.

(j) The department shall separately designate a tax rate imposed under this section in any tax form as the Howard County jail operating and maintenance income tax.

SECTION 201. IC 6-3.5-6-29, AS AMENDED BY P.L.224-2007, SECTION 81, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 29. (a) This section applies only to Scott County. Scott County is a county in which:

- (1) maintaining low property tax rates is essential to economic development; and

  - (A) the financing, construction, acquisition, improvement, renovation, equipping, operation, or maintenance of jail facilities; and
  - (B) the repayment of bonds issued or leases entered into for the purposes described in clause (A), except operation or maintenance;
 promotes the purpose of maintaining low property tax rates.

(b) The county fiscal body may impose the county option income tax on the adjusted gross income of resident county taxpayers at a rate, in addition to the rates permitted by sections 8 and 9 of this chapter, not to exceed twenty-five hundredths percent (0.25%). (c) To impose the county option income tax as provided in this section, the county fiscal body must adopt an ordinance finding and determining that additional revenues from the county option income tax are needed in the county to fund:

- (1) the financing, construction, acquisition, improvement, renovation, equipping, operation, or maintenance of jail facilities; and
- (2) the repayment of bonds issued or leases entered into for the purposes described in subdivision (1), except operation or maintenance.

(d) If the county fiscal body makes a determination under subsection (c), the county fiscal body may adopt an additional tax rate under subsection (b). Subject to the limitations in subsection (b), the county fiscal body may amend an ordinance adopted under this section to increase, decrease, or rescind the additional tax rate imposed under this section. As soon as practicable after the adoption of an ordinance under this section, the county fiscal body shall send a certified copy of the ordinance to the county auditor, the department of local government finance, and the department. (e) If the county imposes an additional tax rate under this section, the county treasurer shall establish a county jail revenue fund to be used only for the purposes described in this section. County option income tax revenues derived from the tax rate imposed under this section shall be deposited in the county jail revenue fund before making a certified distribution under section 18 of this chapter.

(g) If the county imposes an additional tax rate under this section, the ~~department, after reviewing the recommendation of the~~ budget agency shall adjust the certified distribution of the county to provide for an increased distribution of taxes in the immediately following calendar year after the county adopts the increased tax rate and in each calendar year thereafter. The ~~department budget agency~~ shall provide for a full transition to certification of distributions as provided in section 17(a)(1) through 17(a)(2) of this chapter in the manner provided in section 17(c) of this chapter.

SECTION 202. IC 6-3.5-6-33, AS ADDED BY P.L.224-2007, SECTION 86, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 33. (a) This section applies only to Monroe County.

(b) Maintaining low property tax rates is essential to economic development, and the use of county option income tax revenues as provided in this chapter and as needed in the county to fund the operation and maintenance of a juvenile detention center and other facilities to provide juvenile services, rather than the use of property taxes, promotes that purpose.

(c) In addition to the rates permitted by sections 8 and 9 of this chapter, the county fiscal body may impose an additional county option income tax at a rate of not more than twenty-five hundredths percent (0.25%) on the adjusted gross income of resident county taxpayers if the county fiscal body makes the finding and determination set forth in subsection (d). Section 8(e) of this chapter applies to the application of the additional rate to nonresident taxpayers.

(d) In order to impose the county option income tax as provided in this section, the county fiscal body must adopt an ordinance:

- (1) finding and determining that revenues from the county option income tax are needed in the county to fund the operation and maintenance of a juvenile detention center and other facilities necessary to provide juvenile services;

and

(2) agreeing to freeze for the term in which an ordinance is in effect under this section the part of any property tax levy imposed in the county for the operation of the juvenile detention center and other facilities covered by the ordinance at the rate imposed in the year preceding the year in which a full year of additional county option income tax is certified for distribution to the county under this section.

(e) If the county fiscal body makes a determination under subsection (d), the county fiscal body may adopt a tax rate under subsection (c). Subject to the limitations in subsection (c), the county fiscal body may amend an ordinance adopted under this section to increase, decrease, or rescind the additional tax rate imposed under this section. (h) The department of local government finance shall enforce an agreement made under subsection (d)(2).

(i) ~~The department, after reviewing the recommendation of the~~ budget agency shall adjust the certified distribution of a county to provide for an increased distribution of taxes in the immediately following calendar year after the county adopts an increased tax rate under this section and in each calendar year thereafter. The ~~department budget agency~~ shall provide for a full transition to certification of distributions as provided in section 17(a)(1) through 17(a)(2) of this chapter in the manner provided in section 17(c) of this chapter.

SECTION 203. IC 6-3.5-7-11, AS AMENDED BY P.L.1-2009, SECTION 54, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 11. (a) Revenue derived from the imposition of the county economic development income tax shall, in the manner prescribed by this section, be distributed to the county that imposed it.

(b) Before August 2 of each calendar year, the ~~department, after reviewing the recommendation of the~~ budget agency, shall certify to the county auditor of each adopting county the sum of the amount of county economic development income tax revenue

that the ~~department~~ **budget agency** determines has been:

- (1) received from that county for a taxable year ending before the calendar year in which the determination is made; and
- (2) reported on an annual return or amended return processed by the department in the state fiscal year ending before July 1 of the calendar year in which the determination is made;

as adjusted ~~(as determined after review of the recommendation of the budget agency)~~ for refunds of county economic development income tax made in the state fiscal year plus the amount of interest in the county's account that has been accrued and has not been included in a certification made in a preceding year. The amount certified is the county's certified distribution, which shall be distributed on the dates specified in section 16 of this chapter for the following calendar year.

(c) The amount certified under subsection (b) shall be adjusted under subsections (d), (e), (f), (g), and (h). The budget agency shall provide the county council with an informative summary of the calculations used to determine the certified distribution. The summary of calculations must include:

- (1) the amount reported on individual income tax returns processed by the department during the previous fiscal year;
- (2) adjustments for over distributions in prior years;
- (3) adjustments for clerical or mathematical errors in prior years;
- (4) adjustments for tax rate changes; and
- (5) the amount of excess account balances to be distributed under IC 6-3.5-7-17.3.

(d) The ~~department~~ **budget agency** shall certify an amount less than the amount determined under subsection (b) if the ~~department, after reviewing the recommendation of the budget agency~~ determines that the reduced distribution is necessary to offset overpayments made in a calendar year before the calendar year of the distribution. The ~~department, after reviewing the recommendation of the budget agency~~ may reduce the amount of the certified distribution over several calendar years so that any overpayments are offset over several years rather than in one (1) lump sum.

(e) ~~After reviewing the recommendation of the budget agency~~ The budget agency shall adjust the certified distribution of a county to correct for any clerical or mathematical errors made in any previous certification under this section. The ~~department, after reviewing the recommendation of the budget agency~~ may reduce the amount of the certified distribution over several calendar years so that any adjustment under this subsection is offset over several years rather than in one (1) lump sum.

(f) The ~~department, after reviewing the recommendation of the budget agency~~ shall adjust the certified distribution of a county to provide the county with the distribution required under section 16(b) of this chapter.

(g) The ~~department, after reviewing the recommendation of the budget agency~~ shall adjust the certified distribution of a county to provide the county with the amount of any tax increase imposed under section 25 or 26 of this chapter to provide additional homestead credits as provided in those provisions.

(h) This subsection applies to a county that:

- (1) initially imposed the county economic development income tax; or
- (2) increases the county economic development income rate;

under this chapter in the same calendar year in which the ~~department~~ **budget agency** makes a certification under this section. The ~~department, after reviewing the recommendation of the budget agency~~ shall adjust the certified distribution of a county to provide for a distribution in the immediately following calendar year and in each calendar year thereafter. The ~~department~~ **budget agency** shall provide for a full transition to certification of distributions as provided in subsection (b)(1) through (b)(2) in the manner provided in subsection (d).

SECTION 204. IC 6-3.5-7-12, AS AMENDED BY P.L.146-2008, SECTION 346, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 12. (a) Except as provided in sections 23, 25, 26, 27, and 28 of this chapter, the county auditor shall distribute in the manner specified in this section the certified distribution to the county.

(b) Except as provided in subsections (c) and (h) and sections 15 and 25 of this chapter, **and subject to adjustment as provided in IC 36-8-19-7.5**, the amount of the certified distribution that the county and each city or town in a county is entitled to receive during May and November of each year equals the product of the following:

- (1) The amount of the certified distribution for that month; multiplied by
- (2) A fraction. The numerator of the fraction equals the sum of:

(A) total property taxes that are first due and payable to the county, city, or town during the calendar year in which the month falls; plus

(B) for a county, the welfare allocation amount.

The denominator of the fraction equals the sum of the total property taxes that are first due and payable to the county and all cities and towns of the county during the calendar year in which the month falls, plus the welfare allocation amount. The welfare allocation amount is an amount equal to the sum of the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund and, if the county received a certified distribution under this chapter in 2008, the property taxes imposed by the county in 2008 for the county's county medical assistance to wards fund, family and children's fund, children's psychiatric residential treatment services fund, county hospital care for the indigent fund, and children with special health care needs county fund.

(c) This subsection applies to a county council or county income tax council that imposes a tax under this chapter after June 1, 1992. The body imposing the tax may adopt an ordinance before July 1 of a year to provide for the distribution of certified distributions under this subsection instead of a distribution under subsection (b). The following apply if an ordinance is adopted under this subsection:

- (1) The ordinance is effective January 1 of the following year.
- (2) Except as provided in sections 25 and 26 of this chapter, the amount of the certified distribution that the

county and each city and town in the county is entitled to receive during May and November of each year equals the product of:

- (A) the amount of the certified distribution for the month; multiplied by
- (B) a fraction. For a city or town, the numerator of the fraction equals the population of the city or the town. For a county, the numerator of the fraction equals the population of the part of the county that is not located in a city or town. The denominator of the fraction equals the sum of the population of all cities and towns located in the county and the population of the part of the county that is not located in a city or town.

(3) The ordinance may be made irrevocable for the duration of specified lease rental or debt service payments.

(d) The body imposing the tax may not adopt an ordinance under subsection (c) if, before the adoption of the proposed ordinance, any of the following have pledged the county economic development income tax for any purpose permitted by IC 5-1-14 or any other statute:

- (1) The county.
- (2) A city or town in the county.
- (3) A commission, a board, a department, or an authority that is authorized by statute to pledge the county economic development income tax.

(e) The department of local government finance shall provide each county auditor with the fractional amount of the certified distribution that the county and each city or town in the county is entitled to receive under this section.

(f) Money received by a county, city, or town under this section shall be deposited in the unit's economic development income tax fund.

(g) Except as provided in subsection (b)(2)(B), in determining the fractional amount of the certified distribution the county and its cities and towns are entitled to receive under subsection (b) during a calendar year, the department of local government finance shall consider only property taxes imposed on tangible property subject to assessment in that county.

(h) In a county having a consolidated city, only the consolidated city is entitled to the certified distribution, subject to the requirements of sections 15, 25, and 26 of this chapter.

SECTION 205. IC 6-3.5-7-17.3 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 17.3. (a) If ~~after receiving a recommendation from~~ the budget agency ~~the department~~ determines that a sufficient balance exists in a county account in excess of the amount necessary, when added to other money that will be deposited in the account after the date of the ~~recommendation~~, **determination**, to make certified distributions to the county in the ensuing year, the ~~department~~ **budget agency** shall make a supplemental distribution to a county from the county's special account.

(b) A supplemental distribution described in subsection (a) must be:

- (1) made in January of the ensuing calendar year; and
- (2) allocated in the same manner as certified distributions for deposit in a civil unit's rainy day fund established under IC 36-1-8-5.1.

(c) A determination under this section must be made before

(b) The amount of the refund that a person is entitled to receive under this chapter equals the amount of the erroneously or illegally collected tax, plus interest calculated as specified in subsection (c).

(c) If a tax payment that has been erroneously or illegally collected is not refunded within ninety (90) days after ~~the later~~ **of the date on which:**

(1) when the tax imposed by this chapter on the receipt of the transported gasoline was charged and collected by the parties; and

(2) under the circumstances described in section 205 of this chapter.

(c) Every person included within the terms of section 606(c) of this chapter who transports gasoline in a vehicle upon the highways of Indiana for purposes other than use and consumption by that person may not, on the journey carrying that gasoline to points outside Indiana, make delivery of that fuel to any person in Indiana.

(d) Every transporter of gasoline included within the terms of section 606(a) and ~~section~~ 606(c) of this chapter who transports gasoline upon the highways of Indiana for purposes other than use and consumption by that person shall at the time of registration and on an annual basis list with the administrator a description of all vehicles, including the vehicles' license numbers, to be used on the highways of Indiana in transporting gasoline from:

(1) points outside Indiana to points inside Indiana; and

(2) points inside Indiana to points outside Indiana.

(e) The description that subsection (d) requires shall contain the information that is reasonably required by the administrator

When additional vehicles are placed in service or when a vehicle previously listed is retired from service during the year, the administrator shall be notified within ten (10) days of the change so that the listing of the vehicles may be kept accurate.

(f) A distributor's or an Indiana transportation license is required for a person or the person's agent acting in the person's behalf to operate a vehicle for the purpose of delivering gasoline within the boundaries of Indiana when the vehicle has a total tank capacity of at least eight hundred fifty (850) gallons.

SECTION 210. IC 6-6-4.1-12 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 12. (a) Except as authorized under section 13 of this chapter, a carrier may operate a commercial motor vehicle upon the highways in Indiana only if the carrier has been issued an annual permit, cab card, and emblem under this section.

(b) The department shall issue:

(2) a cab card and an emblem for each commercial motor vehicle that will be operated by the carrier upon the highways in Indiana;

to a carrier who applies for an annual permit and pays to the department an annual permit fee of twenty-five dollars (\$25) **not later than September 1 of the year before the annual permit is effective under subsection (c).**

(c) The annual permit, cab card, and emblem are effective from January 1 of each year through December 31 of the same year. The department may extend the expiration date of the annual permit, cab card, and emblem for no more than sixty (60) days. The annual permit, each cab card, and each emblem issued to a carrier remain the property of this state and may be suspended or revoked by the department for any violation of this chapter or of the rules concerning this chapter adopted by the department under IC 4-22-2.

(d) As evidence of compliance with this section, and for the purpose of enforcement, a carrier shall display on each commercial motor vehicle an emblem when the vehicle is being operated by the carrier in Indiana. The carrier shall affix the emblem to the vehicle in the location designated by the department. The carrier shall display in each vehicle the cab card

issued by the department. The carrier shall retain the original annual permit at the address shown on the annual permit. During the month of December, the carrier shall display the cab card and emblem that are valid through December 31 or a full year cab card and emblem issued to the carrier for the ensuing twelve (12) months. If the department grants an extension of the expiration date, the carrier shall continue to display the cab card and emblem upon which the extension was granted.

(e) If a commercial motor vehicle is operated by more than one (1) carrier, as evidence of compliance with this section and for purposes of enforcement each carrier shall display in the commercial motor vehicle a reproduced copy of the carrier's annual permit when the vehicle is being operated by the carrier in Indiana.

(f) A person who fails to display an emblem required by this section on a commercial motor vehicle, does not have proof in the vehicle that the annual permit has been obtained, and operates that vehicle on an Indiana highway commits a Class C infraction. Each day of operation without an emblem constitutes a separate infraction. Notwithstanding IC 34-28-5-4, a judgment of not less than one hundred dollars (\$100) shall be entered for each Class C infraction under this subsection.

(g) A person who displays an altered, false, or fictitious cab card required by this section in a commercial motor vehicle, does not have proof in the vehicle that the annual permit has been obtained, and operates that vehicle on an Indiana highway commits a Class C infraction. Each day of operation with an altered, false, or fictitious cab card constitutes a separate infraction.

SECTION 211. IC 6-6-4.1-13 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 13. (a) A carrier may, in lieu of paying the tax imposed under this chapter that would otherwise result from the operation of a particular commercial motor vehicle, obtain from the department a trip permit authorizing the carrier to operate the commercial motor vehicle for a period of five (5) consecutive days. The department shall specify the beginning and ending days on the face of the permit. The fee for a trip permit for each commercial motor vehicle is fifty dollars (\$50). The report otherwise required under section 10 of this chapter is not required with respect to a vehicle for which a trip permit has been issued under this subsection.

(b) The department may issue a temporary written authorization if unforeseen or uncertain circumstances require operations by a carrier of a commercial motor vehicle for which neither a trip permit described in subsection (a) nor an annual permit described in section 12 of this chapter has been obtained. A temporary authorization may be issued only if the department finds that undue hardship would result if operation under a temporary authorization were prohibited. A carrier who receives a temporary authorization shall:

(1) pay the trip permit fee at the time the temporary authorization is issued; or

(2) subsequently apply for and obtain an annual permit.

(c) A carrier may obtain an International Fuel Tax Agreement (IFTA) repair and maintenance permit to:

(1) travel from another state into Indiana to repair or maintain any of the carrier's motor vehicles, semitrailers (as defined in IC 9-13-2-164), or trailers (as defined in

IC 9-13-2-184); and

- (2) return to the same state after the repair or maintenance is completed.

The permit allows the travel described in this section. In addition to any other fee established in this chapter, and instead of paying the quarterly motor fuel tax imposed under this chapter, a carrier may pay an annual IFTA repair and maintenance fee of forty dollars (\$40) and receive an IFTA annual repair and maintenance permit. The IFTA annual repair and maintenance permit and fee applies to all of the motor vehicles operated by a carrier. The IFTA annual repair and maintenance permit is not transferable to another carrier. A carrier may not carry cargo or passengers under the IFTA annual repair and maintenance permit. All fees collected under this subsection shall be deposited in the motor carrier regulation fund (IC 8-2.1-23). The report otherwise required under section 10 of this chapter is not required with respect to a motor vehicle that is operated under an IFTA annual repair and maintenance permit.

(d) A carrier may obtain an International Registration Plan (IRP) repair and maintenance permit to:

- (1) travel from another state into Indiana to repair or maintain any of the carrier's motor vehicles, semitrailers (as defined in IC 9-13-2-164), or trailers (as defined in IC 9-13-2-184); and
- (2) return to the same state after the repair or maintenance is completed.

The permit allows the travel described in this section. In addition to any other fee established in this chapter, and instead of paying apportioned or temporary IRP fees under IC 9-18-2 or IC 9-18-7, a carrier may pay an annual IRP repair and maintenance fee of forty dollars (\$40) and receive an IRP annual repair and maintenance permit. The IRP annual repair and maintenance permit and fee applies to all of the motor vehicles operated by a carrier. The IRP annual repair and maintenance permit is not transferable to another carrier. A carrier may not carry cargo or passengers under the IRP annual repair and maintenance permit. All fees collected under this subsection shall be deposited in the motor carrier regulation fund (IC 8-2.1-23).

(e) **A person may obtain a repair and maintenance permit to:**

- (1) move an unregistered off-road vehicle from a quarry or mine to a maintenance or repair facility; and**
- (2) return the unregistered off-road vehicle to its place of origin.**

**The fee for the permit is forty dollars (\$40). The permit is an annual permit and applies to all unregistered off-road vehicles from the same quarry or mine.**

(f) A carrier may obtain a repair, maintenance, and relocation permit to:

- (1) move a yard tractor from a terminal or loading or spotting facility to:
  - (A) a maintenance or repair facility; or
  - (B) another terminal or loading or spotting facility; and
- (2) return the yard tractor to its place of origin.

The fee for the permit is forty dollars (\$40). The permit is an annual permit and applies to all yard tractors operated by the carrier. The permit is not transferable to another carrier. A carrier may not carry cargo or transport or draw a semitrailer or other

vehicle under the permit. A carrier may operate a yard tractor under the permit instead of paying the tax imposed under this chapter. A yard tractor that is being operated on a public highway under this subsection must display a license plate issued under IC 9-18-32. As used in this section, "yard tractor" has the meaning set forth under IC 9-13-2-201.

(g) The department shall establish procedures, by rules adopted under IC 4-22-2, for:

- (1) the issuance and use of trip permits, temporary authorizations, and repair and maintenance permits; and
- (2) the display in commercial motor vehicles of evidence of compliance with this chapter.

SECTION 212. IC 6-6-5-10, AS AMENDED BY P.L.146-2008, SECTION 353, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 10. (a) The bureau shall establish procedures necessary for the collection of the tax imposed by this chapter and for the proper accounting for the same. The necessary forms and records shall be subject to approval by the state board of accounts.

(b) The county treasurer, upon receiving the excise tax collections, shall receipt such collections into a separate account for settlement thereof at the same time as property taxes are accounted for and settled in June and December of each year, with the right and duty of the treasurer and auditor to make advances prior to the time of final settlement of such property taxes in the same manner as provided in IC 5-13-6-3.

(c) As used in this subsection, "taxing district" has the meaning set forth in IC 6-1.1-1-20, "taxing unit" has the meaning set forth in IC 6-1.1-1-21, and "tuition support levy" refers to a school corporation's tuition support property tax levy under IC 20-45-3-11 (repealed) for the school corporation's general fund. The county auditor shall determine the total amount of excise taxes collected for each taxing district in the county and the amount so collected (and the distributions received under section 9.5 of this chapter) shall be apportioned and distributed among the respective funds of the taxing units in the same manner and at the same time as property taxes are apportioned and distributed **(subject to adjustment as provided in IC 36-8-19-7.5)**. However, for purposes of determining distributions under this section for 2009 and each year thereafter, a state welfare and tuition support allocation shall be deducted from the total amount available for apportionment and distribution to taxing units under this section before any apportionment and distribution is made. The county auditor shall remit the state welfare and tuition support allocation to the treasurer of state for deposit, as directed by the budget agency. The amount of the state welfare and tuition support allocation for a county for a particular year is equal to the result determined under STEP FOUR of the following formula:

STEP ONE: Determine the result of the following:

(A) Separately for 1997, 1998, and 1999 for each taxing district in the county, determine the result of:

- (i) the amount appropriated in the year by the county from the county's county welfare fund and county welfare administration fund; divided by
- (ii) the total amounts appropriated by all taxing units in the county for the same year.

(B) Determine the sum of the clause (A) amounts.

(C) Divide the clause (B) amount by three (3).

(D) Determine the result of:

(i) the amount of excise taxes allocated to the taxing district that would otherwise be available for distribution to taxing units in the taxing district; multiplied by

(ii) the clause (C) amount.

STEP TWO: Determine the result of the following:

(A) Separately for 2006, 2007, and 2008 for each taxing district in the county, determine the result of:

(i) the tax rate imposed in the taxing district for the county's county medical assistance to wards fund, family and children's fund, children's psychiatric residential treatment services fund, county hospital care for the indigent fund, children with special health care needs county fund, plus, in the case of Marion County, the tax rate imposed by the health and hospital corporation that was necessary to raise thirty-five million dollars (\$35,000,000) from all taxing districts in the county; divided by

(ii) the aggregate tax rate imposed in the taxing district for the same year.

(B) Determine the sum of the clause (A) amounts.

(C) Divide the clause (B) amount by three (3).

(D) Determine the result of:

(i) the amount of excise taxes allocated to the taxing district that would otherwise be available for distribution to taxing units in the taxing district after subtracting the STEP ONE (D) amount for the same taxing district; multiplied by

(ii) the clause (C) amount.

(E) Determine the sum of the clause (D) amounts for all taxing districts in the county.

STEP THREE: Determine the result of the following:

(A) Separately for 2006, 2007, and 2008 for each taxing district in the county, determine the result of:

(i) the tuition support levy tax rate imposed in the taxing district plus the tax rate imposed by the school corporation for the school corporation's special education preschool fund in the district; divided by

(ii) the aggregate tax rate imposed in the taxing district for the same year.

(B) Determine the sum of the clause (A) amounts.

(C) Divide the clause (B) amount by three (3).

(D) Determine the result of:

(i) the amount of excise taxes allocated to the taxing district that would otherwise be available for distribution to taxing units in the taxing district after subtracting the STEP ONE (D) amount for the same taxing district; multiplied by

(ii) the clause (C) amount.

(E) Determine the sum of the clause (D) amounts for all taxing districts in the county.

STEP FOUR: Determine the sum of the STEP ONE, STEP TWO, and STEP THREE amounts for the county.

If the boundaries of a taxing district change after the years for which a ratio is calculated under STEP ONE, STEP TWO, or STEP THREE, the budget agency shall establish a ratio for the

new taxing district that reflects the tax rates imposed in the predecessor taxing districts.

(d) Such determination shall be made from copies of vehicle registration forms furnished by the bureau of motor vehicles. Prior to such determination, the county assessor of each county shall, from copies of registration forms, cause information pertaining to legal residence of persons owning taxable vehicles to be verified from the assessor's records, to the extent such verification can be so made. The assessor shall further identify and verify from the assessor's records the several taxing units within which such persons reside.

(e) Such verifications shall be done by not later than thirty (30) days after receipt of vehicle registration forms by the county assessor, and the assessor shall certify such information to the county auditor for the auditor's use as soon as it is checked and completed.

SECTION 214. IC 6-6-5.5-7 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2009 (RETROACTIVE)]: Sec. 7. (a) For calendar years that begin after December 31, 2000, the annual excise tax for a commercial vehicle will be determined by the motor carrier services division on or before October 1 of each year in accordance with the following formula:

STEP ONE: Determine the total amount of base revenue to be distributed from the commercial vehicle excise tax fund to all taxing units in Indiana during the calendar year for which the tax is first due and payable. For calendar year 2001, the total amount of base revenue for all taxing units shall be determined as provided in section 19 of this chapter. For calendar years that begin after December 31, 2001, **and before January 1, 2009**, the total amount of base revenue for all taxing units shall be determined by multiplying the previous year's base revenue for all taxing units by one hundred five percent (105%). **For calendar years that begin after December 31, 2008, the total amount of base revenue for all taxing units shall be determined as provided in section 19 of this chapter.**

STEP TWO: Determine the sum of fees paid to register the following commercial vehicles in Indiana under the following statutes during the fiscal year that ends June 30 immediately preceding the calendar year for which the tax is first due and payable:

(A) Total registration fees collected under IC 9-29-5-3 for commercial vehicles with a declared gross weight in excess of eleven thousand (11,000) pounds, including trucks, tractors not used with semitrailers, traction engines, and other similar vehicles used for hauling purposes;

(B) Total registration fees collected under IC 9-29-5-5 for tractors used with semitrailers;

(C) Total registration fees collected under IC 9-29-5-6

for semitrailers used with tractors;

(D) Total registration fees collected under IC 9-29-5-4 for trailers having a declared gross weight in excess of three thousand (3,000) pounds; and

(E) Total registration fees collected under IC 9-29-5-13 for trucks, tractors and semitrailers used in connection with agricultural pursuits usual and normal to the user's farming operation, multiplied by two hundred percent (200%);

STEP THREE: Determine the tax factor by dividing the STEP ONE result by the STEP TWO result.

(b) Except as otherwise provided in this chapter, the annual excise tax for commercial vehicles with a declared gross weight in excess of eleven thousand (11,000) pounds, including trucks, tractors not used with semitrailers, traction engines, and other similar vehicles used for hauling purposes, shall be determined by multiplying the registration fee under IC 9-29-5-3 by the tax factor determined in subsection (a).

(c) Except as otherwise provided in this chapter, the annual excise tax for tractors used with semitrailers shall be determined by multiplying the registration fee under IC 9-29-5-5 by the tax factor determined in subsection (a).

(d) Except as otherwise provided in this chapter, the annual excise tax for trailers having a declared gross weight in excess of three thousand (3,000) pounds shall be determined by multiplying the registration fee under IC 9-29-5-4 by the tax factor determined in subsection (a).

(e) The annual excise tax for a semitrailer shall be determined by multiplying the average annual registration fee under IC 9-29-5-6 by the tax factor determined in subsection (a). The average annual registration fee for a semitrailer under IC 9-29-5-6 is sixteen dollars and seventy-five cents (\$16.75).

(f) The annual excise tax determined under this section shall be rounded upward to the next full dollar amount.

SECTION 215. IC 6-6-5.5-19 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2009 (RETROACTIVE)]: Sec. 19. (a) As used in this section, "assessed value" means an amount equal to the true tax value of commercial vehicles that:

(1) are subject to the commercial vehicle excise tax under this chapter; and

(2) would have been subject to assessment as personal property on March 1, 2000, under the law in effect before January 1, 2000.

(b) For calendar year 2001, a taxing unit's base revenue shall be determined as provided in subsection (f). For calendar years that begin after December 31, 2001, **and before January 1, 2009**, a taxing unit's base revenue shall be determined by multiplying the previous year's base revenue by one hundred five percent (105%). **For calendar years that begin after December 31, 2008, a taxing unit's base revenue is equal to:**

**(1) the amount of commercial vehicle excise tax collected during the previous state fiscal year; multiplied by**

**(2) the taxing unit's percentage as determined in subsection (f) for calendar year 2001.**

(c) The amount of commercial vehicle excise tax distributed to the taxing units of Indiana from the commercial vehicle excise

tax fund shall be determined in the manner provided in this section. ~~On or before June 1, 2000, each township assessor of a county shall deliver to the county assessor a list that states by taxing district the total assessed value as shown on the information returns filed with the assessor on or before May 15, 2000.~~

(d) On or before July 1, 2000, each county assessor shall certify to the county auditor the assessed value of commercial vehicles in every taxing district.

(f) The department of local government finance shall determine each taxing unit's base revenue by applying the current tax rate for each taxing district to the certified assessed value from each taxing district. The department of local government finance shall also determine the following:

(1) The total amount of base revenue to be distributed from the commercial vehicle excise tax fund in 2001 to all taxing units in Indiana.

(2) The total amount of base revenue to be distributed from the commercial vehicle excise tax fund in 2001 to all taxing units in each county.

(3) Each county's total distribution percentage. A county's total distribution percentage shall be determined by dividing the total amount of base revenue to be distributed in 2001 to all taxing units in the county by the total base revenue to be distributed statewide.

(4) Each taxing unit's distribution percentage. A taxing unit's distribution percentage shall be determined by dividing each taxing unit's base revenue by the total amount of base revenue to be distributed in 2001 to all taxing units in the county.

(g) The department of local government finance shall certify each taxing unit's base revenue and distribution percentage for calendar year 2001 to the auditor of state on or before September 1, 2000.

(h) The auditor of state shall keep permanent records of each taxing unit's base revenue and distribution percentage for calendar year 2001 for purposes of determining the amount of money each taxing unit in Indiana is entitled to receive in calendar years that begin after December 31, 2001.

SECTION 216. IC 6-6-5.5-20, AS AMENDED BY P.L.146-2008, SECTION 354, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2009 (RETROACTIVE)]: Sec. 20. ~~(2) The product of the county's distribution percentage multiplied by the total commercial vehicle excise tax revenue deposited in the commercial vehicle excise tax fund: fifty percent (50%) of the product of:~~

**(1) the county's distribution percentage; multiplied by**  
**(2) the total commercial vehicle excise tax deposited in the commercial vehicle excise tax fund in the preceding calendar year.**

(c) Before distributing the amounts under subsections (a) and (b), the auditor of state shall deduct for a county unit an amount for deposit in a state fund, as directed by the budget agency, equal to the result determined under STEP FIVE of the following formula:

STEP ONE: Separately for 2006, 2007, and 2008, determine the result of:

(A) the tax rate imposed by the county in the year for the county's county medical assistance to wards fund, family and children's fund, children's psychiatric residential treatment services fund, county hospital care for the indigent fund, children with special health care needs county fund, plus, in the case of Marion County, the tax rate imposed by the health and hospital corporation that was necessary to raise thirty-five million dollars (\$35,000,000) from all taxing districts in the county; divided by

(B) the aggregate tax rate imposed by the school corporation in the year.

STEP TWO: Determine the sum of the results determined

under STEP ONE.

STEP FIVE: Determine the result of:

- (A) the STEP FOUR amount; multiplied by
- (B) the STEP THREE result.

(e) Upon receipt, the county auditor shall distribute to the taxing units an amount equal to the product of the taxing unit's distribution percentage multiplied by the total distributed to the county under this section. The amount determined shall be apportioned and distributed among the respective funds of each taxing unit in the same manner and at the same time as property taxes are apportioned and distributed **(subject to adjustment as provided in IC 36-8-19-7.5 after December 31, 2009)**.

(f) In the event that sufficient funds are not available in the commercial vehicle excise tax fund for the distributions required by subsection (a) and subsection (b)(1), the auditor of state shall transfer funds from the commercial vehicle excise tax reserve fund.

(g) The auditor of state shall, not later than July 1 of each year, furnish to each county auditor an estimate of the amounts to be distributed to the counties under this section during the next calendar year. SECTION 217. IC 6-6-6.5-21, AS AMENDED BY P.L.146-2008, SECTION 355, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 21. (a) The department shall allocate each aircraft excise tax payment collected by it to the county in which the aircraft is usually located when not in operation or to the aircraft owner's county of residence if based out of state. The department shall distribute to each county treasurer on a quarterly basis the aircraft excise taxes which were collected by the department during the preceding three (3) months and which the department has allocated to that county. The distribution shall be made on or before the fifteenth of the month following each quarter and the first distribution each year shall be made in April.

(b) Concurrently with making a distribution of aircraft excise taxes, the department shall send an aircraft excise tax report to the county treasurer and the county auditor. The department shall prepare the report on the form prescribed by the state board of accounts. The aircraft excise tax report must include aircraft identification, owner information, and excise tax payment, and must indicate the county where the aircraft is normally kept when not in operation. The department shall, in the manner prescribed by the state board of accounts, maintain records concerning the aircraft excise taxes received and distributed by it.

(c) Except as provided in section 21.5 of this chapter, each county treasurer shall deposit money received by ~~him~~ **the treasurer** under this chapter in a separate fund to be known as the "aircraft excise tax fund". The money in the aircraft excise

tax fund shall be distributed to the taxing units of the county in the manner prescribed in subsection (d).

(d) As used in this subsection, "taxing district" has the meaning set forth in IC 6-1.1-1-20, "taxing unit" has the meaning set forth in IC 6-1.1-1-21, and "tuition support levy" refers to a school corporation's tuition support property tax levy under IC 20-45-3-11 (repealed) for the school corporation's general fund. In order to distribute the money in the county aircraft excise tax fund to the taxing units of the county, the county auditor shall first allocate the money in the fund among the taxing districts of the county. In making these allocations, the county auditor shall allocate to a taxing district the excise taxes collected with respect to aircraft usually located in the taxing district when not in operation. Subject to this subsection, the money allocated to a taxing district shall be apportioned and distributed among the taxing units of that taxing district in the same manner and at the same time that the property taxes are apportioned and distributed **(subject to adjustment as provided in IC 36-8-19-7.5)**. For purposes of determining the distribution for a year under this section for a taxing unit, a state welfare and tuition support allocation shall be deducted from the total amount available for apportionment and distribution to taxing units under this section before any apportionment and distribution is made. The county auditor shall remit the state welfare and tuition support allocation to the treasurer of state for deposit as directed by the budget agency. The amount of the state welfare and tuition support allocation for a county for a particular year is equal to the result determined under STEP THREE of the following formula:

STEP ONE: Determine the result of the following:

(A) Separately for 2006, 2007, and 2008 for each taxing district in the county, determine the result of:

- (ii) the aggregate tax rate imposed in the taxing district for the same year.

(B) Determine the sum of the clause (A) amounts.

(C) Divide the clause (B) amount by three (3).

(D) Determine the result of:

- (i) the amount of excise taxes allocated to the taxing district that would otherwise be available for distribution to taxing units in the taxing district; multiplied by
- (ii) the clause (C) amount.

(E) Determine the sum of the clause (D) amounts for all taxing districts in the county.

STEP TWO: Determine the result of the following:

(A) Separately for 2006, 2007, and 2008 for each taxing district in the county, determine the result of:

- (i) the tuition support levy tax rate imposed in the

taxing district plus the tax rate imposed by the school corporation for the school corporation's special education preschool fund in the district; divided by (ii) the aggregate tax rate imposed in the taxing district for the same year.

(B) Determine the sum of the clause (A) amounts.

(C) Divide the clause (B) amount by three (3).

(D) Determine the result of:

(i) the amount of excise taxes allocated to the taxing district that would otherwise be available for distribution to taxing units in the taxing district; multiplied by

(ii) the clause (C) amount.

(E) Determine the sum of the clause (D) amounts for all taxing districts in the county.

STEP THREE: Determine the sum of the STEP ONE and STEP TWO amounts for the county.

If the boundaries of a taxing district change after the years for which a ratio is calculated under STEP ONE or STEP TWO, the budget agency shall establish a ratio for the new taxing district that reflects the tax rates imposed in the predecessor taxing districts.

(e) Within thirty (30) days following the receipt of excise taxes from the department, the county treasurer shall file a report with the county auditor concerning the aircraft excise taxes collected by the county treasurer. The county treasurer shall file the report on the form prescribed by the state board of accounts. The county treasurer shall, in the manner and at the times prescribed in IC 6-1.1-27, make a settlement with the county auditor for the aircraft excise taxes collected by the county treasurer. The county treasurer shall, in the manner prescribed by the state board of accounts, maintain records concerning the aircraft excise taxes received and distributed by ~~him~~ **the treasurer**.

SECTION 218. IC 6-6-6.5-23 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 23. **(a)** The department ~~may~~ **shall** require the owner of an airport or any person or persons leasing or subleasing space from an airport owner for the purpose of storing, renting, or selling aircraft to submit reports to the department listing the aircraft based at that airport. (c) On or before June 30, 2005, the city-county council may, by ordinance adopted by a majority of the members elected to the city-county council, increase the tax imposed under subsection (a) from two percent (2%) to four percent (4%). The ordinance must specify that:

(1) if on December 31, 2027, there are obligations owed by the capital improvement board of managers to the Indiana stadium and convention building authority or any state agency under IC 5-1-17-26, the original two percent (2%) rate imposed under subsection (a) continues to be levied after its original expiration date set forth in subsection (a) and through December 31, 2040; and

(2) the additional rate authorized under this subsection expires on:

(A) January 1, 2041;

So long as there are any current or future obligations owed by the capital improvement board of managers to the Indiana stadium and convention building authority created by IC 5-1-17 or any state agency pursuant to a lease or other agreement entered into between the capital improvement board of managers and the Indiana stadium and convention building authority or any state agency under IC 5-1-17-26, the capital improvement board of managers or its designee shall deposit the revenues received under this subsection in a special fund, which may be used only for the payment of the obligations described in this subsection.

**(e) Before September 1, 2009, the city-county council may, by ordinance adopted by a majority of the members elected to the city-county council, increase the tax rate imposed under subsection (a) by two percent (2%). The amount collected from an increase adopted under this subsection shall be deposited in the sports and convention facilities operating fund established by IC 36-7-31-16.**

~~(e)~~ **(f)** If a city-county council adopts an ordinance under subsection (a), ~~or~~ (c), ~~or~~ (e), the city-county council shall immediately send a certified copy of the ordinance to the

SECTION 220. IC 6-6-11-31, AS AMENDED BY P.L.146-2008, SECTION 357, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 31. (a) A boat excise tax fund is established in each county. Each county treasurer shall deposit in the fund the taxes received under this chapter.

(b) As used in this subsection, "taxing district" has the meaning set forth in IC 6-1.1-1-20, "taxing unit" has the meaning set forth in IC 6-1.1-1-21, and "tuition support levy" refers to a school corporation's tuition support property tax levy under IC 20-45-3-11 (repealed) for the school corporation's general fund. The excise tax money in the county boat excise tax fund shall be distributed to the taxing units of the county. The county auditor shall allocate the money in the fund among the taxing districts of the county based on the tax situs of each boat. Subject to this subsection, the money allocated to the taxing units shall be apportioned and distributed among the funds of the taxing units in the same manner and at the same time that property taxes are apportioned and distributed **(subject to adjustment as provided in IC 36-8-19-7.5)**. For purposes of determining the distribution for a year under this section for a taxing unit, a state welfare and tuition support allocation shall be deducted from the total amount available for apportionment and distribution to taxing units under this section before any apportionment and distribution is made. The county auditor shall remit the state welfare and tuition support allocation to the treasurer of state for deposit as directed by the budget agency. The amount of the state welfare and tuition support allocation for a county for a particular year is equal to the result determined under STEP THREE of the following formula:

STEP ONE: Determine the result of the following:

- (A) Separately for 2006, 2007, and 2008 for each taxing district in the county, determine the result of:
  - (i) the tax rate imposed in the taxing district for the county's county medical assistance to wards fund, family and children's fund, children's psychiatric residential treatment services fund, county hospital care for the indigent fund, children with special health care needs county fund, plus, in the case of Marion County, the tax rate imposed by the health and hospital corporation that was necessary to raise thirty-five million dollars (\$35,000,000) from all taxing districts in the county; divided by
  - (ii) the aggregate tax rate imposed in the taxing district for the same year.
- (B) Determine the sum of the clause (A) amounts.
- (C) Divide the clause (B) amount by three (3).

(D) Determine the result of:

- (i) the amount of excise taxes allocated to the taxing district that would otherwise be available for distribution to taxing units in the taxing district; multiplied by
- (ii) the clause (C) amount.

(E) Determine the sum of the clause (D) amounts for all taxing districts in the county.

STEP TWO: Determine the result of the following:

- (A) Separately for 2006, 2007, and 2008 for each taxing district in the county, determine the result of:
  - (i) the tuition support levy tax rate imposed in the taxing district plus the tax rate imposed by the school corporation for the school corporation's special education preschool fund in the district; divided by
  - (ii) the aggregate tax rate imposed in the taxing district for the same year.
- (B) Determine the sum of the clause (A) amounts.
- (C) Divide the clause (B) amount by three (3).
- (D) Determine the result of:
  - (i) the amount of excise taxes allocated to the taxing district that would otherwise be available for distribution to taxing units in the taxing district; multiplied by
  - (ii) the clause (C) amount.
- (E) Determine the sum of the clause (D) amounts for all taxing districts in the county.

STEP THREE: Determine the sum of the STEP ONE and STEP TWO amounts for the county.

If the boundaries of a taxing district change after the years for which a ratio is calculated under STEP ONE or STEP TWO, the budget agency shall establish a ratio for the new taxing district that reflects the tax rates imposed in the predecessor taxing districts.

SECTION 221. IC 6-7-1-28.1, AS AMENDED BY P.L.3-2008, SECTION 66, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 28.1. The taxes, registration fees, fines, or penalties collected under this chapter shall be deposited in the following manner:

~~(8) Two and forty-six hundredths percent (2.46%) of the money shall be deposited in the state general fund for the purpose of reimbursing the state general fund for a tax credit provided under IC 6-3.1-31.~~

The money in the cigarette tax fund, the mental health centers fund, the Indiana check-up plan trust fund, or the pension relief fund at the end of a fiscal year does not revert to the state general fund. However, if in any fiscal year, the amount allocated to a fund under subdivision (1) or (2) is less than the amount received in fiscal year 1977, then that fund shall be credited with the difference between the amount allocated and the amount received in fiscal year 1977, and the allocation for the fiscal year to the fund under subdivision (3) shall be reduced by the amount of that difference. Money deposited under subdivisions (6) through ~~(8)~~ **(7)** may not be used for any purpose other than the purpose stated in the subdivision.

SECTION 222. IC 6-8.1-3-4 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 4. The department has the sole authority to furnish forms used in the administration and collection of the listed taxes, **including reporting of information in an electronic format.**

If the evidence or witness is not located in Indiana or if the department does not know the location of the evidence or witness, the department may file the petition in a court of competent jurisdiction in Marion County. The petition to the court must state the evidence or testimony subpoenaed and must allege that the subpoena was served but that the person did not comply with the terms of that subpoena.

~~(d)~~ **(e)** Upon receiving a proper petition under subsection ~~(c)~~,

SECTION 230. IC 6-8.1-9-1, AS AMENDED BY P.L.131-2008, SECTION 30, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: **Sec. 1. (a) If a person has paid more tax than the person determines is legally due for a particular taxable period, the person may file a claim for a refund with the department. Except as provided in subsections (f) and (g), in order to obtain the refund, the person must file the claim with the department within three (3) years after the latter of the following:**

- (1) The due date of the return.
- (2) The date of payment.

The court may assess the court costs in any manner that it feels is equitable. The court may enjoin the collection of any of the listed taxes under IC 33-26-6-2. The court may also allow a refund of taxes, interest, and penalties that have been paid to and collected by the department.

(e) With respect to the motor vehicle excise tax, this section applies only to penalties and interest paid on assessments of the motor vehicle excise tax. Any other overpayment of the motor vehicle excise tax is subject to IC 6-6-5.

(f) If a taxpayer's federal income tax liability for a taxable year is modified by the Internal Revenue Service, and the modification would result in a reduction of the tax legally due, the due date by which the taxpayer must file a claim for refund with the department is the later of:

- (1) the date determined under subsection (a); or
- (2) the date that is six (6) months after the date on which the taxpayer is notified of the modification by the Internal Revenue Service.

(g) If an agreement to extend the assessment time period is entered into under ~~IC 6-8.1-5-2(g)~~, **IC 6-8.1-5-2(h)**, the period during which a person may file a claim for a refund under subsection (a) is extended to the same date to which the assessment time period is extended.

SECTION 231. IC 6-8.1-10-2.1, AS AMENDED BY P.L.211-2007, SECTION 44, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 2.1. (a) If a person:

- (1) fails to file a return for any of the listed taxes;

- (4) fails to timely remit any tax held in trust for the state; or
- (5) is required to make a payment by electronic funds transfer (as defined in IC 4-8.1-2-7), overnight courier, or personal delivery and the payment is not received by the department by the due date in funds acceptable to the department;

the person is subject to a penalty.

(b) Except as provided in subsection (g), the penalty described

in subsection (a) is ten percent (10%) of:

- (1) the full amount of the tax due if the person failed to file the return;
- (2) the amount of the tax not paid, if the person filed the return but failed to pay the full amount of the tax shown on the return;

- (4) the amount of deficiency as finally determined by the department; or
- (5) the amount of tax due if a person failed to make payment by electronic funds transfer, overnight courier, or personal delivery by the due date.

(c) For purposes of this section, the filing of a substantially blank or unsigned return does not constitute a return.

(d) If a person subject to the penalty imposed under this section can show that the failure to file a return, pay the full amount of tax shown on the person's return, timely remit tax held in trust, or pay the deficiency determined by the department was due to reasonable cause and not due to willful neglect, the department shall waive the penalty.

(e) A person who wishes to avoid the penalty imposed under this section must make an affirmative showing of all facts alleged as a reasonable cause for the person's failure to file the return, pay the amount of tax shown on the person's return, pay the deficiency, or timely remit tax held in trust, in a written statement containing a declaration that the statement is made under penalty of perjury. The statement must be filed with the return or payment within the time prescribed for protesting departmental assessments. A taxpayer may also avoid the penalty imposed under this section by obtaining a ruling from the department before the end of a particular tax period on the amount of tax due for that tax period.

(f) The department shall adopt rules under IC 4-22-2 to prescribe the circumstances that constitute reasonable cause and negligence for purposes of this section.

(g) A person who fails to file a return for a listed tax that shows no tax liability for a taxable year, other than an information return (as defined in section 6 of this chapter), on or before the due date of the return shall pay a penalty of ten dollars (\$10) for each day that the return is past due, up to a maximum of two hundred fifty dollars (\$250).

(h) A:

- (1) corporation which otherwise qualifies under IC 6-3-2-2.8(2); ~~but~~,
- (2) **partnership; or**
- (3) **trust;**

**that** fails to withhold and pay any amount of tax required to be withheld under **IC 6-3-4-12**, IC 6-3-4-13, **or IC 6-3-4-15** shall pay a penalty equal to twenty percent (20%) of the amount of tax required to be withheld under **IC 6-3-4-12**, IC 6-3-4-13, **or IC 6-3-4-15**. This penalty shall be in addition to any penalty imposed by section 6 of this chapter.

(i) Subsections (a) through (c) do not apply to a motor carrier fuel tax return.

(j) If a partnership or an S corporation fails to include all nonresidential individual partners or nonresidential individual shareholders in a composite return as required by IC 6-3-4-12(h)

or IC 6-3-4-13(j), a penalty of five hundred dollars (\$500) per partnership or S corporation is imposed on the partnership or S corporation.

(b) When a penalty is imposed under subsection (a), the department shall notify the person by mail that the check, credit card, debit card, or electronic funds transfer was not honored and that the person has ten (10) days after the date the notice is mailed to pay the tax and the penalty either in cash, by certified check, or other guaranteed payment. If the person fails to make the payment within the ten (10) day period, the penalty is increased to one hundred percent (100%) multiplied by the value of the check, credit card, debit card, or electronic funds transfer, or the unpaid tax, whichever is smaller.

**(c) If a person has been assessed a penalty under subsection (a) more than one (1) time, the department may require all future payments for all listed taxes to be remitted with guaranteed funds.**

**(d)** If the person subject to the penalty under this section can show that there is reasonable cause for the check, credit card, debit card, or electronic funds transfer not being honored, the department may waive the penalty imposed under this section.

located.

Sec. 6. A person who collects the admissions tax under section 5 of this chapter shall remit the tax collections to the city fiscal officer. The person shall remit the revenues collected during a particular month before the twentieth day of the following month. At the time the tax revenues are remitted, the person shall file an admissions tax return on the form prescribed by the city fiscal body.

Sec. 7. (a) If a tax is imposed under this chapter, the city fiscal body shall establish a city admissions tax fund.

Costs payable under this section include costs of capitalized interest and legal, accounting, and other costs incurred in the issuance of any bonds or the entering into of any leases.

(4) Payment of any access or connection fee imposed on the complex for access to the city's public sewer system, as long as the fee applies to all property owners served and is uniformly assessed within the city's corporate boundaries.

(4) must be based upon the value of the facilities leased; and

(5) may not create a debt of the city for purposes of the Constitution of the State of Indiana.

(d) A lease may be entered into by the city only after a public hearing with notice given in accordance with IC 5-3-1 at which all interested parties are provided the opportunity to be heard. After the public hearing, the executive may approve the execution of the lease on behalf of the city only if the executive finds that the service to be provided throughout the life of the lease will serve the public purpose of the city and is in the best interests of its residents. A lease approved by the executive must also be approved by an ordinance of the city fiscal body.

(e) Upon execution of a lease under this section, and after approval of the lease by the city fiscal body, the executive shall publish notice of the execution of the lease and the approval of the lease in accordance with IC 5-3-1.

the general assembly covenants with the city and the purchasers or owners of the bonds or other obligations described in this section that this chapter will not be repealed or amended in any manner that will adversely affect the

collection of the tax imposed under this chapter or the money deposited in the city admissions tax fund, as long as the principal of or interest on any bonds, or the lease rentals due under any lease, are unpaid.

SECTION 236. IC 8-16-3.1-0.5 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: **Sec. 0.5.** The definitions set forth in IC 8-16-3-1.5 apply throughout this chapter.

SECTION 237. IC 8-16-3.1-4 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: **Sec. 4.** (a) The executive of any eligible county may provide a major bridge fund in compliance with IC 6-1.1-41 to make available funding for the following purposes:

(1) The construction of major bridges.

(2) In Allen County, the construction, maintenance, and repair of bridges, approaches, and grade separations with respect to structures other than major bridges.

(b) The executive of any eligible county may levy a tax in compliance with IC 6-1.1-41 not to exceed three and thirty-three hundredths cents (\$0.0333) on each one hundred dollars (\$100) assessed valuation of all taxable personal and real property within the county to provide for the major bridge fund.

(c) The general assembly finds the following:

(1) Allen County eliminated its levy for a cumulative bridge fund to use its levy authority to fund a juvenile center.

(4) Allen County is the third largest populated county in Indiana.

(5) Allen County has a heavy manufacturing and industrial base, increasing traffic and wear and tear on streets, roads, and bridges.

(6) Allen County has large temperature fluctuations, leading to increased maintenance costs.

(7) Allen County has three (3) major rivers that come together in the heart of Fort Wayne, which means more bridges are needed in the area due to the infrastructure that accommodates Fort Wayne, the second largest city in Indiana.

(8) Allen County dissolved its cumulative bridge fund in 2002 to provide room in the levy for judicial mandates to build two (2) detention facilities, as the former jail was overcrowded due to the large population.

(9) Allen County has a major bridge fund that is provided to maintain major bridges, but can be used to fund smaller bridges and will not harm the ability of Allen County to pay for obligations caused by judicial mandates.

(10) Expansion of the purposes for Allen County's major bridge fund may be used in Allen County to meet the critical needs in Allen County for the maintenance

of bridges other than major bridges in the unincorporated areas of the county.

(d) Because of the findings set forth in subsection (c), beginning after June 30, 2009, in Allen County, the county executive is responsible for providing funds for all bridges within the county, including those in municipalities, except bridges on the state highway system.

SECTION 238. IC 8-16-3.1-5 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: **Sec. 5.** An appropriation from the major bridge fund in Allen County may be made without the approval of the department of local government finance if:

**(B) For calendar year 2010, the amount of education stabilization funds received by the school corporation in calendar year 2009 under Section 14002(a) of the federal American Recovery and Reinvestment Act of 2009 (ARRA).**

**(C) The amount of the annual decrease in federal aid to impacted areas from the year preceding the ensuing calendar year by three (3) years to the year preceding the ensuing calendar year by two (2) years.**

**STEP TWO: Subtract from the STEP ONE result an amount equal to the reduction in the school corporation's state tuition support under any combination of subsection (c) or IC 20-30-2-4.**

~~(b); (c)~~ **(c) A school corporation's previous year revenue must be reduced if:**

- (1) the school corporation's state tuition support for special education or career and technical education is reduced as a result of a complaint being filed with the department after December 31, 1988, because the school program overstated the number of children enrolled in special education programs or career and technical education programs; and
- (2) the school corporation's previous year revenue has not been reduced under this subsection more than one (1) time because of a given overstatement.

The amount of the reduction equals the amount the school corporation would have received in state tuition support for special education and career and technical education because of the overstatement.

~~(c); (d)~~ **(d) This section applies only to 2009.** A school corporation's previous year revenue must be reduced if an existing elementary or secondary school located in the school corporation converts to a charter school under IC 20-24-11. The amount of the reduction equals the product of:

- (1) the sum of the amounts distributed to the conversion charter school under IC 20-24-7-3(c) and IC 20-24-7-3(d) (as effective December 31, 2008); multiplied by
- (2) two (2).

(2) Determine the result of:

(A) the STEP TWO result; plus

(B) the subdivision (1) result.

The data to be used in making the calculations under STEP ONE must be the data collected in the annual pupil enrollment count by the department.

(A) an integrated coal gasification powerplant (as defined by IC 6-3.1-29-6);

(B) a part of an integrated coal gasification powerplant (as defined by IC 6-3.1-29-6); or

(C) property used in the operation or maintenance of an integrated coal gasification powerplant (as defined by IC 6-3.1-29-6);

that received a certificate of public convenience and necessity from the Indiana utility regulatory commission under IC 8-1-8.5 et seq. before July 1, 2008.

(f) The general assembly makes the following findings of fact with respect to an integrated coal gasification powerplant (as defined in IC 6-3.1-29-6) that received a certificate of public convenience and necessity from the Indiana utility regulatory commission under IC 8-1-8.5 et seq. before July 1, 2008:

(1) The health, safety, general welfare, and economic and energy security of the people of the state of Indiana require as a public purpose of the state the promotion of clean energy, including clean coal, technologies in Indiana.

(2) These technologies include the integrated coal gasification powerplant contemplated by this chapter, IC 6-1.1-20-1.1, and IC 36-7-14.

(3) Investment in the integrated coal gasification powerplant contemplated by this chapter, IC 6-1.1-20-1.1, and IC 36-7-14 will result in substantial financial and other benefits to the state and its political subdivisions and the people of Indiana, including increased employment, tax revenue, and use of Indiana coal.

(4) It is in the best interest of the state and its citizens to promote and preserve financial and other incentives for the integrated coal gasification powerplant.

SECTION 354. IC 36-7-14-25.1, AS AMENDED BY P.L.146-2008, SECTION 732, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 25.1. (a) In addition to other methods of raising money for property acquisition or redevelopment in a redevelopment project area, and in anticipation of the special tax to be levied under section 27 of this chapter, the taxes allocated under section 39 of this chapter, or other revenues of the district, or any combination of these sources, the redevelopment commission may, by resolution and subject to subsection (p), issue the bonds of the special taxing district in the name of the unit. The amount of the bonds may not exceed the total, as estimated by the commission, of all expenses reasonably incurred in connection with the acquisition and redevelopment of the property, including:

(1) the total cost of all land, rights-of-way, and other property to be acquired and redeveloped;

(2) all reasonable and necessary architectural, engineering,

legal, financing, accounting, advertising, bond discount, and supervisory expenses related to the acquisition and redevelopment of the property or the issuance of bonds;

(3) capitalized interest permitted by this chapter and a debt service reserve for the bonds to the extent the redevelopment commission determines that a reserve is reasonably required; and

(4) expenses that the redevelopment commission is required or permitted to pay under IC 8-23-17.

(b) If the redevelopment commission plans to acquire different parcels of land or let different contracts for redevelopment work at approximately the same time, whether under one (1) or more resolutions, the commission may provide for the total cost in one (1) issue of bonds.

(c) The bonds must be dated as set forth in the bond resolution and negotiable, subject to the requirements of the bond resolution for registering the bonds. The resolution authorizing the bonds must state:

(1) the denominations of the bonds;

(2) the place or places at which the bonds are payable; and

(3) the term of the bonds, which may not exceed:

(A) fifty (50) years, for bonds issued before July 1, 2008;

(B) thirty (30) years **after the date of the first principal payment**, for bonds issued after June 30, 2008, to finance:

(i) an integrated coal gasification powerplant (as defined in IC 6-3.1-29-6);

(ii) a part of an integrated coal gasification powerplant (as defined in IC 6-3.1-29-6); or

(iii) property used in the operation or maintenance of an integrated coal gasification powerplant (as defined in IC 6-3.1-29-6);

that received a certificate of public convenience and necessity from the Indiana utility regulatory commission under IC 8-1-8.5 et seq. before July 1, 2008; or

(C) twenty-five (25) years, for bonds issued after June 30, 2008, that are not described in clause (B).

The resolution may also state that the bonds are redeemable before maturity with or without a premium, as determined by the redevelopment commission.

(d) The redevelopment commission shall certify a copy of the resolution authorizing the bonds to the municipal or county fiscal officer, who shall then prepare the bonds, subject to subsection (p). The seal of the unit must be impressed on the bonds, or a facsimile of the seal must be printed on the bonds.

(e) The bonds must be executed by the appropriate officer of the unit and attested by the municipal or county fiscal officer.

(f) The bonds are exempt from taxation for all purposes.

(g) The municipal or county fiscal officer shall give notice of the sale of the bonds by publication in accordance with IC 5-3-1. The municipal fiscal officer, or county fiscal officer or executive, shall sell the bonds to the highest bidder, but may not sell them for less than ninety-seven percent (97%) of their par value. However, bonds payable solely or in part from tax proceeds allocated under section 39(b)(2) of this chapter, or other revenues of the district may be sold at a private negotiated sale.

(h) Except as provided in subsection (i), a redevelopment

commission may not issue the bonds when the total issue, including bonds already issued and to be issued, exceeds two percent (2%) of the adjusted value of the taxable property in the special taxing district, as determined under IC 36-1-15.

(i) The bonds are not a corporate obligation of the unit but are an indebtedness of the taxing district. The bonds and interest are payable, as set forth in the bond resolution of the redevelopment commission:

- (1) from a special tax levied upon all of the property in the taxing district, as provided by section 27 of this chapter;
- (2) from the tax proceeds allocated under section 39(b)(2) of this chapter;
- (3) from other revenues available to the redevelopment commission; or
- (4) from a combination of the methods stated in subdivisions (1) through (3).

If the bonds are payable solely from the tax proceeds allocated under section 39(b)(2) of this chapter, other revenues of the redevelopment commission, or any combination of these sources, they may be issued in any amount without limitation.

(j) Proceeds from the sale of bonds may be used to pay the cost of interest on the bonds for a period not to exceed five (5) years from the date of issuance.

(k) All laws relating to the giving of notice of the issuance of bonds, the giving of notice of a hearing on the appropriation of the proceeds of the bonds, the right of taxpayers to appear and be heard on the proposed appropriation, and the approval of the appropriation by the department of local government finance apply to all bonds issued under this chapter that are payable from the special benefits tax levied pursuant to section 27 of this chapter or from taxes allocated under section 39 of this chapter.

(l) All laws relating to:

- (1) the filing of petitions requesting the issuance of bonds; and
- (2) the right of:
  - (A) taxpayers and voters to remonstrate against the issuance of bonds in the case of a proposed bond issue described by IC 6-1.1-20-3.1(a); or
  - (B) voters to vote on the issuance of bonds in the case of a proposed bond issue described by IC 6-1.1-20-3.5(a);

apply to bonds issued under this chapter except for bonds payable solely from tax proceeds allocated under section 39(b)(2) of this chapter, other revenues of the redevelopment commission, or any combination of these sources.

(m) If a debt service reserve is created from the proceeds of bonds, the debt service reserve may be used to pay principal and interest on the bonds as provided in the bond resolution.

(n) Any amount remaining in the debt service reserve after all of the bonds of the issue for which the debt service reserve was established have matured shall be:

- (1) deposited in the allocation fund established under section 39(b)(2) of this chapter; and
- (2) to the extent permitted by law, transferred to the county or municipality that established the department of redevelopment for use in reducing the county's or municipality's property tax levies for debt service.

(o) If bonds are issued under this chapter that are payable solely or in part from revenues to the redevelopment commission

from a project or projects, the redevelopment commission may adopt a resolution or trust indenture or enter into covenants as is customary in the issuance of revenue bonds. The resolution or trust indenture may pledge or assign the revenues from the project or projects, but may not convey or mortgage any project or parts of a project. The resolution or trust indenture may also contain any provisions for protecting and enforcing the rights and remedies of the bond owners as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the redevelopment commission. The redevelopment commission may establish fees and charges for the use of any project and covenant with the owners of any bonds to set those fees and charges at a rate sufficient to protect the interest of the owners of the bonds. Any revenue bonds issued by the redevelopment commission that are payable solely from revenues of the commission shall contain a statement to that effect in the form of bond.

(p) If the total principal amount of bonds authorized by a resolution of the redevelopment commission adopted before July 1, 2008, is equal to or greater than three million dollars (\$3,000,000), the bonds may not be issued without the approval, by resolution, of the legislative body of the unit. Bonds authorized in any principal amount by a resolution of the redevelopment commission adopted after June 30, 2008, may not be issued without the approval of the legislative body of the unit.

SECTION 355. IC 36-7-14-25.2, AS AMENDED BY P.L.146-2008, SECTION 733, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 25.2. (a) A redevelopment commission may enter into a lease of any property that could be financed with the proceeds of bonds issued under this chapter with a lessor for a term not to exceed:

- (1) fifty (50) years, for a lease entered into before July 1, 2008; or
- (2) twenty-five (25) years **after the date of the first lease rental payment**, for a lease entered into after June 30, 2008.

The lease may provide for payments to be made by the redevelopment commission from special benefits taxes levied under section 27 of this chapter, taxes allocated under section 39 of this chapter, any other revenues available to the redevelopment commission, or any combination of these sources.

(b) A lease may provide that payments by the redevelopment commission to the lessor are required only to the extent and only for the period that the lessor is able to provide the leased facilities in accordance with the lease. The terms of each lease must be based upon the value of the facilities leased and may not create a debt of the unit or the district for purposes of the Constitution of the State of Indiana.

(c) A lease may be entered into by the redevelopment commission only after a public hearing by the redevelopment commission at which all interested parties are provided the opportunity to be heard. After the public hearing, the redevelopment commission may adopt a resolution authorizing the execution of the lease on behalf of the unit if it finds that the service to be provided throughout the term of the lease will serve the public purpose of the unit and is in the best interests of its residents. Any lease approved by a resolution of the redevelopment commission must be approved by an ordinance of

the fiscal body of the unit.

(d) Upon execution of a lease providing for payments by the redevelopment commission in whole or in part from the levy of special benefits taxes under section 27 of this chapter and upon approval of the lease by the unit's fiscal body, the redevelopment commission shall publish notice of the execution of the lease and its approval in accordance with IC 5-3-1. Fifty (50) or more taxpayers residing in the redevelopment district who will be affected by the lease and who may be of the opinion that no necessity exists for the execution of the lease or that the payments provided for in the lease are not fair and reasonable may file a petition in the office of the county auditor within thirty (30) days after the publication of the notice of execution and approval. The petition must set forth the petitioners' names, addresses, and objections to the lease and the facts showing that the execution of the lease is unnecessary or unwise or that the payments provided for in the lease are not fair and reasonable, as the case may be.

(e) Upon the filing of the petition, the county auditor shall immediately certify a copy of it, together with such other data as may be necessary in order to present the questions involved, to the department of local government finance. Upon receipt of the certified petition and information, the department of local government finance shall fix a time and place for a hearing in the redevelopment district, which must be not less than five (5) or more than thirty (30) days after the time is fixed. Notice of the hearing shall be given by the department of local government finance to the members of the fiscal body, to the redevelopment commission, and to the first fifty (50) petitioners on the petition by a letter signed by the commissioner or deputy commissioner of the department and enclosed with fully prepaid postage sent to those persons at their usual place of residence, at least five (5) days before the date of the hearing. The decision of the department of local government finance on the appeal, upon the necessity for the execution of the lease, and as to whether the payments under it are fair and reasonable, is final.

(f) A redevelopment commission entering into a lease payable from allocated taxes under section 39 of this chapter or other available funds of the redevelopment commission may:

- (1) pledge the revenue to make payments under the lease pursuant to IC 5-1-14-4; and
- (2) establish a special fund to make the payments.

(g) Lease rentals may be limited to money in the special fund so that the obligations of the redevelopment commission to make the lease rental payments are not considered debt of the unit or the district for purposes of the Constitution of the State of Indiana.

(h) Except as provided in this section, no approvals of any governmental body or agency are required before the redevelopment commission enters into a lease under this section.

(i) An action to contest the validity of the lease or to enjoin the performance of any of its terms and conditions must be brought within thirty (30) days after the publication of the notice of the execution and approval of the lease. However, if the lease is payable in whole or in part from tax levies and an appeal has been taken to the department of local government finance, an action to contest the validity or enjoin the performance must be brought within thirty (30) days after the decision of the

department.

(j) If a redevelopment commission exercises an option to buy a leased facility from a lessor, the redevelopment commission may subsequently sell the leased facility, without regard to any other statute, to the lessor at the end of the lease term at a price set forth in the lease or at fair market value established at the time of the sale by the redevelopment commission through auction, appraisal, or arms length negotiation. If the facility is sold at auction, after appraisal, or through negotiation, the redevelopment commission shall conduct a hearing after public notice in accordance with IC 5-3-1 before the sale. Any action to contest the sale must be brought within fifteen (15) days of the hearing.

SECTION 356. IC 36-7-14-39, AS AMENDED BY P.L.88-2009, SECTION 13, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 39. (a) As used in this section:

"Allocation area" means that part of a redevelopment project area to which an allocation provision of a declaratory resolution adopted under section 15 of this chapter refers for purposes of distribution and allocation of property taxes.

"Base assessed value" means the following:

- (1) If an allocation provision is adopted after June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing an economic development area:

(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(B) to the extent that it is not included in clause (A), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for any assessment date after the effective date of the allocation provision.

- (2) If an allocation provision is adopted after June 30, 1997, in a declaratory resolution or an amendment to a declaratory resolution establishing a redevelopment project area:

(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(B) to the extent that it is not included in clause (A), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for any assessment date after the effective date of the allocation provision.

- (3) If:

(A) an allocation provision adopted before June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing a redevelopment project area expires after June 30, 1997; and

(B) after June 30, 1997, a new allocation provision is

included in an amendment to the declaratory resolution; the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision adopted after June 30, 1997, as adjusted under subsection (h).

(4) Except as provided in subdivision (5), for all other allocation areas, the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h).

(5) If an allocation area established in an economic development area before July 1, 1995, is expanded after June 30, 1995, the definition in subdivision (1) applies to the expanded part of the area added after June 30, 1995.

(6) If an allocation area established in a redevelopment project area before July 1, 1997, is expanded after June 30, 1997, the definition in subdivision (2) applies to the expanded part of the area added after June 30, 1997.

Except as provided in section 39.3 of this chapter, "property taxes" means taxes imposed under IC 6-1.1 on real property. However, upon approval by a resolution of the redevelopment commission adopted before June 1, 1987, "property taxes" also includes taxes imposed under IC 6-1.1 on depreciable personal property. If a redevelopment commission adopted before June 1, 1987, a resolution to include within the definition of property taxes taxes imposed under IC 6-1.1 on depreciable personal property that has a useful life in excess of eight (8) years, the commission may by resolution determine the percentage of taxes imposed under IC 6-1.1 on all depreciable personal property that will be included within the definition of property taxes. However, the percentage included must not exceed twenty-five percent (25%) of the taxes imposed under IC 6-1.1 on all depreciable personal property.

(b) A declaratory resolution adopted under section 15 of this chapter on or before the allocation deadline determined under subsection (i) may include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section. A declaratory resolution previously adopted may include an allocation provision by the amendment of that declaratory resolution on or before the allocation deadline determined under subsection (i) in accordance with the procedures required for its original adoption. A declaratory resolution or an amendment that establishes an allocation provision after June 30, 1995, must specify an expiration date for the allocation provision. For an allocation area established before July 1, 2008, the expiration date may not be more than thirty (30) years after the date on which the allocation provision is established. For an allocation area established after June 30, 2008, the expiration date may not be more than twenty-five (25) years after the date on which the allocation provision is established. **first obligation was incurred to pay principal and interest on bonds or lease rentals on leases payable from tax increment revenues.** However, with respect to bonds or other obligations that were issued before July 1, 2008, if any of the bonds or other obligations that were scheduled when issued to mature before the specified expiration date and that are payable only from allocated tax proceeds with respect to the allocation area remain outstanding as of the

expiration date, the allocation provision does not expire until all of the bonds or other obligations are no longer outstanding. The allocation provision may apply to all or part of the redevelopment project area. The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

(1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(B) the base assessed value;

shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(2) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivision (1) shall be allocated to the redevelopment district and, when collected, paid into an allocation fund for that allocation area that may be used by the redevelopment district only to do one (1) or more of the following:

(A) Pay the principal of and interest on any obligations payable solely from allocated tax proceeds which are incurred by the redevelopment district for the purpose of financing or refinancing the redevelopment of that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area.

(C) Pay the principal of and interest on bonds payable from allocated tax proceeds in that allocation area and from the special tax levied under section 27 of this chapter.

(D) Pay the principal of and interest on bonds issued by the unit to pay for local public improvements that are physically located in or physically connected to that allocation area.

(E) Pay premiums on the redemption before maturity of bonds payable solely or in part from allocated tax proceeds in that allocation area.

(F) Make payments on leases payable from allocated tax proceeds in that allocation area under section 25.2 of this chapter.

(G) Reimburse the unit for expenditures made by it for local public improvements (which include buildings, parking facilities, and other items described in section 25.1(a) of this chapter) that are physically located in or physically connected to that allocation area.

(H) Reimburse the unit for rentals paid by it for a building or parking facility that is physically located in or physically connected to that allocation area under any lease entered into under IC 36-1-10.

(I) For property taxes first due and payable before January 1, 2009, pay all or a part of a property tax replacement credit to taxpayers in an allocation area as determined by the redevelopment commission. This credit equals the amount determined under the following

STEPS for each taxpayer in a taxing district (as defined in IC 6-1.1-1-20) that contains all or part of the allocation area:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) that is attributable to the taxing district.

STEP TWO: Divide:

- (i) that part of each county's eligible property tax replacement amount (as defined in IC 6-1.1-21-2) for that year as determined under IC 6-1.1-21-4 that is attributable to the taxing district; by
- (ii) the STEP ONE sum.

STEP THREE: Multiply:

- (i) the STEP TWO quotient; times
- (ii) the total amount of the taxpayer's taxes (as defined in IC 6-1.1-21-2) levied in the taxing district that have been allocated during that year to an allocation fund under this section.

If not all the taxpayers in an allocation area receive the credit in full, each taxpayer in the allocation area is entitled to receive the same proportion of the credit. A taxpayer may not receive a credit under this section and a credit under section 39.5 of this chapter (before its repeal) in the same year.

(J) Pay expenses incurred by the redevelopment commission for local public improvements that are in the allocation area or serving the allocation area. Public improvements include buildings, parking facilities, and other items described in section 25.1(a) of this chapter.

(K) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

- (i) in the allocation area; and
- (ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made.

(L) Pay the costs of carrying out an eligible efficiency project (as defined in IC 36-9-41-1.5) within the unit that established the redevelopment commission. However, property tax proceeds may be used under this clause to pay the costs of carrying out an eligible efficiency project only if those property tax proceeds exceed the amount necessary to do the following:

- (i) Make, when due, any payments required under clauses (A) through (K), including any payments of principal and interest on bonds and other obligations payable under this subdivision, any payments of premiums under this subdivision on the redemption

before maturity of bonds, and any payments on leases payable under this subdivision.

(ii) Make any reimbursements required under this subdivision.

(iii) Pay any expenses required under this subdivision.

(iv) Establish, augment, or restore any debt service reserve under this subdivision.

The allocation fund may not be used for operating expenses of the commission.

(3) Except as provided in subsection (g), before July 15 of each year the commission shall do the following:

(A) Determine the amount, if any, by which the assessed value of the taxable property in the allocation area for the most recent assessment date minus the base assessed value, when multiplied by the estimated tax rate of the allocation area, will exceed the amount of assessed value needed to produce the property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (2) plus the amount necessary for other purposes described in subdivision (2).

(B) Provide a written notice to the county auditor, the fiscal body of the county or municipality that established the department of redevelopment, and the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area. The notice must:

- (i) state the amount, if any, of excess assessed value that the commission has determined may be allocated to the respective taxing units in the manner prescribed in subdivision (1); or
- (ii) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the commission. The commission may not authorize an allocation of assessed value to the respective taxing units under this subdivision if to do so would endanger the interests of the holders of bonds described in subdivision (2) or lessors under section 25.3 of this chapter.

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by any taxing unit after the effective date of the allocation provision of the declaratory resolution is the lesser of:

- (1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or
- (2) the base assessed value.

(d) Property tax proceeds allocable to the redevelopment district under subsection (b)(2) may, subject to subsection (b)(3), be irrevocably pledged by the redevelopment district for payment as set forth in subsection (b)(2).

(e) Notwithstanding any other law, each assessor shall, upon petition of the redevelopment commission, reassess the taxable property situated upon or in, or added to, the allocation area, effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and formulation of the budget, tax rate, and tax levy for each political subdivision in which the property is located is the lesser of:

- (1) the assessed value of the property as valued without regard to this section; or
- (2) the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under IC 5-28-15, the unit that designated the allocation area shall create funds as specified in this subsection. A unit that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(2) shall establish an allocation fund for the purposes specified in subsection (b)(2) and a special zone fund. Such a unit shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund any amount in the allocation fund derived from property tax proceeds in excess of those described in subsection (b)(1) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(2) for the year. The amount sufficient for purposes specified in subsection (b)(2) for the year shall be determined based on the pro rata portion of such current property tax proceeds from the part of the enterprise zone that is within the allocation area as compared to all such current property tax proceeds derived from the allocation area. A unit that has no obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(2) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) in the fund derived from property tax proceeds in excess of those described in subsection (b)(1) from property located in the enterprise zone. The unit that creates the special zone fund shall use the fund (based on the recommendations of the urban enterprise association) for programs in job training, job enrichment, and basic skill development that are designed to benefit residents and employers in the enterprise zone or other purposes specified in subsection (b)(2), except that where reference is made in subsection (b)(2) to allocation area it shall refer for purposes of payments from the special zone fund only to that part of the allocation area that is also located in the enterprise zone. Those programs shall reserve at least one-half (1/2) of their enrollment in any session for residents of the enterprise zone.

(h) The state board of accounts and department of local government finance shall make the rules and prescribe the forms and procedures that they consider expedient for the implementation of this chapter. After each general reassessment under IC 6-1.1-4, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the general reassessment on the property tax proceeds allocated to the redevelopment district under this section. After each annual adjustment under IC 6-1.1-4-4.5, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the annual adjustment on the

property tax proceeds allocated to the redevelopment district under this section. However, the adjustments under this subsection may not include the effect of property tax abatements under IC 6-1.1-12.1, and these adjustments may not produce less property tax proceeds allocable to the redevelopment district under subsection (b)(2) than would otherwise have been received if the general reassessment or annual adjustment had not occurred. The department of local government finance may prescribe procedures for county and township officials to follow to assist the department in making the adjustments.

(i) The allocation deadline referred to in subsection (b) is determined in the following manner:

- (1) The initial allocation deadline is December 31, 2011.
- (2) Subject to subdivision (3), the initial allocation deadline and subsequent allocation deadlines are automatically extended in increments of five (5) years, so that allocation deadlines subsequent to the initial allocation deadline fall on December 31, 2016, and December 31 of each fifth year thereafter.
- (3) At least one (1) year before the date of an allocation deadline determined under subdivision (2), the general assembly may enact a law that:
  - (A) terminates the automatic extension of allocation deadlines under subdivision (2); and
  - (B) specifically designates a particular date as the final allocation deadline.

SECTION 357. IC 36-7-15.1-17, AS AMENDED BY P.L.146-2008, SECTION 751, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 17. (a) In addition to other methods of raising money for property acquisition or redevelopment in a redevelopment project area, and in anticipation of the special tax to be levied under section 19 of this chapter, the taxes allocated under section 26 of this chapter, or other revenues of the redevelopment district, the commission may, by resolution, issue the bonds of the redevelopment district in the name of the consolidated city and in accordance with IC 36-3-5-8. The amount of the bonds may not exceed the total, as estimated by the commission, of all expenses reasonably incurred in connection with the acquisition and redevelopment of the property, including:

- (1) the total cost of all land, rights-of-way, and other property to be acquired and redeveloped;
- (2) all reasonable and necessary architectural, engineering, legal, financing, accounting, advertising, bond discount, and supervisory expenses related to the acquisition and redevelopment of the property or the issuance of bonds;
- (3) capitalized interest permitted in this chapter and a debt service reserve for the bonds, to the extent that the redevelopment commission determines that a reserve is reasonably required;
- (4) the total cost of all clearing and construction work provided for in the resolution; and
- (5) expenses that the commission is required or permitted to pay under IC 8-23-17.

(b) If the commission plans to acquire different parcels of land or let different contracts for redevelopment work at approximately the same time, whether under one (1) or more resolutions, the commission may provide for the total cost in one

(1) issue of bonds.

(c) The bonds must be dated as set forth in the bond resolution and negotiable subject to the requirements of the bond resolution for the registration of the bonds. The resolution authorizing the bonds must state:

- (1) the denominations of the bonds;
- (2) the place or places at which the bonds are payable; and
- (3) the term of the bonds, which may not exceed:
  - (A) fifty (50) years, for bonds issued before July 1, 2008; or
  - (B) twenty-five (25) years **after the date of the first principal payment**, for bonds issued after June 30, 2008.

The resolution may also state that the bonds are redeemable before maturity with or without a premium, as determined by the commission.

(d) The commission shall certify a copy of the resolution authorizing the bonds to the fiscal officer of the consolidated city, who shall then prepare the bonds. The seal of the unit must be impressed on the bonds, or a facsimile of the seal must be printed on the bonds.

(e) The bonds shall be executed by the city executive and attested by the fiscal officer. The interest coupons, if any, shall be executed by the facsimile signature of the fiscal officer.

(f) The bonds are exempt from taxation as provided by IC 6-8-5.

(g) The city fiscal officer shall sell the bonds according to law. Notwithstanding IC 36-3-5-8, bonds payable solely or in part from tax proceeds allocated under section 26(b)(2) of this chapter or other revenues of the district may be sold at private negotiated sale and at a price or prices not less than ninety-seven percent (97%) of the par value.

(h) The bonds are not a corporate obligation of the city but are an indebtedness of the redevelopment district. The bonds and interest are payable:

- (1) from a special tax levied upon all of the property in the redevelopment district, as provided by section 19 of this chapter;
- (2) from the tax proceeds allocated under section 26(b)(2) of this chapter;
- (3) from other revenues available to the commission; or
- (4) from a combination of the methods stated in subdivisions (1) through (3);

and from any revenues of the designated project. If the bonds are payable solely from the tax proceeds allocated under section 26(b)(2) of this chapter, other revenues of the redevelopment commission, or any combination of these sources, they may be issued in any amount without limitation.

(i) Proceeds from the sale of the bonds may be used to pay the cost of interest on the bonds for a period not to exceed five (5) years from the date of issue.

(j) Notwithstanding IC 36-3-5-8, the laws relating to the filing of petitions requesting the issuance of bonds and the right of taxpayers and voters to remonstrate against, or vote on, the issuance of bonds applicable to bonds issued under this chapter do not apply to bonds payable solely or in part from tax proceeds allocated under section 26(b)(2) of this chapter, other revenues of the commission, or any combination of these sources.

(k) If bonds are issued under this chapter that are payable solely or in part from revenues to the commission from a project or projects, the commission may adopt a resolution or trust indenture or enter into covenants as is customary in the issuance of revenue bonds. The resolution or trust indenture may pledge or assign the revenues from the project or projects, but may not convey or mortgage any project or parts of a project. The resolution or trust indenture may also contain any provisions for protecting and enforcing the rights and remedies of the bond owners as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the commission. The commission may establish fees and charges for the use of any project and covenant with the owners of any bonds to set those fees and charges at a rate sufficient to protect the interest of the owners of the bonds. Any revenue bonds issued by the commission that are payable solely from revenues of the commission must contain a statement to that effect in the form of bond.

SECTION 358. IC 36-7-15.1-17.1, AS AMENDED BY P.L.146-2008, SECTION 752, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 17.1. (a) A commission may enter into a lease of any property that may be financed with the proceeds of bonds issued under this chapter with a lessor for a term not to exceed:

- (1) fifty (50) years, for a lease entered into before July 1, 2008; or
- (2) twenty-five (25) years **after the date of the first lease rental payment**, for a lease entered into after June 30, 2008.

The lease may provide for payments to be made by the commission from special benefits taxes levied under section 19 of this chapter, taxes allocated under section 26 of this chapter, any other revenue available to the commission, or any combination of these sources.

(b) A lease may provide that payments by the commission to the lessor are required only to the extent and only for the period that the lessor is able to provide the leased facilities in accordance with the lease. The terms of each lease must be based upon the value of the facilities leased and may not create a debt of the unit or the district for purposes of the Constitution of the State of Indiana.

(c) A lease may be entered into by the commission only after a public hearing by the commission at which all interested parties are given the opportunity to be heard. Notice of the hearing must be given by publication in accordance with IC 5-3-1. After the public hearing, the commission may adopt a resolution authorizing the execution of the lease on behalf of the unit if it finds that the service to be provided throughout the term of the lease will serve the public purpose of the unit and is in the best interests of its residents. Any lease approved by a resolution of the commission must be approved by an ordinance of the fiscal body of the unit.

(d) Upon execution of a lease providing for payments by the commission in whole or in part from the levy of special benefits taxes under section 19 of this chapter and upon approval of the lease by the fiscal body, the commission shall publish notice of the execution of the lease and its approval in accordance with IC 5-3-1. Fifty (50) or more taxpayers residing in the district who

will be affected by the lease and who may be of the opinion that no necessity exists for the execution of the lease or that the payments provided for in the lease are not fair and reasonable may file a petition in the office of the county auditor within thirty (30) days after the publication of the notice of execution and approval. The petition must set forth the petitioners' names, addresses, and objections to the lease and the facts showing that the execution of the lease is unnecessary or unwise or that the payments provided for in the lease are not fair and reasonable, as the case may be. Upon the filing of the petition, the county auditor shall immediately certify a copy of it, together with such other data as may be necessary in order to present the questions involved, to the department of local government finance. Upon receipt of the certified petition and information, the department of local government finance shall fix a time and place for the hearing in the redevelopment district, which must be not less than five (5) or more than thirty (30) days after the time for the hearing is fixed. Notice of the hearing shall be given by the department of local government finance to the members of the fiscal body, to the commission, and to the first fifty (50) petitioners on the petition by a letter signed by the commissioner or deputy commissioner of the department and enclosed with fully prepaid postage sent to those persons at their usual place of residence, at least five (5) days before the date of the hearing. The decision of the department of local government finance on the appeal, upon the necessity for the execution of the lease and as to whether the payments under it are fair and reasonable, is final.

(e) A commission entering into a lease payable from allocated taxes under section 26 of this chapter or revenues or other available funds of the commission may:

- (1) pledge the revenue to make payments under the lease pursuant to IC 5-1-14-4; and
- (2) establish a special fund to make the payments.

Lease rentals may be limited to money in the special fund so that the obligations of the commission to make the lease rental payments are not considered a debt of the unit or the district for purposes of the Constitution of the State of Indiana.

(f) Except as provided in this section, no approvals of any governmental body or agency are required before the commission enters into a lease under this section.

(g) An action to contest the validity of the lease or to enjoin the performance of any of its terms and conditions must be brought within thirty (30) days after the publication of the notice of the execution and approval of the lease. However, if the lease is payable in whole or in part from tax levies and an appeal has been taken to the department of local government finance, an action to contest the validity or to enjoin performance must be brought within thirty (30) days after the decision of the department.

(h) If a commission exercises an option to buy a leased facility from a lessor, the commission may subsequently sell the leased facility, without regard to any other statute, to the lessor at the end of the lease term at a price set forth in the lease or at fair market value established at the time of the sale by the commission through auction, appraisal, or arms length negotiation. If the facility is sold at auction, after appraisal, or through negotiation, the commission shall conduct a hearing after

public notice in accordance with IC 5-3-1 before the sale. Any action to contest the sale must be brought within fifteen (15) days after the hearing.

SECTION 359. IC 36-7-15.1-26, AS AMENDED BY P.L.88-2009, SECTION 14, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 26. (a) As used in this section:

"Allocation area" means that part of a redevelopment project area to which an allocation provision of a resolution adopted under section 8 of this chapter refers for purposes of distribution and allocation of property taxes.

"Base assessed value" means the following:

- (1) If an allocation provision is adopted after June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing an economic development area:

(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(B) to the extent that it is not included in clause (A), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for any assessment date after the effective date of the allocation provision.

- (2) If an allocation provision is adopted after June 30, 1997, in a declaratory resolution or an amendment to a declaratory resolution establishing a redevelopment project area:

(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(B) to the extent that it is not included in clause (A), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for any assessment date after the effective date of the allocation provision.

- (3) If:

(A) an allocation provision adopted before June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing a redevelopment project area expires after June 30, 1997; and

(B) after June 30, 1997, a new allocation provision is included in an amendment to the declaratory resolution; the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision adopted after June 30, 1997, as adjusted under subsection (h).

- (4) Except as provided in subdivision (5), for all other allocation areas, the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h).

(5) If an allocation area established in an economic development area before July 1, 1995, is expanded after June 30, 1995, the definition in subdivision (1) applies to the expanded part of the area added after June 30, 1995.

(6) If an allocation area established in a redevelopment project area before July 1, 1997, is expanded after June 30, 1997, the definition in subdivision (2) applies to the expanded part of the area added after June 30, 1997.

Except as provided in section 26.2 of this chapter, "property taxes" means taxes imposed under IC 6-1.1 on real property. However, upon approval by a resolution of the redevelopment commission adopted before June 1, 1987, "property taxes" also includes taxes imposed under IC 6-1.1 on depreciable personal property. If a redevelopment commission adopted before June 1, 1987, a resolution to include within the definition of property taxes taxes imposed under IC 6-1.1 on depreciable personal property that has a useful life in excess of eight (8) years, the commission may by resolution determine the percentage of taxes imposed under IC 6-1.1 on all depreciable personal property that will be included within the definition of property taxes. However, the percentage included must not exceed twenty-five percent (25%) of the taxes imposed under IC 6-1.1 on all depreciable personal property.

(b) A resolution adopted under section 8 of this chapter on or before the allocation deadline determined under subsection (i) may include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section. A resolution previously adopted may include an allocation provision by the amendment of that resolution on or before the allocation deadline determined under subsection (i) in accordance with the procedures required for its original adoption. A declaratory resolution or an amendment that establishes an allocation provision after June 30, 1995, must specify an expiration date for the allocation provision. For an allocation area established before July 1, 2008, the expiration date may not be more than thirty (30) years after the date on which the allocation provision is established. For an allocation area established after June 30, 2008, the expiration date may not be more than twenty-five (25) years after the date on which the allocation provision is established. **first obligation was incurred to pay principal and interest on bonds or lease rentals on leases payable from tax increment revenues.** However, with respect to bonds or other obligations that were issued before July 1, 2008, if any of the bonds or other obligations that were scheduled when issued to mature before the specified expiration date and that are payable only from allocated tax proceeds with respect to the allocation area remain outstanding as of the expiration date, the allocation provision does not expire until all of the bonds or other obligations are no longer outstanding. The allocation provision may apply to all or part of the redevelopment project area. The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

(1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment

date with respect to which the allocation and distribution is made; or

(B) the base assessed value;

shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(2) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivision (1) shall be allocated to the redevelopment district and, when collected, paid into a special fund for that allocation area that may be used by the redevelopment district only to do one (1) or more of the following:

(A) Pay the principal of and interest on any obligations payable solely from allocated tax proceeds that are incurred by the redevelopment district for the purpose of financing or refinancing the redevelopment of that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area.

(C) Pay the principal of and interest on bonds payable from allocated tax proceeds in that allocation area and from the special tax levied under section 19 of this chapter.

(D) Pay the principal of and interest on bonds issued by the consolidated city to pay for local public improvements that are physically located in or physically connected to that allocation area.

(E) Pay premiums on the redemption before maturity of bonds payable solely or in part from allocated tax proceeds in that allocation area.

(F) Make payments on leases payable from allocated tax proceeds in that allocation area under section 17.1 of this chapter.

(G) Reimburse the consolidated city for expenditures for local public improvements (which include buildings, parking facilities, and other items set forth in section 17 of this chapter) that are physically located in or physically connected to that allocation area.

(H) Reimburse the unit for rentals paid by it for a building or parking facility that is physically located in or physically connected to that allocation area under any lease entered into under IC 36-1-10.

(I) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

(i) in the allocation area; and

(ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made.

(J) Pay the costs of carrying out an eligible efficiency

project (as defined in IC 36-9-41-1.5) within the unit that established the redevelopment commission. However, property tax proceeds may be used under this clause to pay the costs of carrying out an eligible efficiency project only if those property tax proceeds exceed the amount necessary to do the following:

- (i) Make, when due, any payments required under clauses (A) through (I), including any payments of principal and interest on bonds and other obligations payable under this subdivision, any payments of premiums under this subdivision on the redemption before maturity of bonds, and any payments on leases payable under this subdivision.
- (ii) Make any reimbursements required under this subdivision.
- (iii) Pay any expenses required under this subdivision.
- (iv) Establish, augment, or restore any debt service reserve under this subdivision.

The special fund may not be used for operating expenses of the commission.

(3) Before July 15 of each year, the commission shall do the following:

(A) Determine the amount, if any, by which the assessed value of the taxable property in the allocation area for the most recent assessment date minus the base assessed value, when multiplied by the estimated tax rate of the allocation area, will exceed the amount of assessed value needed to provide the property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (2) plus the amount necessary for other purposes described in subdivision (2) and subsection (g).

(B) Provide a written notice to the county auditor, the legislative body of the consolidated city, and the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area. The notice must:

- (i) state the amount, if any, of excess assessed value that the commission has determined may be allocated to the respective taxing units in the manner prescribed in subdivision (1); or
- (ii) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the commission. The commission may not authorize an allocation to the respective taxing units under this subdivision if to do so would endanger the interests of the holders of bonds described in subdivision (2).

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by any taxing unit after the effective date of the allocation provision of the

resolution is the lesser of:

- (1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or
- (2) the base assessed value.

(d) Property tax proceeds allocable to the redevelopment district under subsection (b)(2) may, subject to subsection (b)(3), be irrevocably pledged by the redevelopment district for payment as set forth in subsection (b)(2).

(e) Notwithstanding any other law, each assessor shall, upon petition of the commission, reassess the taxable property situated upon or in, or added to, the allocation area, effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and formulation of the budget, tax rate, and tax levy for each political subdivision in which the property is located is the lesser of:

- (1) the assessed value of the property as valued without regard to this section; or
- (2) the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under IC 5-28-15, the unit that designated the allocation area shall create funds as specified in this subsection. A unit that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(2) shall establish an allocation fund for the purposes specified in subsection (b)(2) and a special zone fund. Such a unit shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund the amount in the allocation fund derived from property tax proceeds in excess of those described in subsection (b)(1) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(2) for the year. A unit that has no obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(2) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) in the fund derived from property tax proceeds in excess of those described in subsection (b)(1) from property located in the enterprise zone. The unit that creates the special zone fund shall use the fund, based on the recommendations of the urban enterprise association, for one (1) or more of the following purposes:

- (1) To pay for programs in job training, job enrichment, and basic skill development designed to benefit residents and employers in the enterprise zone. The programs must reserve at least one-half (1/2) of the enrollment in any session for residents of the enterprise zone.
- (2) To make loans and grants for the purpose of stimulating business activity in the enterprise zone or providing employment for enterprise zone residents in the enterprise zone. These loans and grants may be made to the following:

- (A) Businesses operating in the enterprise zone.
- (B) Businesses that will move their operations to the enterprise zone if such a loan or grant is made.
- (3) To provide funds to carry out other purposes specified in subsection (b)(2). However, where reference is made in

subsection (b)(2) to the allocation area, the reference refers for purposes of payments from the special zone fund only to that part of the allocation area that is also located in the enterprise zone.

(h) The state board of accounts and department of local government finance shall make the rules and prescribe the forms and procedures that they consider expedient for the implementation of this chapter. After each general reassessment under IC 6-1.1-4, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the general reassessment on the property tax proceeds allocated to the redevelopment district under this section. After each annual adjustment under IC 6-1.1-4-4.5, the department of local government finance shall adjust the base assessed value to neutralize any effect of the annual adjustment on the property tax proceeds allocated to the redevelopment district under this section. However, the adjustments under this subsection may not include the effect of property tax abatements under IC 6-1.1-12.1, and these adjustments may not produce less property tax proceeds allocable to the redevelopment district under subsection (b)(2) than would otherwise have been received if the general reassessment or annual adjustment had not occurred. The department of local government finance may prescribe procedures for county and township officials to follow to assist the department in making the adjustments.

(i) The allocation deadline referred to in subsection (b) is determined in the following manner:

(1) The initial allocation deadline is December 31, 2011.

(2) Subject to subdivision (3), the initial allocation deadline and subsequent allocation deadlines are automatically extended in increments of five (5) years, so that allocation deadlines subsequent to the initial allocation deadline fall on December 31, 2016, and December 31 of each fifth year thereafter.

(3) At least one (1) year before the date of an allocation deadline determined under subdivision (2), the general assembly may enact a law that:

(A) terminates the automatic extension of allocation deadlines under subdivision (2); and

(B) specifically designates a particular date as the final allocation deadline.

SECTION 360. IC 36-7-15.1-45, AS AMENDED BY P.L.146-2008, SECTION 762, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 45. (a) In addition to other methods of raising money for property acquisition or redevelopment in a redevelopment project area, and in anticipation of the special tax to be levied under section 50 of this chapter, the taxes allocated under section 53 of this chapter, or other revenues of the redevelopment district, a commission may, by resolution, issue the bonds of its redevelopment district in the name of the excluded city. The amount of the bonds may not exceed the total, as estimated by the commission, of all expenses reasonably incurred in connection with the acquisition and redevelopment of the property, including:

(1) the total cost of all land, rights-of-way, and other property to be acquired and redeveloped;

(2) all reasonable and necessary architectural, engineering,

legal, financing, accounting, advertising, bond discount, and supervisory expenses related to the acquisition and redevelopment of the property or the issuance of bonds;

(3) capitalized interest permitted in this chapter and a debt service reserve for the bonds, to the extent that the redevelopment commission determines that a reserve is reasonably required;

(4) the total cost of all clearing and construction work provided for in the resolution; and

(5) expenses that the commission is required or permitted to pay under IC 8-23-17.

(b) If a commission plans to acquire different parcels of land or let different contracts for redevelopment work at approximately the same time, whether under one (1) or more resolutions, a commission may provide for the total cost in one (1) issue of bonds.

(c) The bonds must be dated as set forth in the bond resolution and negotiable subject to the requirements concerning registration of the bonds. The resolution authorizing the bonds must state:

(1) the denominations of the bonds;

(2) the place or places at which the bonds are payable; and

(3) the term of the bonds, which may not exceed:

(A) fifty (50) years, for bonds issued before July 1, 2008; or

(B) twenty-five (25) years **after the date of the first principal payment**, for bonds issued after June 30, 2008.

The resolution may also state that the bonds are redeemable before maturity with or without a premium, as determined by the commission.

(d) The commission shall certify a copy of the resolution authorizing the bonds to the fiscal officer of the excluded city, who shall then prepare the bonds. The seal of the unit must be impressed on the bonds, or a facsimile of the seal must be printed on the bonds.

(e) The bonds shall be executed by the excluded city executive and attested by the excluded city fiscal officer. The interest coupons, if any, shall be executed by the facsimile signature of the excluded city fiscal officer.

(f) The bonds are exempt from taxation as provided by IC 6-8-5.

(g) The excluded city fiscal officer shall sell the bonds according to law. Bonds payable solely or in part from tax proceeds allocated under section 53(b)(2) of this chapter or other revenues of the district may be sold at private negotiated sale and at a price or prices not less than ninety-seven percent (97%) of the par value.

(h) The bonds are not a corporate obligation of the excluded city but are an indebtedness of the redevelopment district. The bonds and interest are payable:

(1) from a special tax levied upon all of the property in the redevelopment district, as provided by section 50 of this chapter;

(2) from the tax proceeds allocated under section 53(b)(2) of this chapter;

(3) from other revenues available to the commission; or

(4) from a combination of the methods described in

subdivisions (1) through (3); and from any revenues of the designated project. If the bonds are payable solely from the tax proceeds allocated under section 53(b)(2) of this chapter, other revenues of the redevelopment commission, or any combination of these sources, they may be issued in any amount without limitation.

(i) Proceeds from the sale of the bonds may be used to pay the cost of interest on the bonds for a period not to exceed five (5) years from the date of issue.

(j) The laws relating to the filing of petitions requesting the issuance of bonds and the right of taxpayers and voters to remonstrate against, or vote on, the issuance of bonds applicable to bonds issued under this chapter do not apply to bonds payable solely or in part from tax proceeds allocated under section 53(b)(2) of this chapter, other revenues of the commission, or any combination of these sources.

(k) If bonds are issued under this chapter that are payable solely or in part from revenues to a commission from a project or projects, a commission may adopt a resolution or trust indenture or enter into covenants as is customary in the issuance of revenue bonds. The resolution or trust indenture may pledge or assign the revenues from the project or projects but may not convey or mortgage any project or parts of a project. The resolution or trust indenture may also contain any provisions for protecting and enforcing the rights and remedies of the bond owners as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the commission. The commission may establish fees and charges for the use of any project and covenant with the owners of bonds to set those fees and charges at a rate sufficient to protect the interest of the owners of the bonds. Any revenue bonds issued by the commission that are payable solely from revenues of the commission must contain a statement to that effect in the form of bond.

SECTION 361. IC 36-7-15.1-46, AS AMENDED BY P.L.146-2008, SECTION 763, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 46. (a) A commission may enter into a lease of any property that may be financed with the proceeds of bonds issued under section 45 of this chapter with a lessor for a term not to exceed:

- (1) fifty (50) years, for a lease entered into before July 1, 2008; or
- (2) twenty-five (25) years **after the date of the first lease rental payment**, for a lease entered into after June 30, 2008.

The lease may provide for payments to be made by the commission from special benefits taxes levied under section 50 of this chapter, taxes allocated under section 53 of this chapter, any other revenue available to the commission, or any combination of these sources.

(b) A lease may provide that payments by the commission to the lessor are required only to the extent and only for the period that the lessor is able to provide the leased facilities in accordance with the lease. The terms of each lease must be based upon the value of the facilities leased and may not create a debt of the unit or the district for purposes of the Constitution of the State of Indiana.

(c) A lease may be entered into by the commission only after

a public hearing by the commission at which all interested parties are given the opportunity to be heard. Notice of the hearing must be given by publication in accordance with IC 5-3-1. After the public hearing, the commission may adopt a resolution authorizing the execution of the lease on behalf of the unit if it finds that the service to be provided throughout the term of the lease will serve the public purpose of the unit and is in the best interests of its residents. Any lease approved by a resolution of the commission must be approved by an ordinance of the fiscal body of the excluded city.

(d) Upon execution of a lease providing for payments by the commission in whole or in part from the levy of special benefits taxes under section 50 of this chapter and upon approval of the lease by the fiscal body, the commission shall publish notice of the execution of the lease and its approval in accordance with IC 5-3-1. Fifty (50) or more taxpayers residing in the district who will be affected by the lease and who may be of the opinion that no necessity exists for the execution of the lease or that the payments provided for in the lease are not fair and reasonable may file a petition in the office of the county auditor within thirty (30) days after the publication of the notice of execution and approval. The petition must set forth the petitioners' names, addresses, and objections to the lease and the facts showing that the execution of the lease is unnecessary or unwise or that the payments provided for in the lease are not fair and reasonable, as the case may be. Upon the filing of the petition, the county auditor shall immediately certify a copy of the petition, together with such other data as may be necessary in order to present the questions involved, to the department of local government finance. Upon receipt of the certified petition and information, the department of local government finance shall fix a time and place for the hearing in the redevelopment district, which must not be less than five (5) or more than thirty (30) days after the time for the hearing is fixed. Notice of the hearing shall be given by the department of local government finance to the members of the fiscal body, to the commission, and to the first fifty (50) petitioners on the petition by a letter signed by the commissioner or deputy commissioner of the department and enclosed with fully prepaid postage sent to those persons at their usual place of residence, at least five (5) days before the date of the hearing. The decision of the department of local government finance on the appeal, upon the necessity for the execution of the lease and as to whether the payments under it are fair and reasonable, is final.

(e) A commission entering into a lease payable from allocated taxes under section 53 of this chapter or revenues or other available funds of the commission may:

- (1) pledge the revenue to make payments under the lease as provided in IC 5-1-14-4; and
- (2) establish a special fund to make the payments.

Lease rentals may be limited to money in the special fund so that the obligations of the commission to make the lease rental payments are not considered a debt of the unit or the district for purposes of the Constitution of the State of Indiana.

(f) Except as provided in this section, no approvals of any governmental body or agency are required before the commission enters into a lease under this section.

(g) An action to contest the validity of the lease or to enjoin

the performance of any of its terms and conditions must be brought within thirty (30) days after the publication of the notice of the execution and approval of the lease. However, if the lease is payable in whole or in part from tax levies and an appeal has been taken to the department of local government finance, an action to contest the validity or to enjoin performance must be brought within thirty (30) days after the decision of the department of local government finance.

(h) If a commission exercises an option to buy a leased facility from a lessor, the commission may subsequently sell the leased facility, without regard to any other statute, to the lessor at the end of the lease term at a price set forth in the lease or at fair market value established at the time of the sale by the commission through auction, appraisal, or arms length negotiation. If the facility is sold at auction, after appraisal, or through negotiation, the commission shall conduct a hearing after public notice in accordance with IC 5-3-1 before the sale. Any action to contest the sale must be brought within fifteen (15) days after the hearing.

SECTION 362. IC 36-7-15.1-53, AS AMENDED BY P.L.146-2008, SECTION 765, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 53. (a) As used in this section:

"Allocation area" means that part of a redevelopment project area to which an allocation provision of a resolution adopted under section 40 of this chapter refers for purposes of distribution and allocation of property taxes.

"Base assessed value" means:

- (1) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus
- (2) to the extent that it is not included in subdivision (1), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for any assessment date after the effective date of the allocation provision.

Except as provided in section 55 of this chapter, "property taxes" means taxes imposed under IC 6-1.1 on real property.

(b) A resolution adopted under section 40 of this chapter on or before the allocation deadline determined under subsection (i) may include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section. A resolution previously adopted may include an allocation provision by the amendment of that resolution on or before the allocation deadline determined under subsection (i) in accordance with the procedures required for its original adoption. A declaratory resolution or an amendment that establishes an allocation provision must be approved by resolution of the legislative body of the excluded city and must specify an expiration date for the allocation provision. For an allocation area established before July 1, 2008, the expiration date may not be more than thirty (30) years after the date on which the allocation provision is established. For an allocation area established after June 30, 2008, the expiration date may not be more than twenty-five (25) years after the date on which the

~~allocation provision is established. first obligation was incurred to pay principal and interest on bonds or lease rentals on leases payable from tax increment revenues.~~ However, with respect to bonds or other obligations that were issued before July 1, 2008, if any of the bonds or other obligations that were scheduled when issued to mature before the specified expiration date and that are payable only from allocated tax proceeds with respect to the allocation area remain outstanding as of the expiration date, the allocation provision does not expire until all of the bonds or other obligations are no longer outstanding. The allocation provision may apply to all or part of the redevelopment project area. The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

(1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(B) the base assessed value;

shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(2) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivision (1) shall be allocated to the redevelopment district and, when collected, paid into a special fund for that allocation area that may be used by the redevelopment district only to do one (1) or more of the following:

(A) Pay the principal of and interest on any obligations payable solely from allocated tax proceeds that are incurred by the redevelopment district for the purpose of financing or refinancing the redevelopment of that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area.

(C) Pay the principal of and interest on bonds payable from allocated tax proceeds in that allocation area and from the special tax levied under section 50 of this chapter.

(D) Pay the principal of and interest on bonds issued by the excluded city to pay for local public improvements that are physically located in or physically connected to that allocation area.

(E) Pay premiums on the redemption before maturity of bonds payable solely or in part from allocated tax proceeds in that allocation area.

(F) Make payments on leases payable from allocated tax proceeds in that allocation area under section 46 of this chapter.

(G) Reimburse the excluded city for expenditures for local public improvements (which include buildings, park facilities, and other items set forth in section 45 of this chapter) that are physically located in or physically connected to that allocation area.

(H) Reimburse the unit for rentals paid by it for a

building or parking facility that is physically located in or physically connected to that allocation area under any lease entered into under IC 36-1-10.

(I) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

- (i) in the allocation area; and
- (ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made.

The special fund may not be used for operating expenses of the commission.

(3) Before July 15 of each year, the commission shall do the following:

(A) Determine the amount, if any, by which the assessed value of the taxable property in the allocation area for the most recent assessment date minus the base assessed value, when multiplied by the estimated tax rate of the allocation area, will exceed the amount of assessed value needed to provide the property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (2) plus the amount necessary for other purposes described in subdivision (2) and subsection (g).

(B) Provide a written notice to the county auditor, the fiscal body of the county or municipality that established the department of redevelopment, and the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area. The notice must:

- (i) state the amount, if any, of excess assessed value that the commission has determined may be allocated to the respective taxing units in the manner prescribed in subdivision (1); or
- (ii) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the commission. The commission may not authorize an allocation to the respective taxing units under this subdivision if to do so would endanger the interests of the holders of bonds described in subdivision (2).

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by any taxing unit after the effective date of the allocation provision of the

resolution is the lesser of:

- (1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or
- (2) the base assessed value.

(d) Property tax proceeds allocable to the redevelopment district under subsection (b)(2) may, subject to subsection (b)(3), be irrevocably pledged by the redevelopment district for payment as set forth in subsection (b)(2).

(e) Notwithstanding any other law, each assessor shall, upon petition of the commission, reassess the taxable property situated upon or in, or added to, the allocation area, effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and formulation of the budget, tax rate, and tax levy for each political subdivision in which the property is located, is the lesser of:

- (1) the assessed value of the property as valued without regard to this section; or
- (2) the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under IC 5-28-15, the unit that designated the allocation area shall create funds as specified in this subsection. A unit that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(2) shall establish an allocation fund for the purposes specified in subsection (b)(2) and a special zone fund. Such a unit shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund the amount in the allocation fund derived from property tax proceeds in excess of those described in subsection (b)(1) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(2) for the year. A unit that has no obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(2) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) in the fund derived from property tax proceeds in excess of those described in subsection (b)(1) from property located in the enterprise zone. The unit that creates the special zone fund shall use the fund, based on the recommendations of the urban enterprise association, for one (1) or more of the following purposes:

- (1) To pay for programs in job training, job enrichment, and basic skill development designed to benefit residents and employers in the enterprise zone. The programs must reserve at least one-half (1/2) of the enrollment in any session for residents of the enterprise zone.
- (2) To make loans and grants for the purpose of stimulating business activity in the enterprise zone or providing employment for enterprise zone residents in an enterprise zone. These loans and grants may be made to the following:

- (A) Businesses operating in the enterprise zone.
- (B) Businesses that will move their operations to the enterprise zone if such a loan or grant is made.
- (3) To provide funds to carry out other purposes specified in subsection (b)(2). However, where reference is made in

subsection (b)(2) to the allocation area, the reference refers, for purposes of payments from the special zone fund, only to that part of the allocation area that is also located in the enterprise zone.

(h) The state board of accounts and department of local government finance shall make the rules and prescribe the forms and procedures that they consider expedient for the implementation of this chapter. After each general reassessment under IC 6-1.1-4, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the general reassessment on the property tax proceeds allocated to the redevelopment district under this section. After each annual adjustment under IC 6-1.1-4-4.5, the department of local government finance shall adjust the base assessed value to neutralize any effect of the annual adjustment on the property tax proceeds allocated to the redevelopment district under this section. However, the adjustments under this subsection may not include the effect of property tax abatements under IC 6-1.1-12.1, and these adjustments may not produce less property tax proceeds allocable to the redevelopment district under subsection (b)(2) than would otherwise have been received if the general reassessment or annual adjustment had not occurred. The department of local government finance may prescribe procedures for county and township officials to follow to assist the department in making the adjustments.

(i) The allocation deadline referred to in subsection (b) is determined in the following manner:

- (1) The initial allocation deadline is December 31, 2011.
- (2) Subject to subdivision (3), the initial allocation deadline and subsequent allocation deadlines are automatically extended in increments of five (5) years, so that allocation deadlines subsequent to the initial allocation deadline fall on December 31, 2016, and December 31 of each fifth year thereafter.
- (3) At least one (1) year before the date of an allocation deadline determined under subdivision (2), the general assembly may enact a law that:

- (A) terminates the automatic extension of allocation deadlines under subdivision (2); and
- (B) specifically designates a particular date as the final allocation deadline.

(b) The bonds are payable solely from the lease rentals from the lease of the local public improvement for which the bonds were issued, insurance proceeds, and any other funds pledged or available.

(c) The bonds shall be authorized by a resolution of the board.

(d) The terms and form of the bonds shall either be set out in the resolution or in a form of trust indenture approved by the

resolution.

(e) The bonds shall mature within:

- (1) fifty (50) years, for bonds issued before July 1, 2008; or
- (2) twenty-five (25) years **after the date of the first principal payment**, for bonds issued after June 30, 2008.

(f) The board shall sell the bonds at public or private sale upon such terms as determined by the board.

(g) All money received from any bonds issued under this chapter shall be applied solely to the payment of the cost of the acquisition or construction, or both, of local public improvements, or the cost of refunding or refinancing outstanding bonds, for which the bonds are issued. The cost may include:

- (1) planning and development of the facility and all buildings, facilities, structures, and improvements related to it;
- (2) acquisition of a site and clearing and preparing the site for construction;
- (3) equipment, facilities, structures, and improvements that are necessary or desirable to make the local public improvements suitable for use and operations;
- (4) architectural, engineering, consultant, and attorney fees;
- (5) incidental expenses in connection with the issuance and sale of bonds;
- (6) reserves for principal and interest;
- (7) interest during construction and for a period thereafter determined by the board, but in no event to exceed five (5) years;

- (11) in the case of refunding or refinancing, payment of the principal of, redemption premiums, if any, and interest on, the bonds being refunded or refinanced.
